THE 1961 NORTHERN

OHIO NORTHERN UNIVERSITY

ADA, OHIO

The beginning of every college year changes little. The endless lines for registration with their confusion, uncertainty, and nerve-racking bustle are an annual affair. Along with this there are the ever hopeful upperclassmen recruiting for their publication staffs and organization memberships.

RICHARD M. NIXON

The year has barely begun when Homecoming arrives.

Alumni are greeted by colorful signs and begin their own registration. They have returned to meet old friends and view the new inhabitants of their old Alma Mater. It doesn't take long for these honored guests to be swept into the vibrant spirit and weariness which accompany the busy weekend.

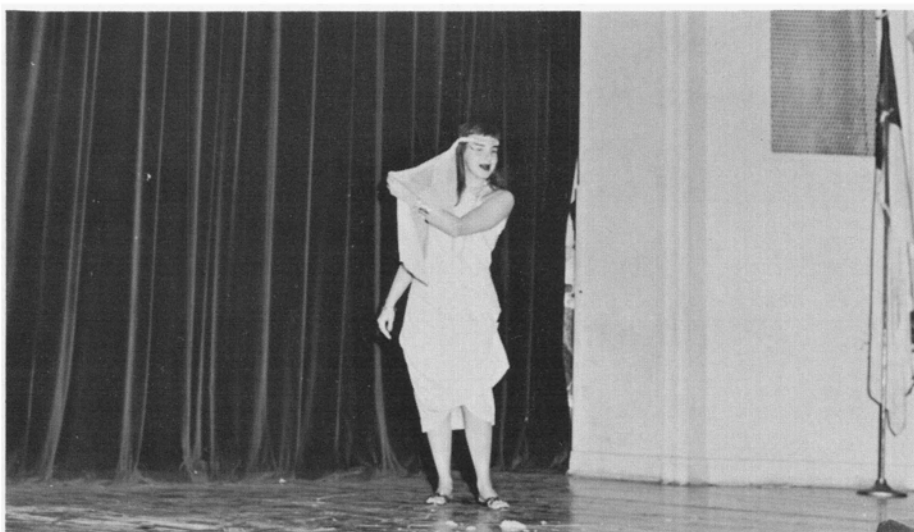

With much preparation the Alpha Xi Delta Sorority launches their campaign by presenting a skit, devised to induce students to cast their ballots for Miss Judy Niehausmyer for Homecoming Queen of 1961.

*Delta Zeta, in a skit designed to sweep you
“around the world in ten minutes,” is not to be out
done. Their preparation has entailed long hours and
they are determined to have the next Queen
represent the Delta Zeta Sorority. Hopes and
anxieties mount as Sandy Soulier appears before
approving crowd.*

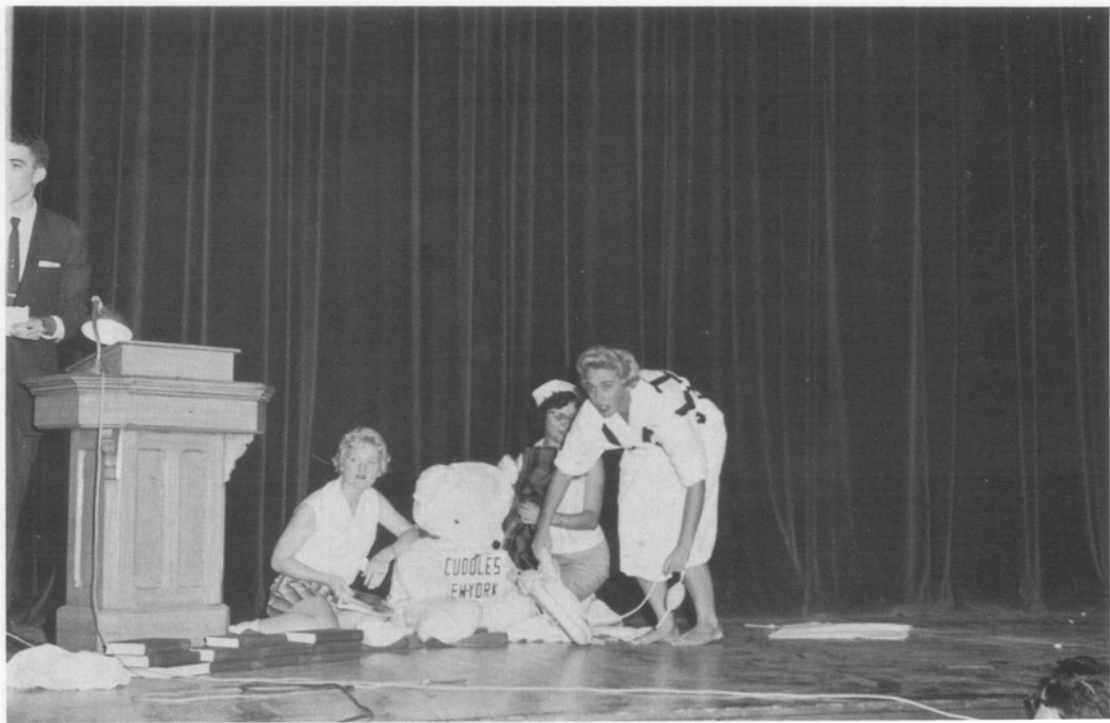

*Employing the ancient tactics of
Shakespeare's witches, Zeta Tau
Alpha prepares to conjure up votes
for their candidate. Only one may
win and Florence Pulca rewards their
hard work by being crowned
O.N.U.'s Queen.*

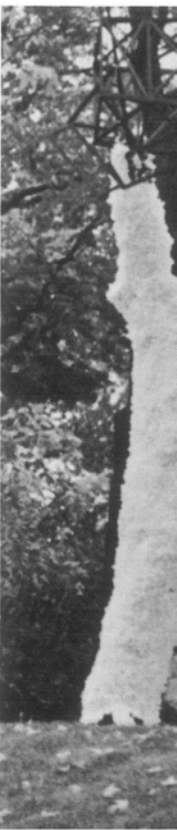

The Independents make a great effort to place Nancy Bunyard on the royal throne. Win or lose, the efforts put forth added to the pageantry of Homecoming.

There is no rest for the fraternity men. The lights burn brightly into the night as the massive decorations slowly grow into clever representatives of the coming football game which will leave the school jubilantly victorious or, at least, gay despite a setback.

A familiar sight on Main Street reappears each year as the fraternities and sororities line up for the pushmobile race. The Alpha Sigs and Delta Zetas sweep the trophies and are lost in a maze of congratulations.

A hushed silence descends as the Queen and her court arrive to take their seats of honor at the football game. The Queen of 1936 (Ila Vera Beynon Carnes) greets her counterpart of 1961.

The time is right as Dr. McIntosh delivers the invocation, then settles back to enjoy the game. The royal group shows their approval of some pre-game cheers.

Royalty, past and present, rises for the National Anthem and the kick-off. Lovely former queens were guests of honor at the Homecoming game.

*The dance climaxes the occasion. Bob Duarte, emcee **from** the Student Council, announces the official coronation and the Royal Ball begins.*

1961 QUEEN FLORENCE PULCA

Northern presents a Convocation to honor her loyal son, Dr. Wilfred Binkley. The program is impressive and a deserving man receives a just reward.

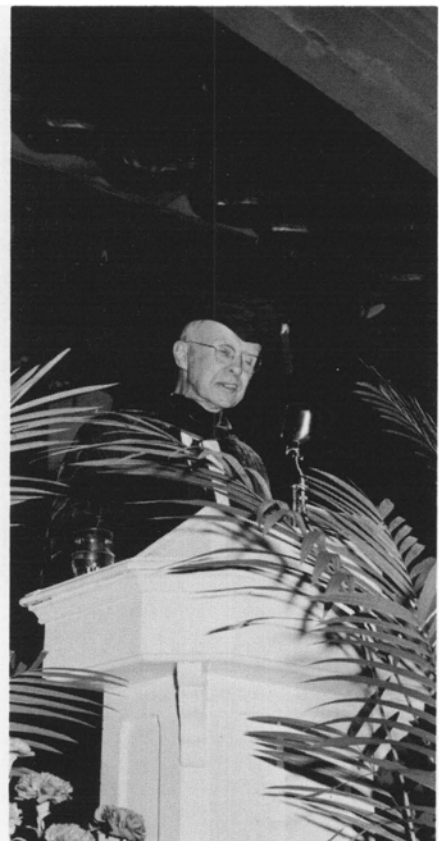

DR. MALCOLM MOOS

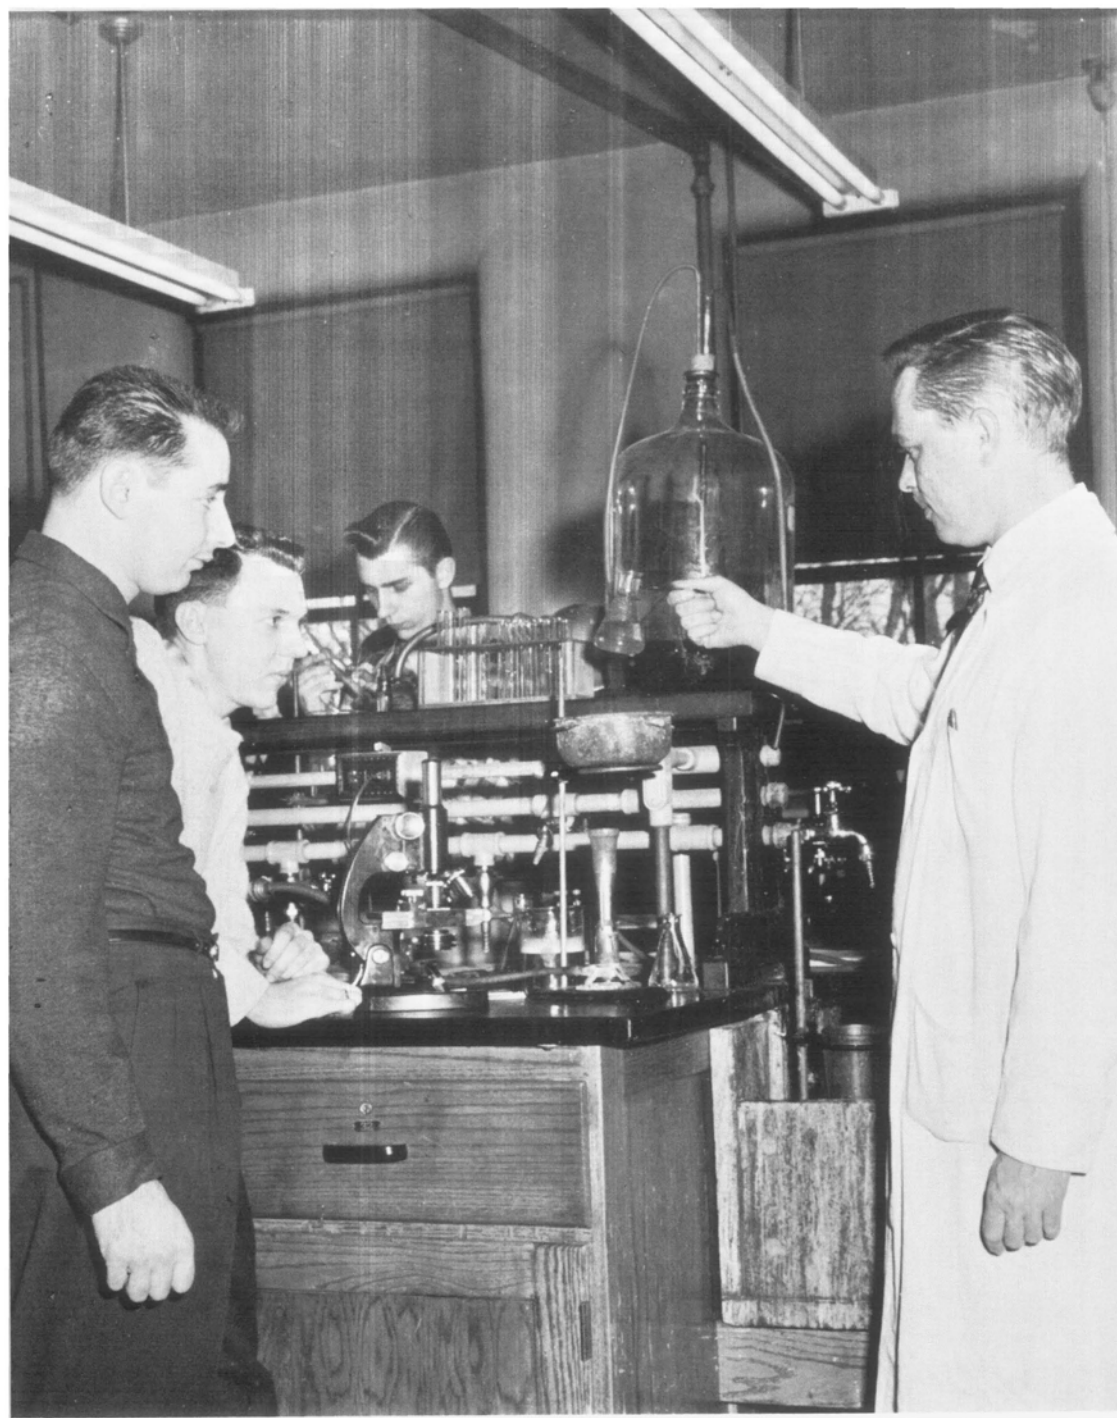

Dr. Moos delivers his tribute to Dr. Binkley before the faculty and friends of this great teacher. Then, the awaited moment comes when the guest of honor arises to deliver his speech. It is filled with interesting aspects of his affiliation with Northern and with appreciation for this moment.

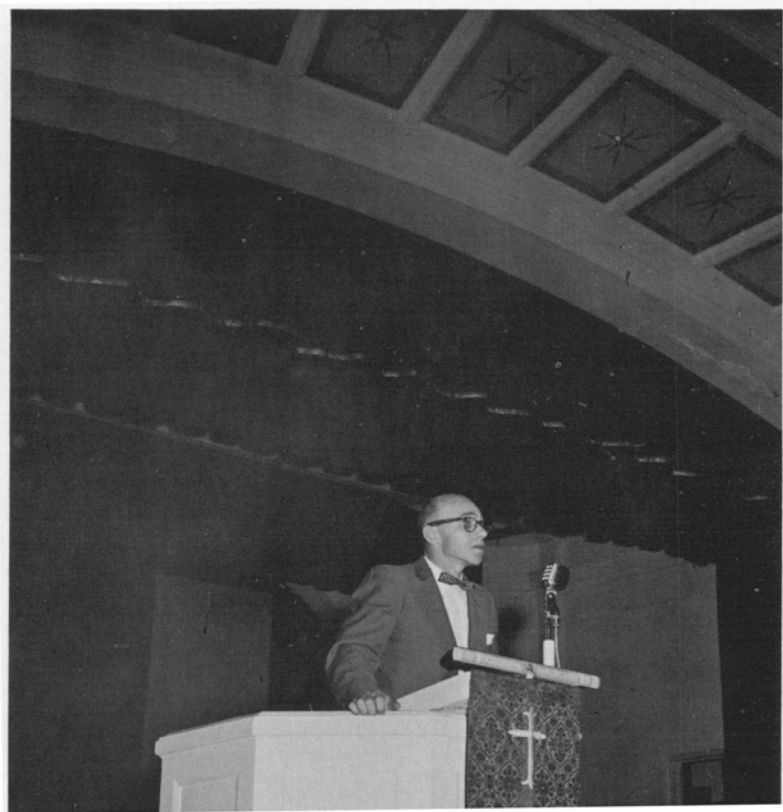

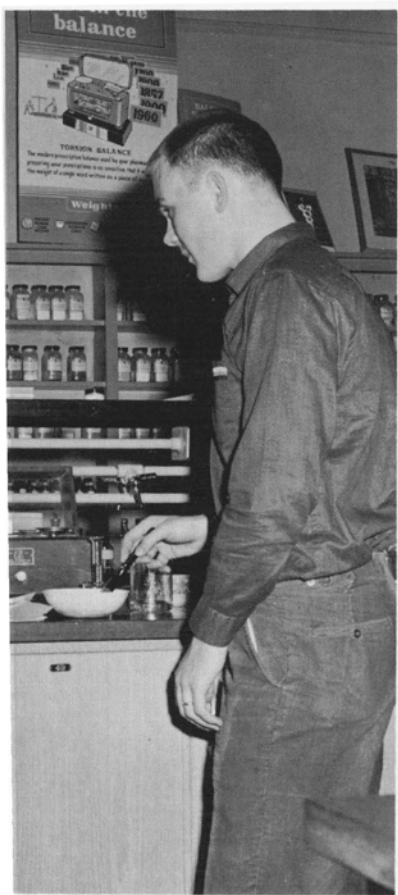

*The Convocation opens with the presentation of honorary degrees. Dr. Malcolm Moos, a long time friend and co-worker of Dr. Binkley, receives an honorary LL.D. from Ohio Northern. Dr. Moos, Administrative Assistant to President Eisenhower, collaborated with Dr. Binkley in writing a widely used book **A Grammar of American Politics.***

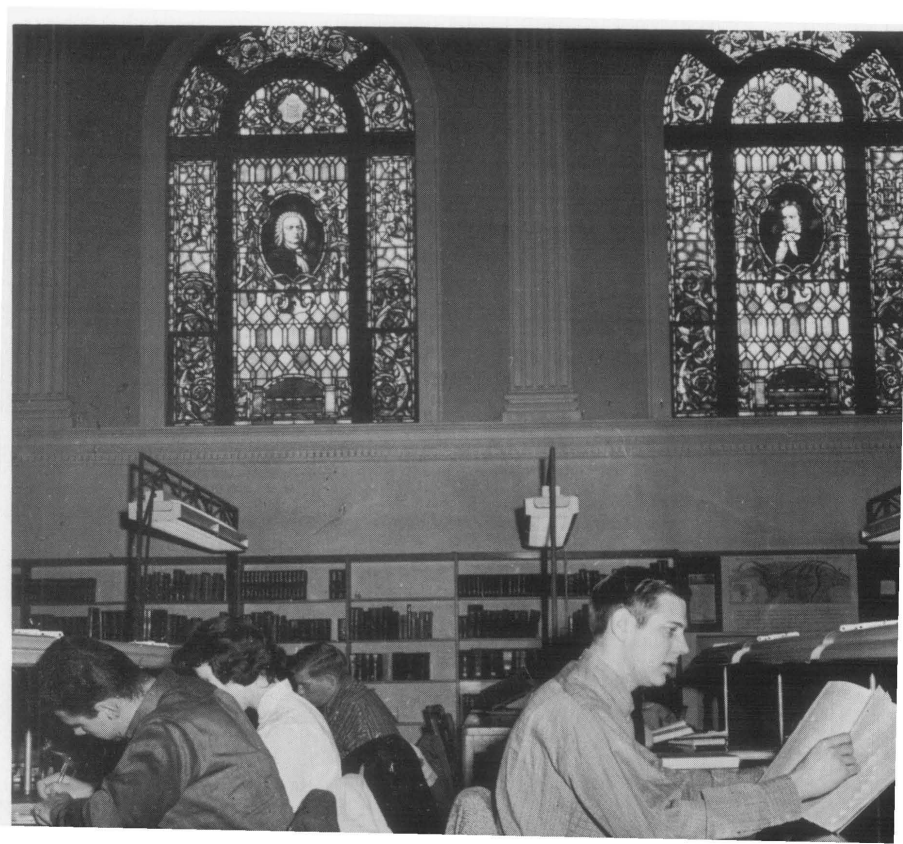

The excitement of pageantry and honor descends and students are again faced with the job of receiving an education. Labs and lectures become a full time occupation.

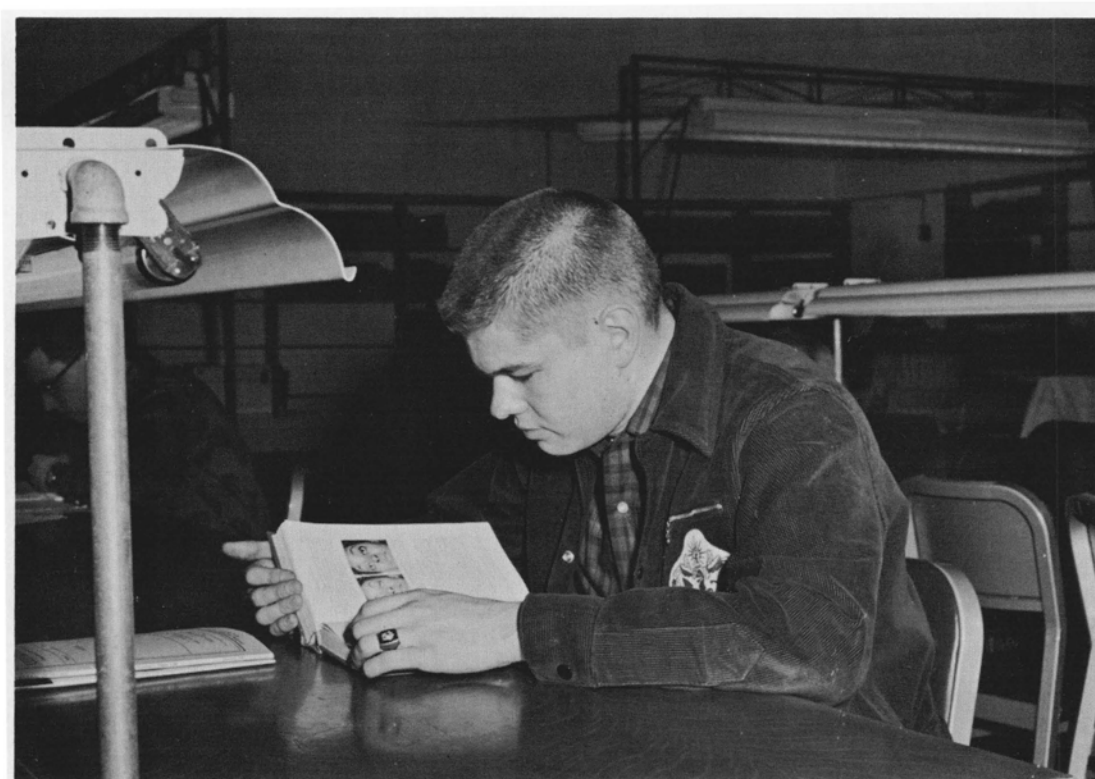

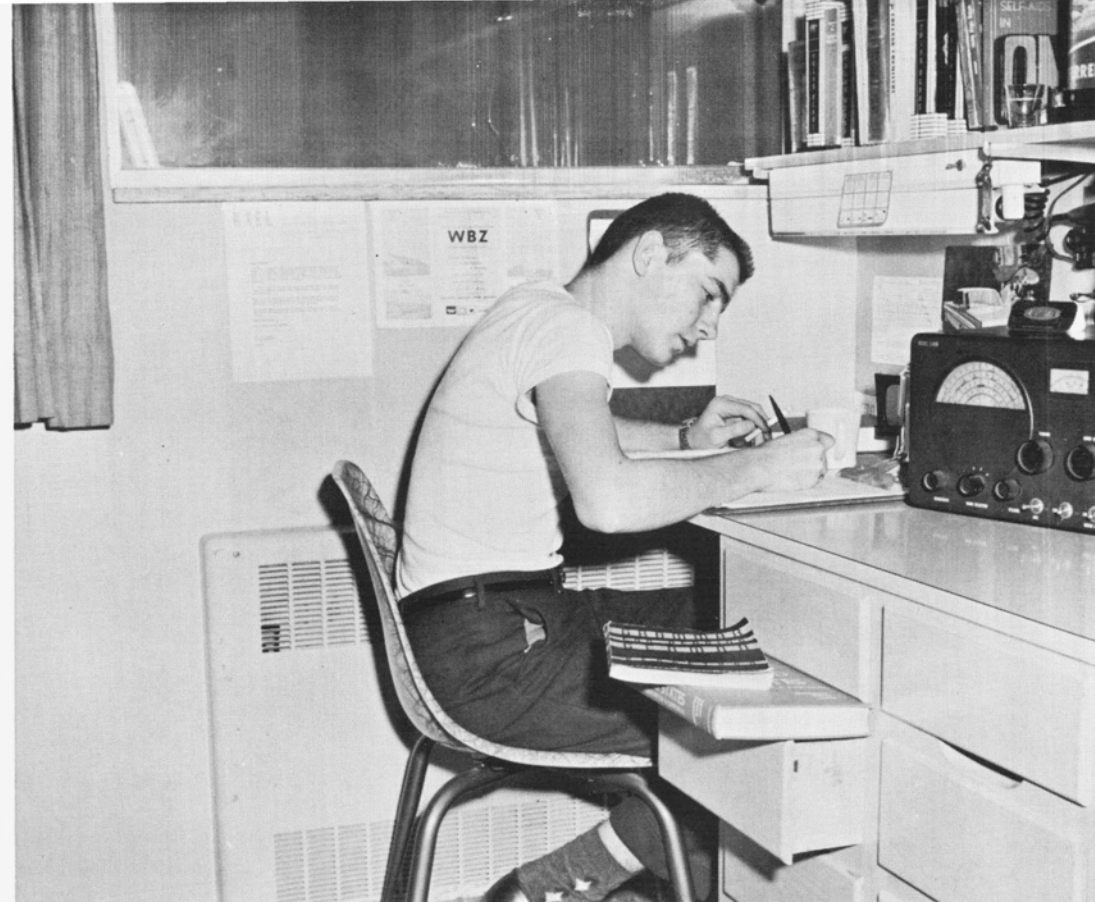

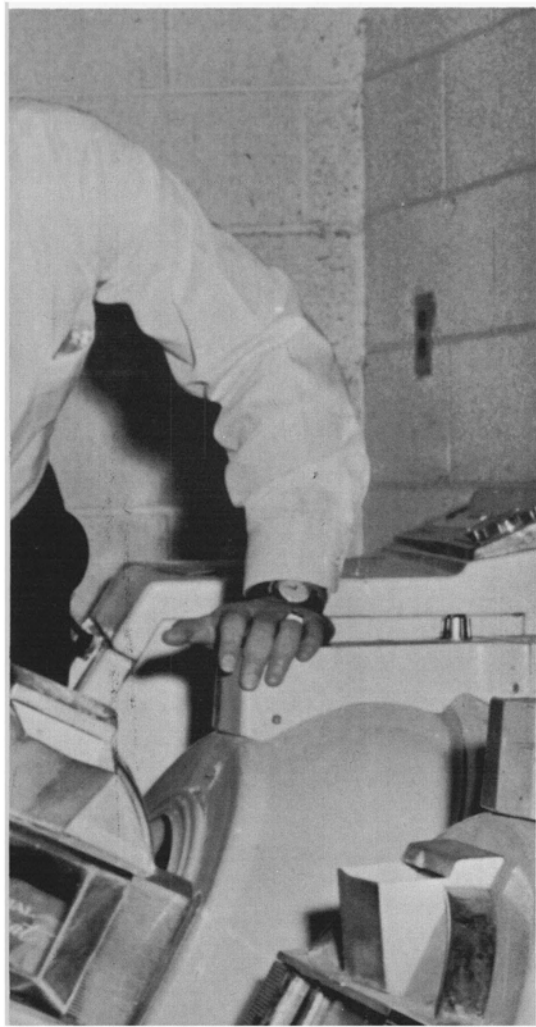

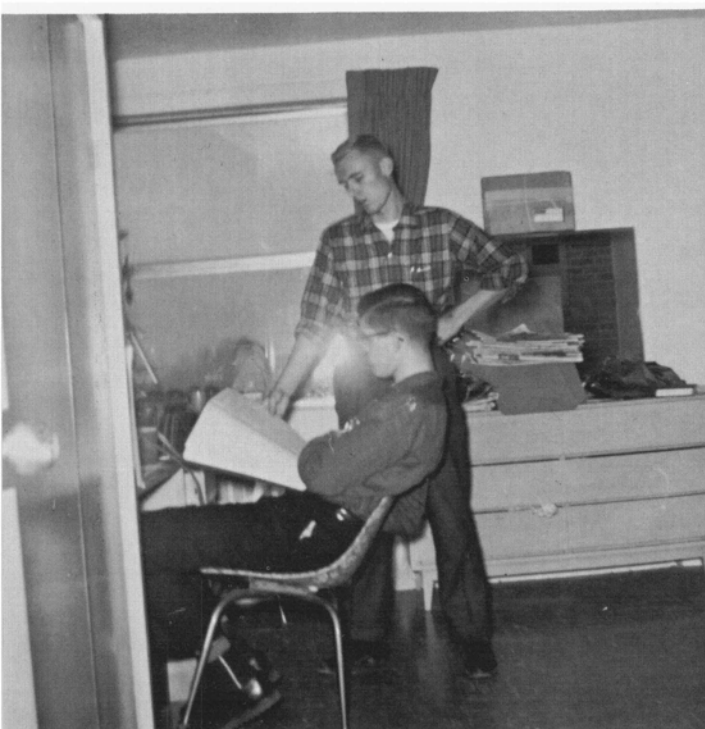

*Study fills up a student's evenings.
The library is a busy place and
often combines a little pleasure
with a little work. When the
pressure is on, the lonely vigil of
serious study begins.*

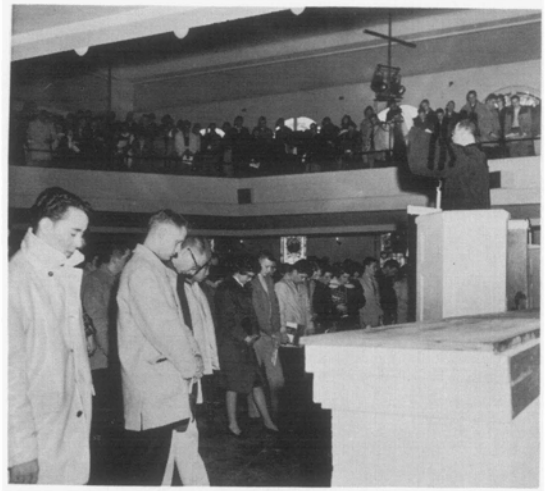

Physical labor relaxes the weary mind and often helps to financially support a struggling college student.

Often times the work cannot be helped, laundry must be done and the men must clean up after their own recreation.

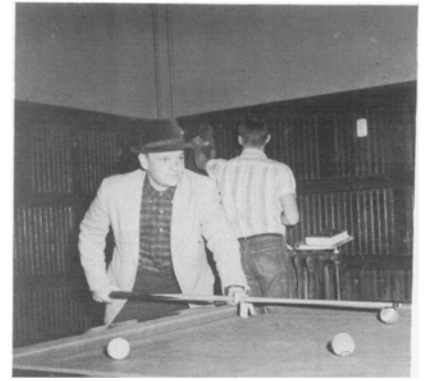

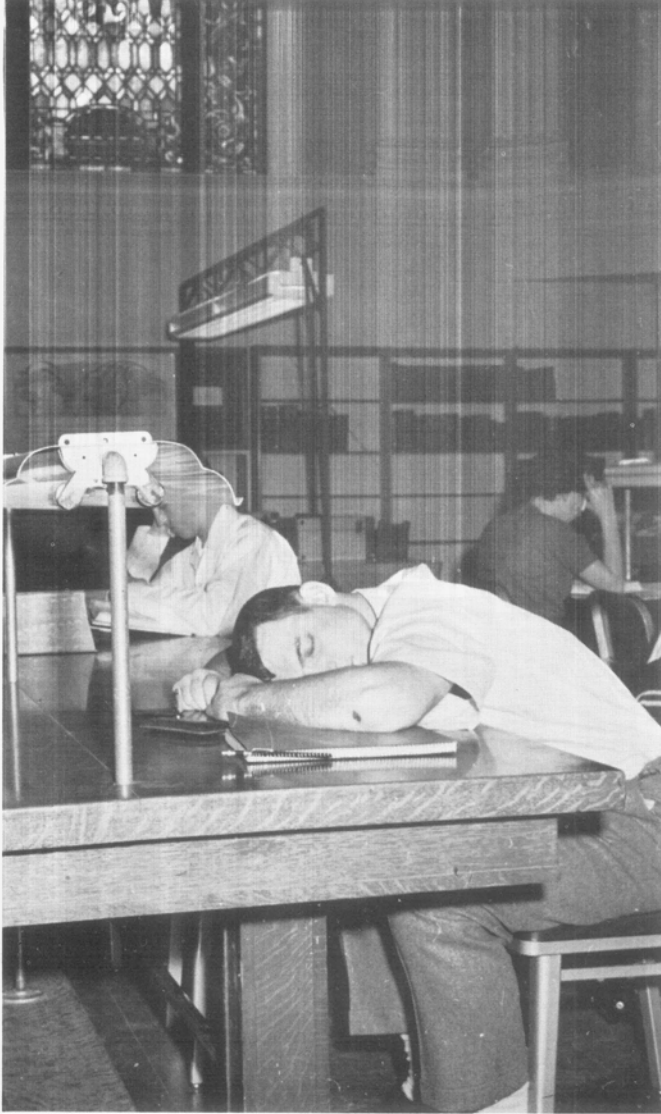

An essential part of college life is learning to help a friend who may have difficulties in his studies.

Northern does not neglect the spiritual needs of her students. "Religion in Life Week" is an integral part of every winter Quarter. Many faiths are represented in group discussions. Dr. Chester Pennington gives the daily addresses in chapel and later participates in the evening meetings with Father Walsh and Rabbi Diamond.

CHESTER A. PENNINGTON

Relaxation is essential to everyone. In an attempt to forget classes for awhile, students often get too relaxed in places where this is not quite approved.

The pool room and "Mad Magazine" supply hours of enjoyment for the busy student.

Jim Reynolds and Susan Strole reign as King and Queen of the Mardi Gras. This celebration gives patrons of the cafeteria a little diversion from the routine and an excuse to socialize.

Kim Novak, beautiful and talented, ponders the many pictures of Northern girls, and chooses the pretty Miss Patti Hickernell, Zeta Tau Alpha, as the 1961 Miss Northern. Alpha Phi Gamma holds a special dance in honor of Miss Hickernell and her attendants, also selected by Kim.

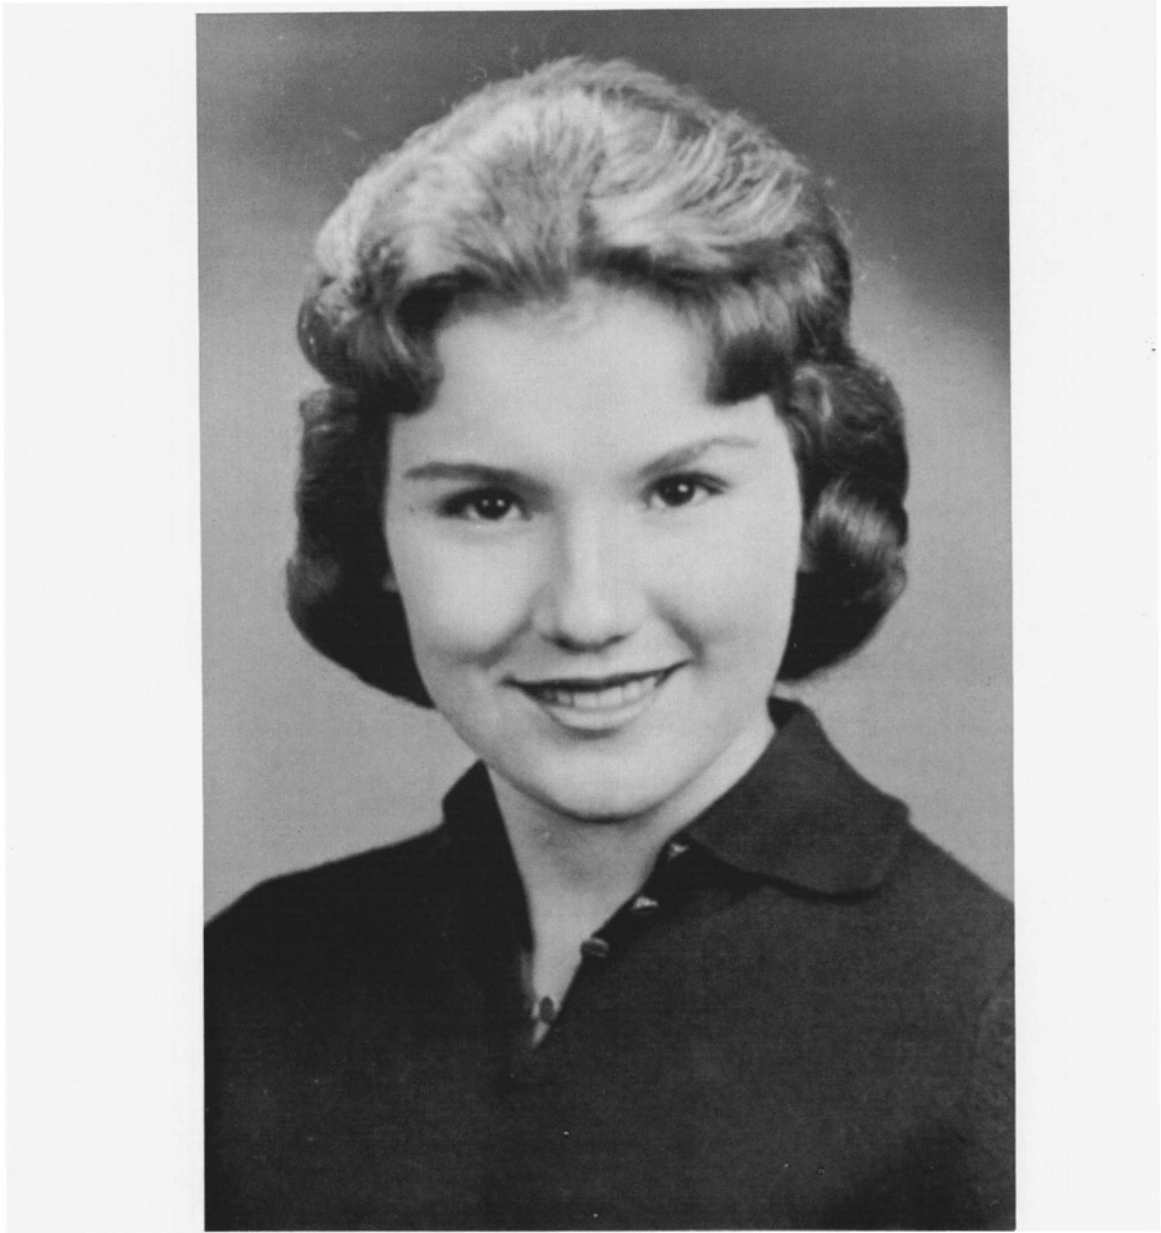

S. STROLE

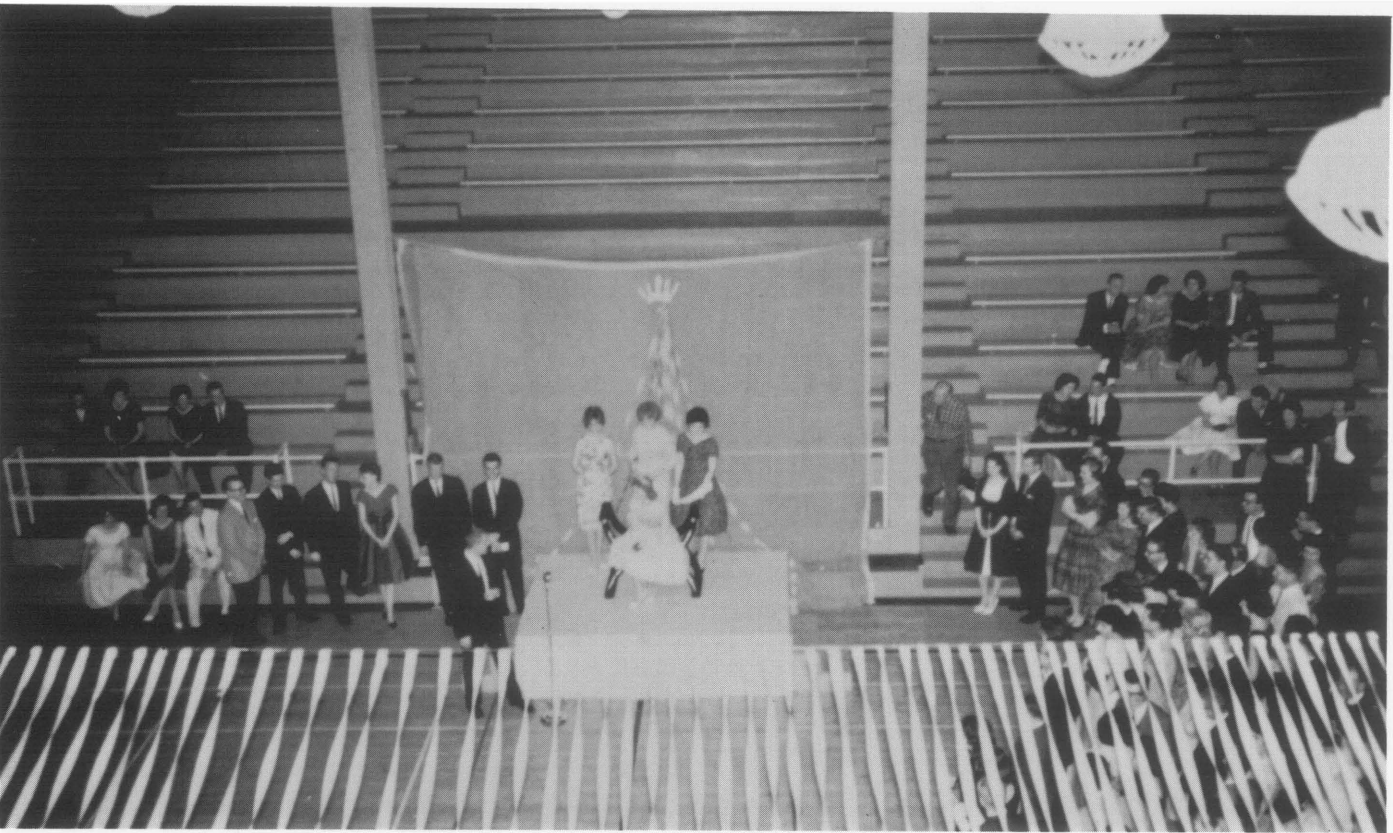

Miss Northern's attendants, Sally Stoltz, Delta Zeta, Susan Strole, Independent, and Virginia Havens, Zeta Tau Alpha, enhance the beauty of the court.

V. HAVENS

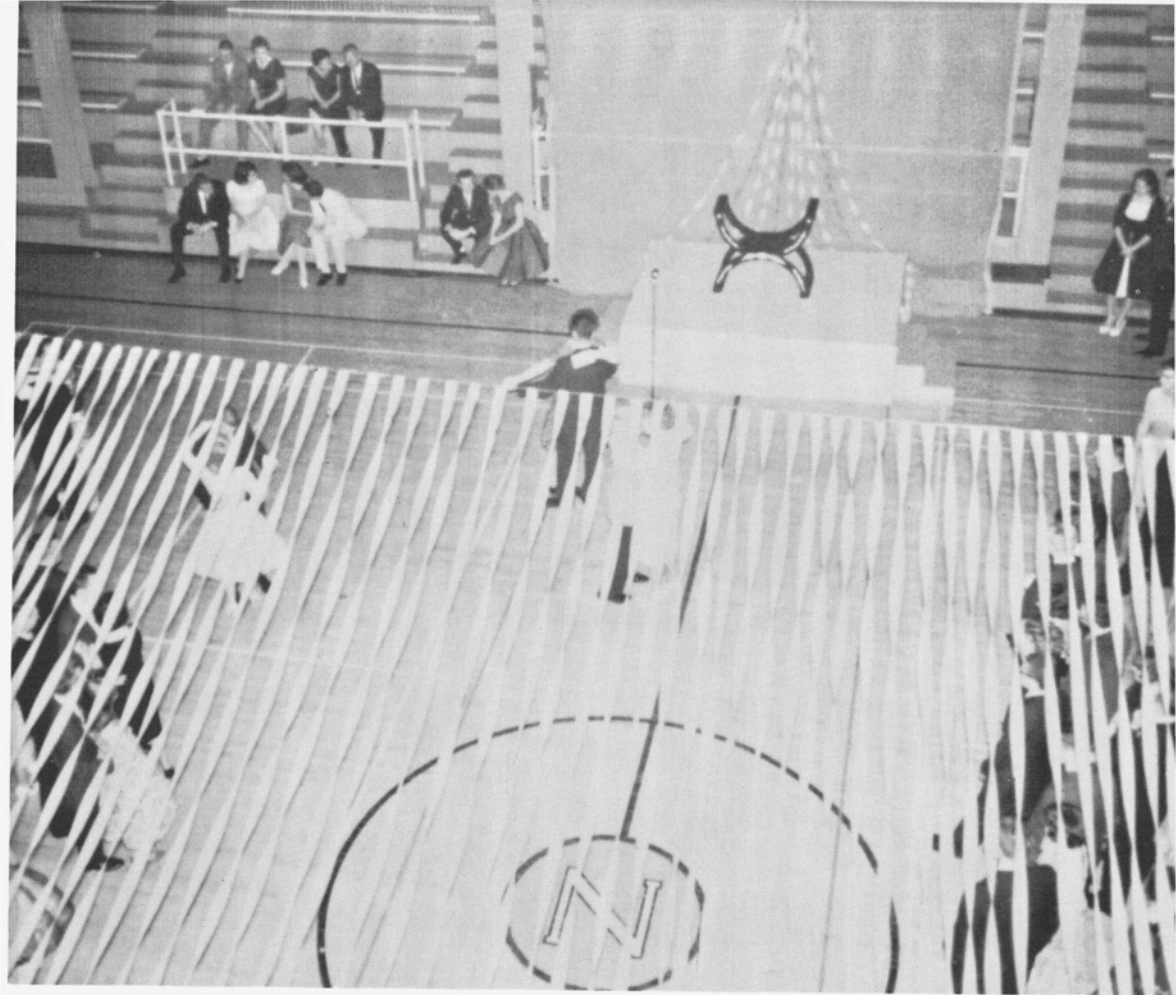

S. STOLTZ

*The Miss Northern Dance
is well attended by anxious entries
and curious members of the
student body. Tensions mount
as the announcement is made
and the crowd applauds Miss
Novak's choice.*

Spirited music from the Ada High School band cheers a chilly May Day crowd.

The 1960 May Day Queen was Beverly Elliott, Delta Zeta. The King was James Rogers, Delta Sigma Phi. Joyce Stacy, Delta Zeta, Carol Degli, Delta Zeta, and Georgia Allen, Zeta Tau Alpha, were chosen by the students to attend the Queen.

SIGMA PHI EPSILON

ALPHA SIGMA PHI

PHI KAPPA THETA

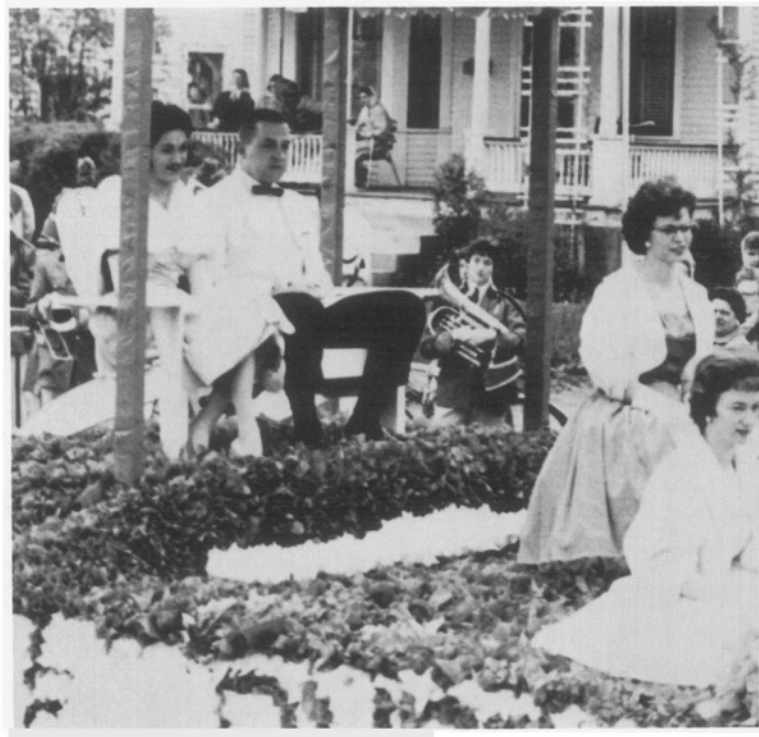

From the Library of:
Dr. Bob Huddleston

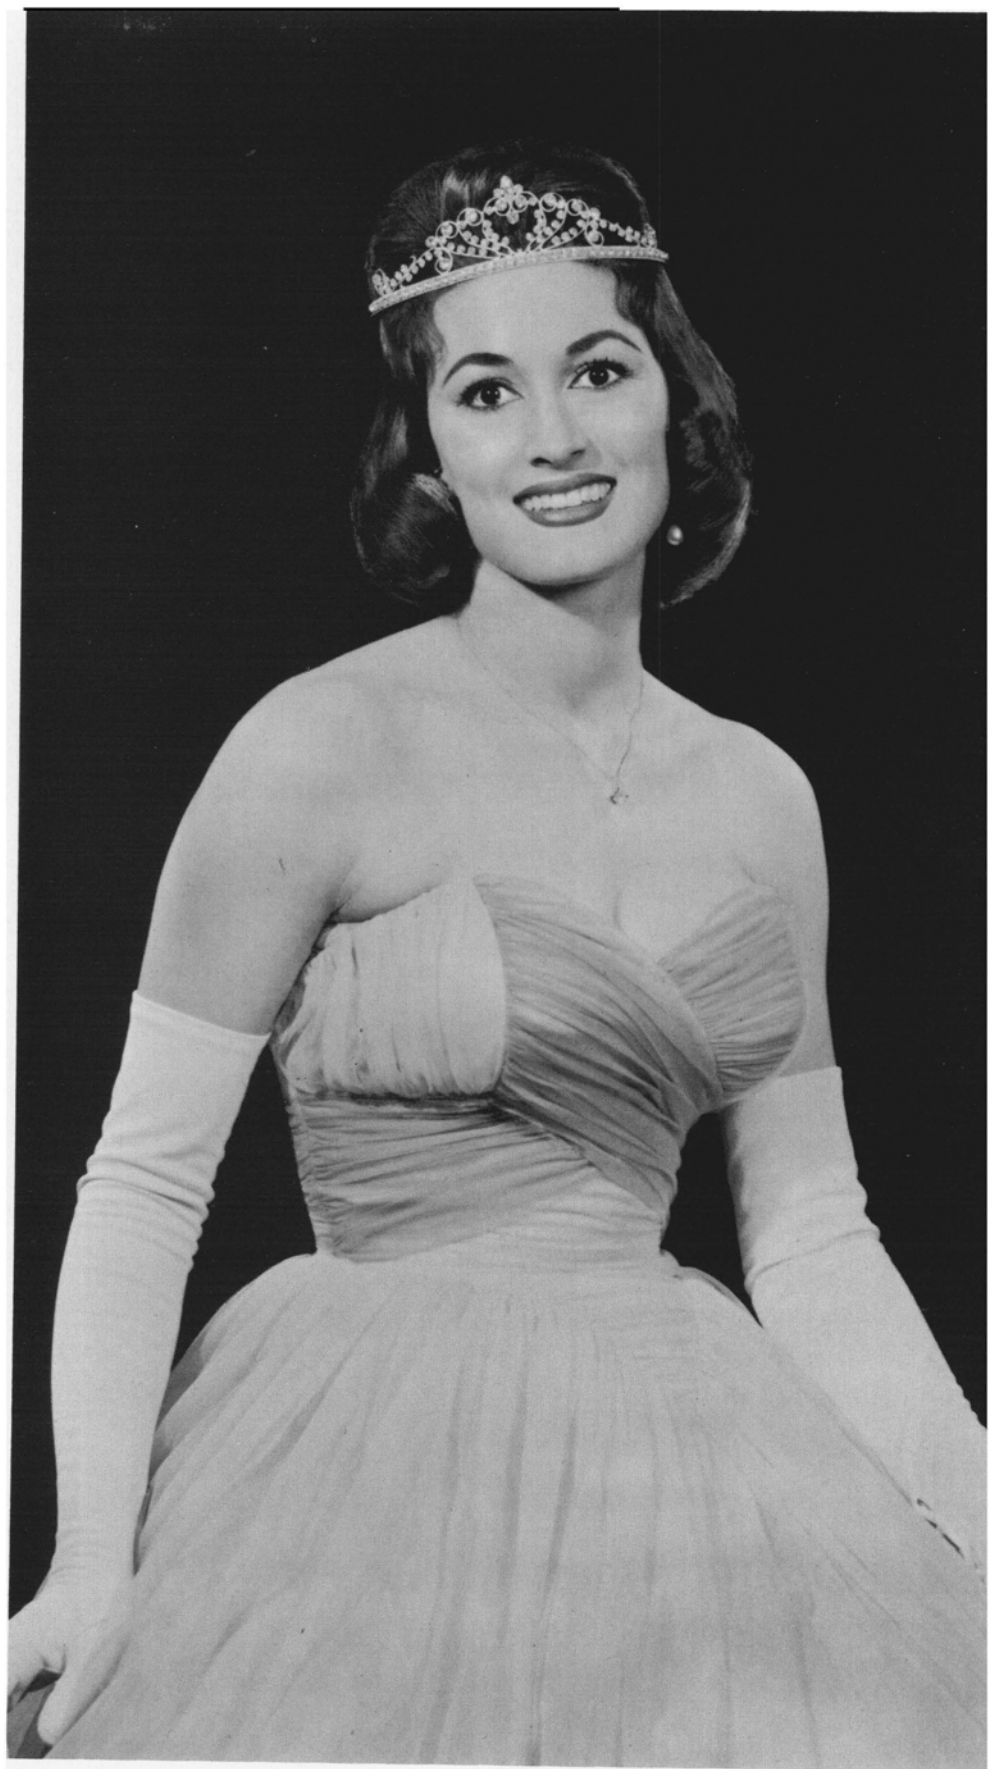

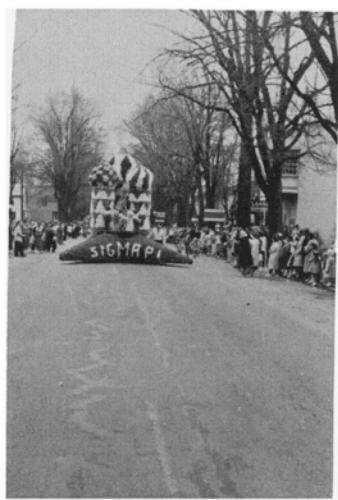

A parade and floats add to the spectacle of May Day 1961. Zeta Tau Alpha Sorority and Sigma Pi Fraternity captured the first place trophies for floats.

May Day is fete day for Northern's 1961 royalty. The beautiful Queen of the May, Marlene Allen, Zeta Tau Alpha, arrives on the arm of King Joel Spiker, Phi Kappa Theta. Miss Allen appears with her attendants Bonnie Ruck, Zeta Tau Alpha, Muriel Cartwright, Delta Zeta, and Sandra Bidlack, Zeta Tau Alpha.

Fraternities match their brawn in the May Day tug-of-war. The winner, Sigma Phi Epsilon, receives the trophy while the losers a rather cold muddy bath in the deep pit.

The work, the play, the festivities are over. Graduation Day has taken us by surprise. The Seniors, both melancholy and elated, don the historic mortar boards, gowns, and tassels; march soberly into Baccalaureate and watch the annual dedication of the memorial.

*How long we have waited! How hard we have worked! How much we have worried! As all things, Graduation has arrived. We now leave Ohio Northern; we begin the lives we have prepared for. A certain sadness and solemnity overcomes us as we march forth to bid each other farewell. Will we succeed? **Will** we ever return?*

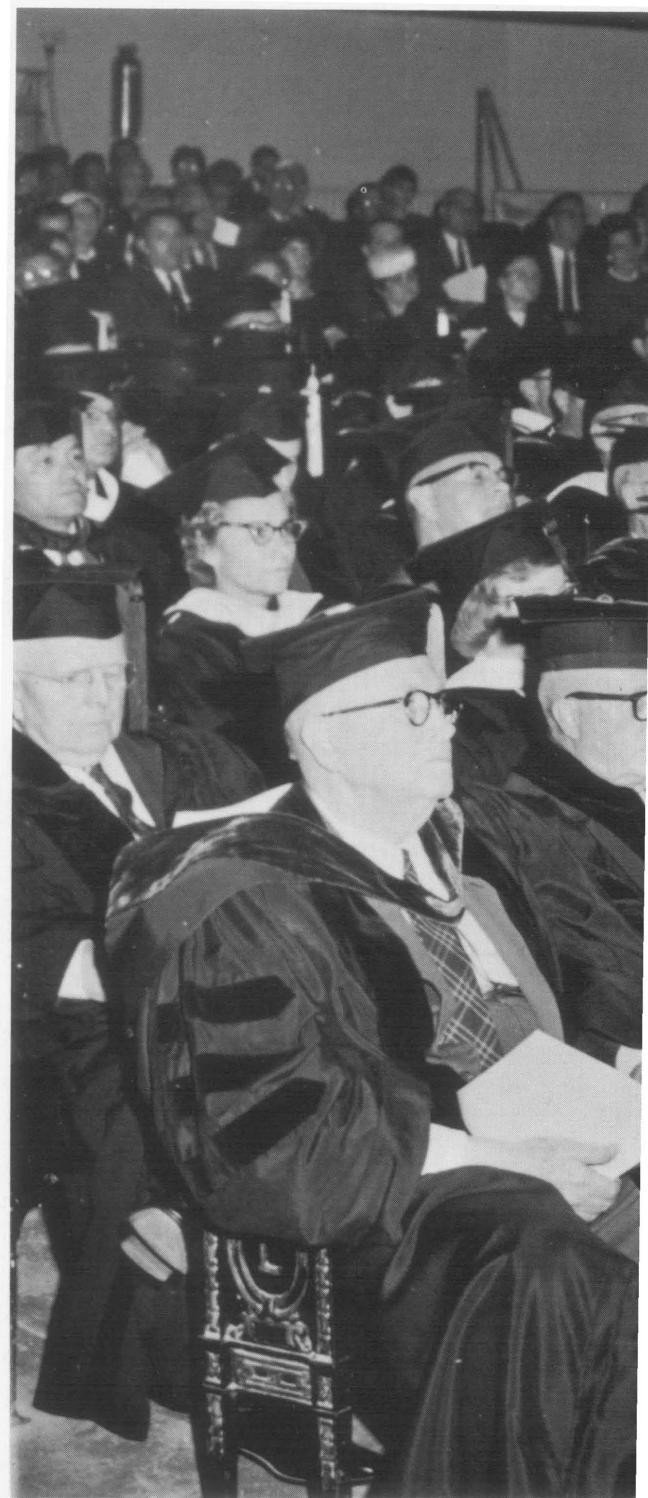

FOREWORD

Knowledge, Responsibility, Intellectual Growth, Initiative, and Personal Maturity: These are the goals of our University, These are the products Ohio Northern offers to the world, These are the benefits which we the students receive during our short life in Ada. We gather here from the far expanses of the world, from the distant areas of our great and beloved country, from the diversified regions of our wonderful Ohio. Here we meet to learn, not only from books, but from each other. We meet those of different backgrounds and cultures and we grow to appreciate these before unknown worlds. Many of us will return to our homes to share our newly acquired knowledge, but for many of us this is a point of embarkation for adventuresome journeys into new places, into worlds we have never seen, and to peoples we have never known. Northern has become an important link between desire and fulfillment.

We leave Ohio Northern, but we never forget our friends or lose our memories. We will carry them with us throughout our lives. We are part of Northern and we treasure this book that we may never be too far away.

DEDICATED TO

DR. ANNA KOFFLER

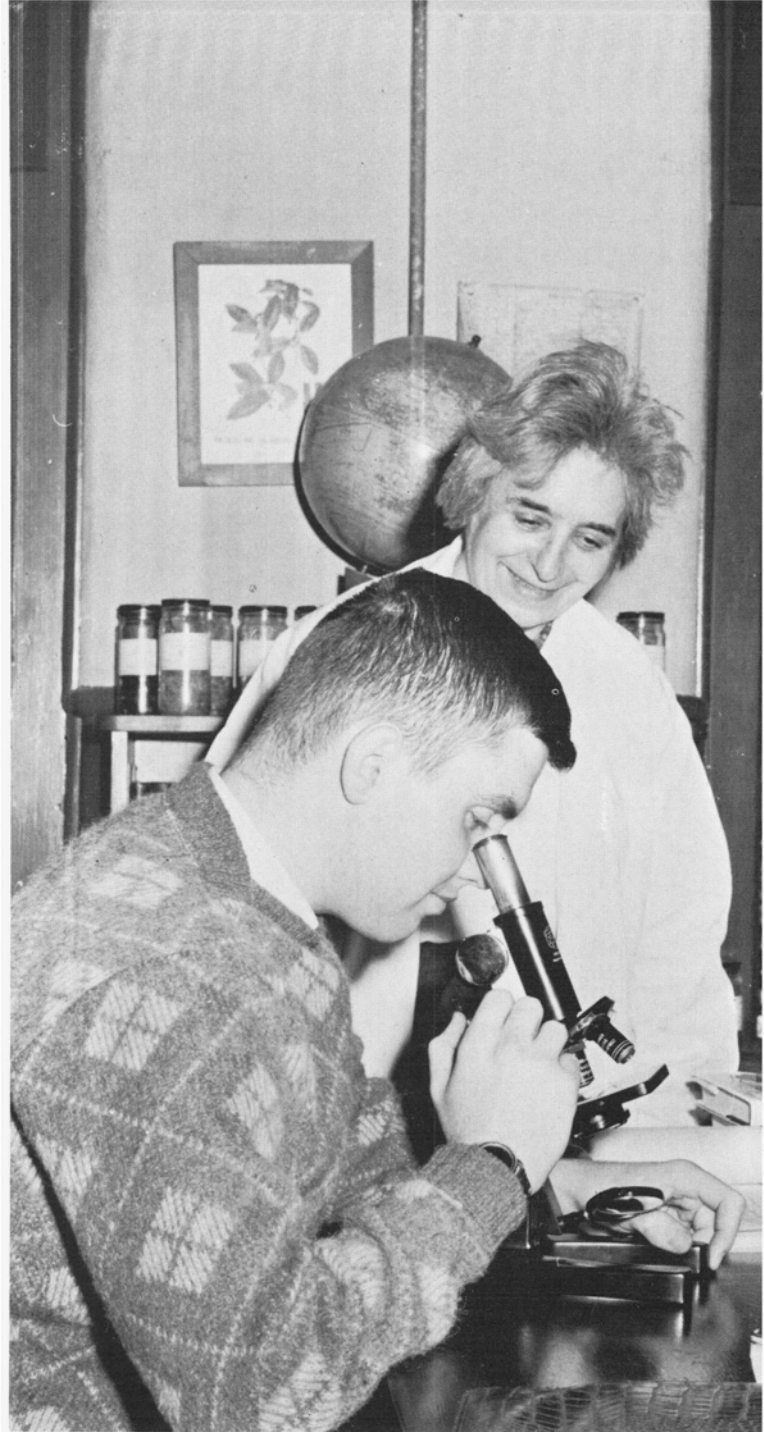

DR. ANNA KOFFLER

To say that a person is a truly great scholar is sufficient to indicate respect and admiration. Anna Koffler may surely be called a scholar; but she is much more. In addition to her academic and research accomplishments she is a brilliant teacher and an active participant in campus affairs.

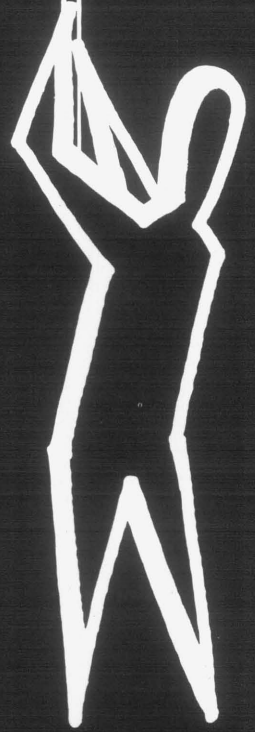

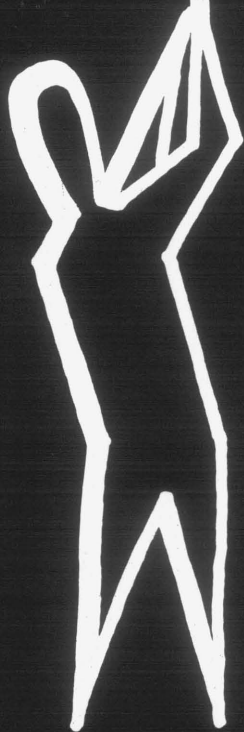

Dr. Koffler was born in Austria and received her **B.S.**, **M.S.**, and **Ph.D.** from the University of Vienna. After arriving in this country, she continued to study at Rutgers University. In the Academic world, she has distinguished herself as a member of the American Association of University Women, the American Association of University Professors, the New York Academy of Sciences, the Society of American Bacteriologists, and the Society of European Chemists and Pharmacists. She has served as an assistant professor of biological sciences at the University of Kansas City, research associate at Rutgers University, the Director of the Grass Research Institute, and technical assistant for the E. R. Squibb and Sons. During the academic year of 1961 and 1962, Dr. Koffler will be on sabbatical leave to Switzerland under the auspices of the Homeopathic Institute. There she will continue research work on the effects of various types of bacteria on extracts from mistletoe. This is primarily cancer research. For her past achievements in this field, she was listed in the 1957 edition of the "Who's Who in Austria."

Despite her busy schedule, Dr. Koffler has found time to act as advisor to the Ohio Northern chapter of Kappa Epsilon, a women's pharmaceutical fraternity, and has been the director of our Campus Chest activities for several years.

Therefore, it is to this scholar, teacher, and campus leader that the student body of Ohio Northern University takes pride in dedicating this, their 1961 Northern.

STUDENT EUROPEAN SEMINAR

Something new was instituted at Northern this year. The Wesley Fellowship, under the direction of Dr. Huddleston, made arrangements for a student seminar to Europe during the Spring recess. The chorus was included and a schedule of concerts was arranged. Many faculty members accompanied the tour throughout the continent.

The chorus sang in Methodist Churches in England and France, and gave the American G.I.s in West Germany a program. There was a definite air of excitement among the troupe as they prepared to board the Pan American airliner. Despite the rush and confusion, Sue Oppenheim managed to squeeze in a quick phone call home before take off.

INSTITUTE OF AMERICAN STUDIES

During the summer of 1961, a five-week Institute of American Studies was held at Northern under the academic leadership of Dr. Anthony Milnar, Dr. Wilfred Binkley, and Dr. Carle Spotts. The course subjects were Problems in American History, the American Literary Heritage, and American Political Ideas.

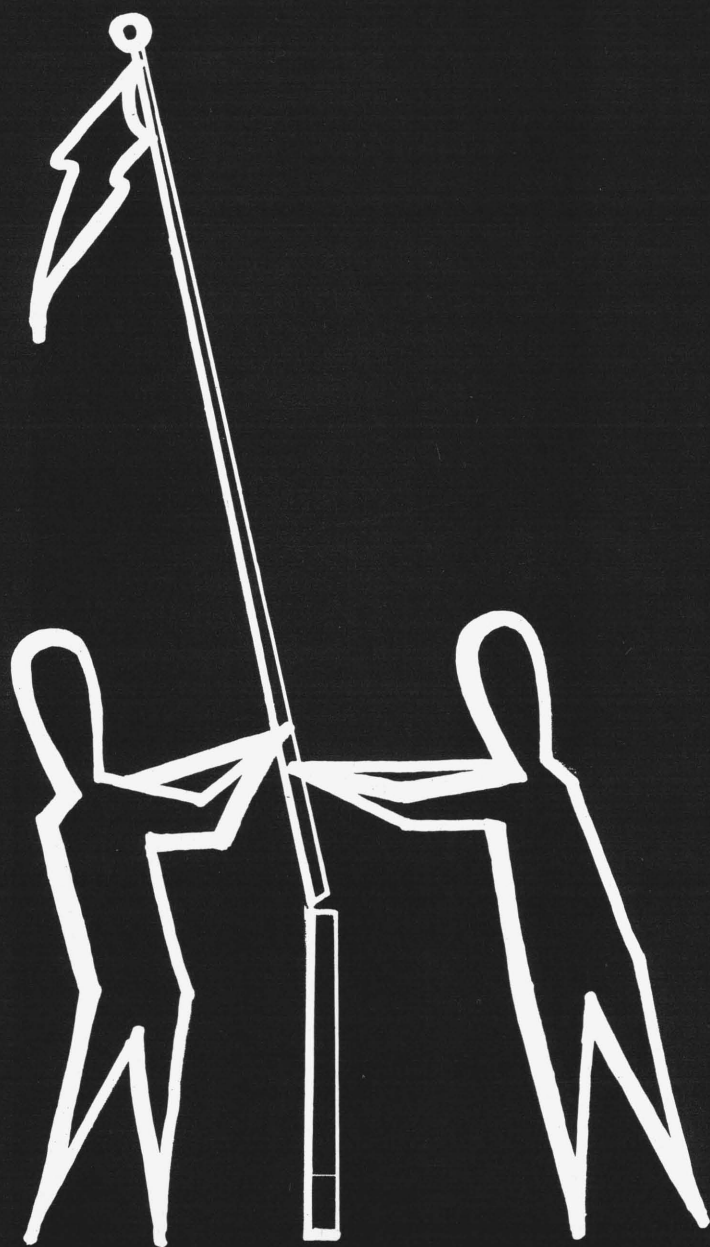

In addition, Dr. Felix Morley was a guest lecturer. He is a well known political philosopher, journalist, and educator. Dr. Morley spoke on the Constitution, Freedom, and Federalism.

This institute was designed to provide a stimulating intellectual experience among the twenty-four teachers present from Ohio, Michigan, and Indiana. The entire program was made possible by a \$10,000 grant from the Coe Foundation.

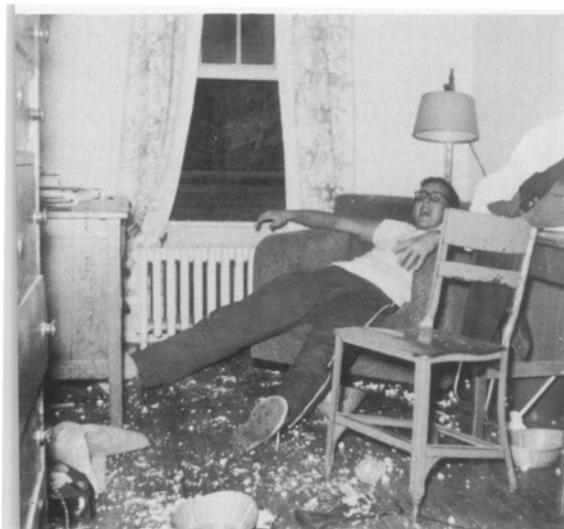

SOCIAL

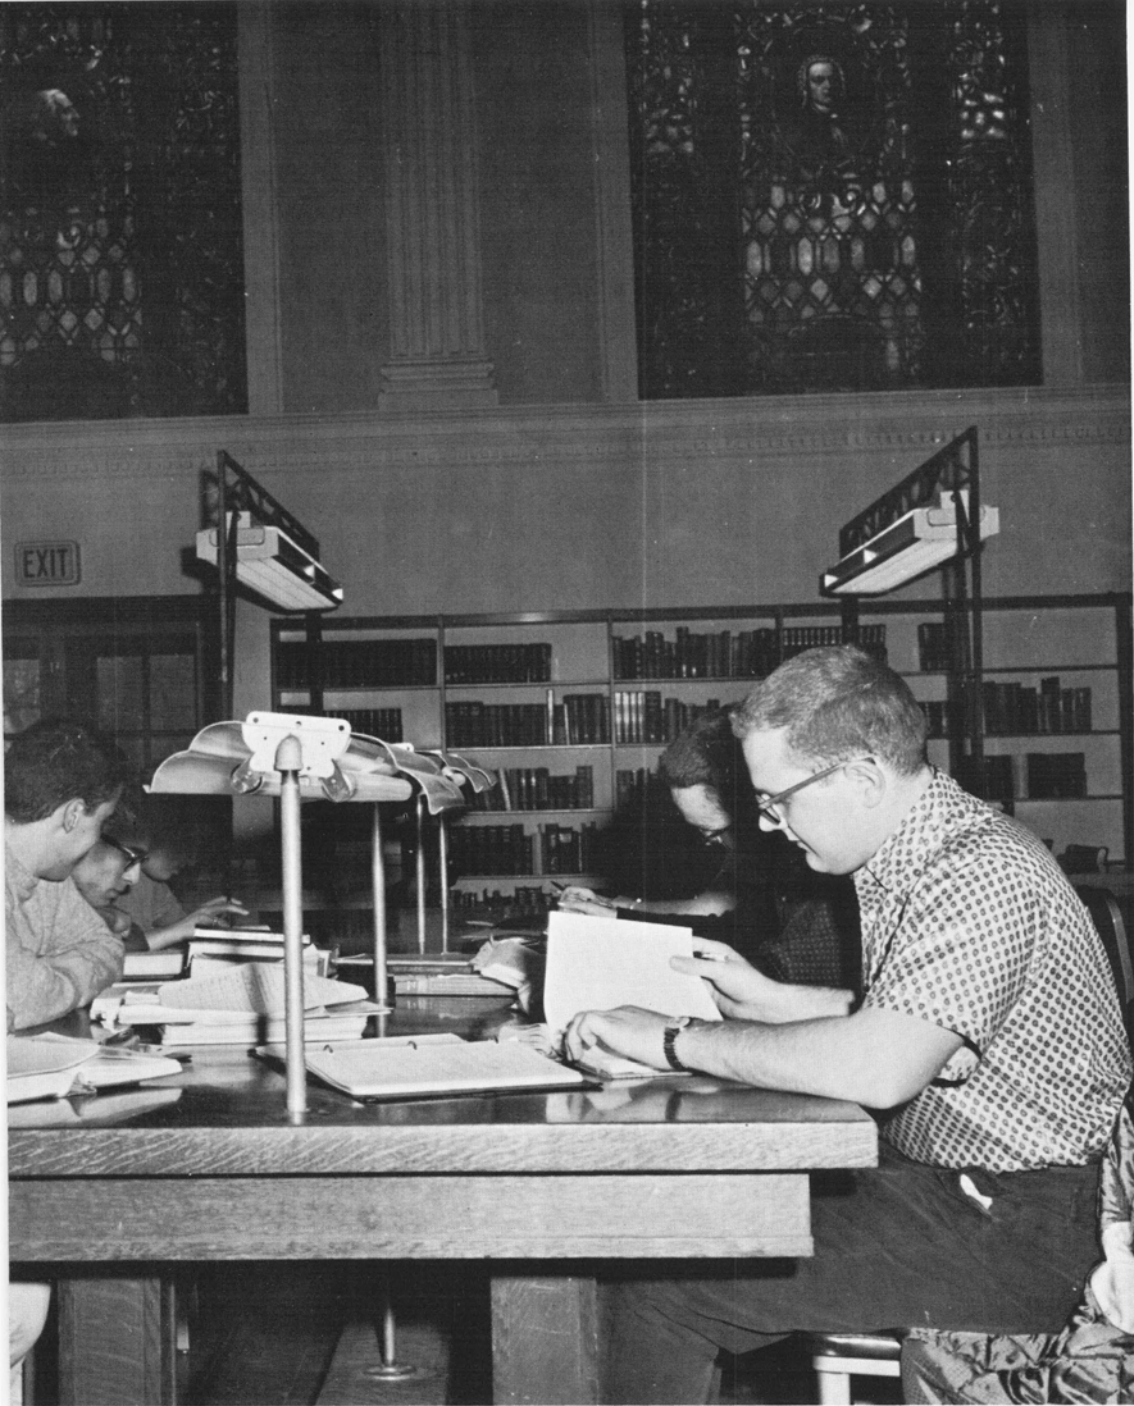

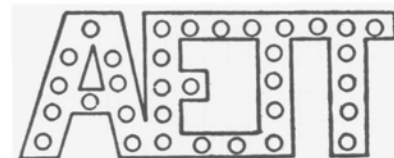

Fraternity life is a unique experience in the life of a college man. It gives the freshman a place to turn to for companionship, recreation, and adult training in the serious business of life. The most important job of a Fraternity is to teach the young man that his life as a student is his principal concern while at college. Studying together at the house or in the library makes the books an almost enjoyable pastime. A Fraternity man learns also to relax with others and "let off steam." He learns to work with a group and to share in their victories as well as their defeats, to be a good citizen of his college and share some of the University's burdens at important times in the school year, but finally, after his initiation, he learns to be a man who knows others, who shares with others their important moments, who learns to live with others whom he freely chooses in a way which truly exemplifies our American Democracy.

FRATERNITY LIFE

ALPHA EPSILON PI

Alpha Epsilon Pi Fraternity was founded at New York University on November 7, 1913. The local chapter, Kappa, was chartered at Ohio Northern University in 1923. A.E.Pi is now the largest of eleven national Jewish social fraternities, with over 16,000 members and 66 active chapters.

Each year a social calendar is planned so as to insure the members of a well rounded chain of social events. This year's calendar includes the annual winter and spring formal, IFC Weekend, as well as numerous house dances and parties during the school year. Alumni are honored at Homecoming, and the parents of the brothers and pledges are honored with a banquet at the annual Parents' Day.

The members of the fraternity strive to be well represented in all campus activities and organizations as well as maintaining steady improvement on the previous year's scholastic average. Since most of the brothers and pledges are enrolled in the College of Pharmacy, the Fraternity is well represented in A.P.H.A. and Alpha Zeta Omega, but still remain active in numerous other organizations, as well as participating in all of the intramural sports.

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, 1845. At Ohio Northern the Alpha Sig's maintain the dual distinction of being both the oldest local group and the youngest chapter, its predecessor being founded here in 1903, and the Gamma Alpha chapter existing since January 17, 1942.

The tenth oldest social Greek letter society and one of the original members of the National I.F.C., the Alpha Sig's now claim 83 active chapters and 50,000 members.

Alpha Sigma Phi and its predecessors, Alpha Kappa Pi and Theta Nu Epsilon, claim such famous local alumni as B. F. Fairless, past president of U. S. Steel; President Taft; T. J. Smull, Dean Emeritus of Engineering at ONU; and Rudolph Raabe, Dean Emeritus of Pharmacy. Nationally famous alumni include Arthur Flemming and Vincent Price.

In campus activities, the Alpha Sig's have captured the All-Sports Trophy for five consecutive years, won the tug-of-war five years in a row, and pushmobile for the last four years. The Sig's won Greek Sing, maintained a majority in the Adelpian Society, and succeeded in electing brother Maurice Pfeifer as May Day King.

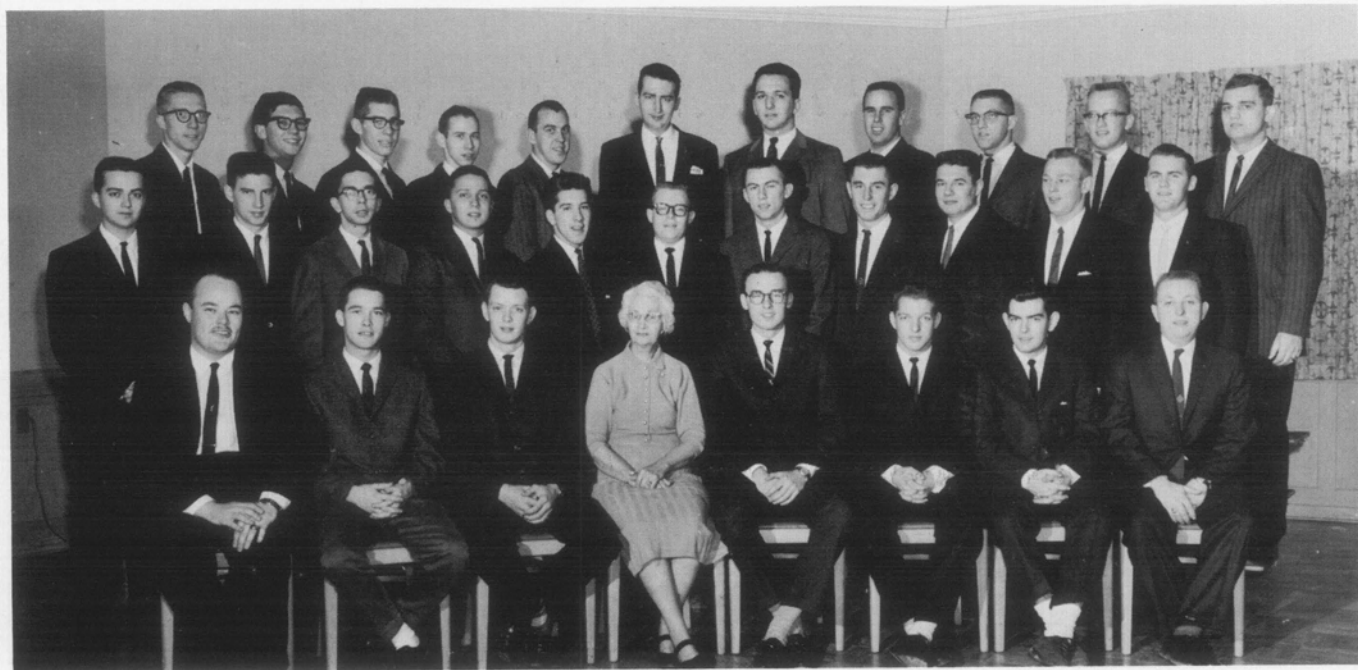

Socially, the Alpha Sig's are quite active with three traditional affairs: the 'Playboy Winter Formal,' the 'Sig Apache,' and the 'Spring Talisman Rose Formal' plus numerous other social activities.

Delta Sigma Phi Fraternity was founded at the City College of New York in 1899. In 1920, members of the Engineers Triangle Club at Ohio Northern were initiated into Alpha Eta Chapter.

In February there were about 60 brothers and pledges in the chapter. Faculty members include: Chapter Supervisor, Charles Wehrer of the Department of Education; Dean Lawrence Archer of the College of Engineering, Doctor Karl Roider of the Department of Music, Doctor Robert Hilliard of the Department of

KAPPA PSI

Kappa Psi was founded May 30, 1879 at the Russell Military Academy in New Haven, Connecticut. It is the oldest pharmaceutical fraternity in existence. Kappa Psi has 50 chapters throughout the United States, and it is the largest pharmaceutical fraternity in the world.

Many Kappa Psi men have become leaders in their chosen field of Pharmacy. This is well illustrated by the fact that most of the deans of the colleges of pharmacy over the country are Kappa Psi. Here at Northern, Dean A. C. Smith and Dean Emeritus Raabe of the Pharmacy College are members of Kappa Psi, as is Dr. David S. Yoder, Instructor of Pharmaceutical Chemistry.

The Gamma Delta Chapter of Kappa Psi was founded at Ohio Northern in 1920. It is unique on this campus in that it is both a professional and a social fraternity and only men entering the pharmacy college can become brothers. The fraternity sponsors many social events throughout the year beginning with the Harvest Dance, followed by various house dances, and ending with the Spring Formal held at the scenic Beatley's-on-the-Lake at Russels Point.

Gamma Delta of Kappa Psi is also active in intramural sports and all other competitive events including Greek Sing and Greek Skit. Some of the brothers are quite active in Ohio Northern's varsity sports. As a group the Fraternity participates in many campus activities and always strives for the main goal—that of success.

PHI KAPPA THETA

The new Catholic fraternity, Phi Kappa Theta, was formed September 8, 1958, by the merging of Phi Kappa and Theta Kappa Phi. Ohio Zeta chapter was established at Ohio Northern University April 29, 1959. The purpose of this fraternity is to provide an atmosphere of Catholic unity, to develop educational, social, and athletic standards, and to encourage an active participation of all the brothers. Phi Kappa Theta works hand in hand with the Newman Club striving to maintain the Catholic standard of morality for all its men.

The fraternity is well represented on the university teams in football, wrestling, baseball, tennis, and hock-

Socially speaking, the fraternity is quite active and sponsors house dances regularly such as the Turtle Dance and the Pledge Dance. The Spring Formal and Homecoming banquet and dance were very well attended and enjoyed by everyone.

Reverend Francis X. Schweitzer is the spiritual advisor for the chapter whose active membership now stands at forty-nine.

PHI MU DELTA

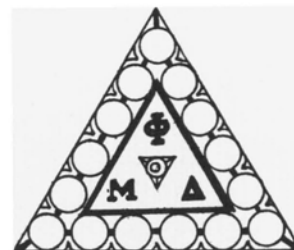

The Mu Beta chapter of Phi Mu Delta was founded on the campus of Ohio Northern University on March 15, 1926. The national fraternity was founded at the University of New Hampshire on March 1, 1918. The goals of the fraternity are to bring men into a close bond of brotherhood and to improve themselves morally, mentally, and spiritually.

The membership of Phi Mu Delta consists of 47 brothers and 34 pledges. Professor Ernest Abele, Professor Archie Hillery, and Professor Lewis C. Benton serve as the faculty advisors. Ex-Professor Rex Lowman of the Industrial Arts Department and George Schertzer, Alumni Secretary also serve as advisors.

In campus organizations the brotherhood has been very active. There are four brothers represented on the Student Council, five brothers on the Board of Governors, and five brothers are class officers. Some of the brothers are also in many of the professional organizations on campus, holding offices in several of them.

On the recreation side, Phi Mu Delta holds one dance per month which may adhere to various themes. The big dance of the year is the Spring Formal which is held off campus. Phi Mu Delta participates in all interfraternity sports. The baseball team won the fraternity and all campus trophy.

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Nationally it is the third largest social fraternity chapterwise with 147 active chapters. Ohio Alpha has initiated over 870 members since its founding on this campus on February 18, 1905.

The Sig Ep's occupied what is now the Terrace Building before the present house at 821 South Gilbert was constructed by the brothers in 1915-1917. It was the first house built as a fraternity house in the state of Ohio. The Sig Ep chapter is the oldest continually active fraternity on this campus.

Ohio Alpha has a well rounded social calendar, the highlights being the winter and spring formals, the pledge dance, the 'Artists and Models Ball,' and numerous sweater dances. Banquets for alumni at Homecoming, seniors at graduation and buffet dinners for the

SIGMA PI

Sigma Pi is a national fraternity and was founded on this campus in 1909 as Phi Chi Psi. On June 1, 1912 Phi Chi Psi was installed as Zeta chapter of Sigma Pi Fraternity. As a national fraternity, Sigma Pi is governed by the National Interfraternity Conference which states as its goals: (1) to provide training and discipline of the educated individual who desires to make himself a useful member of society, (2) to share in all college responsibilities as an undergraduate, (3) to provide business training in the management of the chapter, (4) to promote diligent application to study by the fraternity member, (5) to advance moral and spiritual development of the individual, (6) to encourage the acquisition of knowledge and training in cultural fields, (7) to develop social graces, the art of good living, the development of courtesy and kindness, (8) to promote healthful practices by its members, (9) to assume civic responsibilities in the college community, and (10) to develop those qualities of human understanding which will lead toward a better civilization.

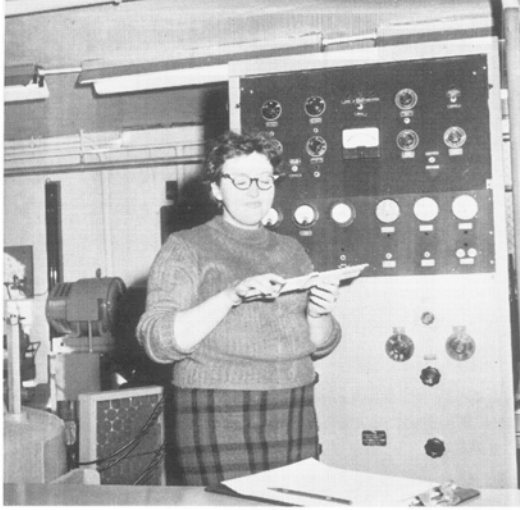

Sigma Pi strives to make these goals an integral part of every member's daily life with a special emphasis on scholarship and college participation. Many of the members of Zeta are found participating on almost any extracurricular college function of the campus.

Zeta of Sigma Pi is a proud and growing organization that is happy to be called an O.N.U. Fraternity. The Sigma Pi house is located at 807 S. Simon Street where many social events are held each year.

SORORITY LIFE

Sorority Life is a combination of many things for the college woman. Naturally the primary purpose of the sorority is to induce scholarship. Northern's sorority women are found to possess outstanding scholastic ability in many fields of endeavor.

The sorority women share many group responsibilities. They aid the incoming freshmen to survive the rigors of that first registration; they cooperate in Pan-Hellenic projects such as the formal rush parties, the pushmobile race, and Homecoming skits; and when the work is over, they readily relax and enjoy the companionship of their sisters.

This year has been a busy one for Alpha Xi Delta. Judy Niehausmyer, president of the sorority, was placed as candidate for Homecoming Queen, the push-mobile team was organized, and an active and effective campaign was launched.

Rush found the Alpha Xis hurrying to prepare for their rush party and pledging. The sorority pledged twenty-nine women and brought their group to full membership. Many of the girls became active in campus affairs and brought the group to its peak in campus prominence. This did not mean that studies were

forgotten as the sorority took home two of the three annual scholarship awards offered to sororities.

During the winter quarter the sorority won the Greek Skit trophy to add to their collection. Diane Cohen spearheaded the campaign for May Day Queen as well as working with Lois Fudem to produce a float representing Mexico.

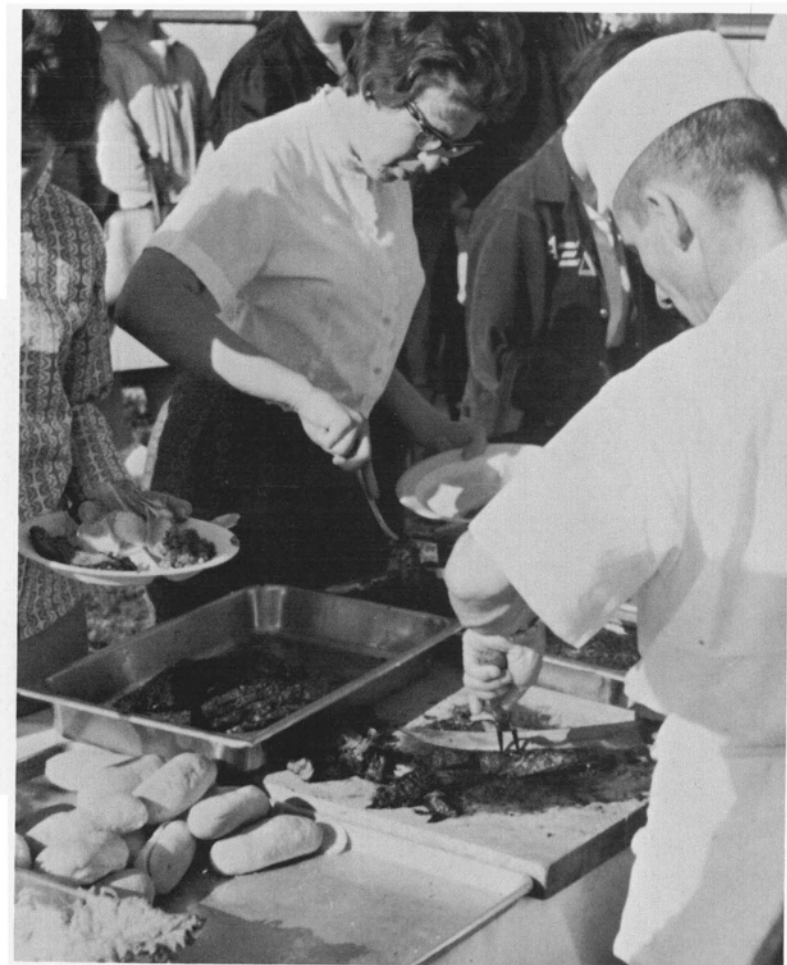

The Alpha Xis are to be found in such organizations as Student Council, the chorus, and all three of the publications. Hopes are high that next year will bring even more activity from this group.

ALPHA XI DELTA

DELTA ZETA

In their new quarters on the top floor of Turner Hall, Delta Zeta has moved ahead in the last year. Sandy Soulier represented the sorority in the Homecoming Queen contest while the girls collaborated to capture first place in the panhellenic pushmobile race.

Dances and rushing occupied the group's efforts during the next few months and resulted in a pledging which gave DZ their quota of new members. Sally Stoltz was chosen for the Miss Northern court in the winter quarter.

Spring brought the usual increase in activity and the Delta Zs seemed up to the pace. Carol Sue Bennett engineered the float and Janice Stahl represented them in the May Day Queen contest. Muriel Cartwright won her race for sophomore attendant to the Queen's court. In the annual May Day "Sigolympics" the women from Delta Zeta took home the first place trophy.

At Graduation the group lost only four members and plans to return stronger than ever in the Fall of 1961.

ZETA

TAU ALPHA

The beginning of the year found the Zetas hard at work. Under the direction of Nancy Johnson, Florence Pulca's Homecoming campaign was launched with a clever skit. The efforts paid off as Flo was elected Northern's Queen for the big weekend. A spirit of progress seemed to infiltrate the sorority after this victory.

When formal rush began, Maryellen Natale took charge and the Zetas again plunged into the difficult task of preparing a formal rush party. Pledging was very successful and the sorority filled their ranks to capacity. Many dances were held, the climax being the Winter formal at the Kenton Elks Club where Kurt Tolford was chosen ZTA sweetheart.

Campus affairs continued to go well for the Zetas as Patti Hickernell captured the Miss Northern crown while Virginia Havens was placed on her court.

May Day found Maryellen Natale and Ann Jenkins sharing the chairmanship of the float which took the first place trophy. Marlene Allen went on to win May Day Queen taking Bonnie Ruck and Sandy Bidlack onto her court. Nancy Johnson won the top place on the Adelpian Society.

The Zetas have been very active in campus activities and hold offices in such important organizations as the Student Council.

ORGANIZATIONS

STUDENT COUNCIL

The Student Council is the primary organ of student government at Ohio Northern. Its purposes are to coordinate activities of student organizations with the university program and to represent the student body in the councils of the university. In addition to these the student council acts as an advisory group to the administration in all student relations. The council is further charged with the responsibility of assisting in the organization of such campus functions as May Day, Homecoming, and Freshman Week. Membership in the Adelpian Society and "Who's Who in American Colleges and Universities" is dependent upon election by the council. The members of the board of governors of the student union and other university councils are appointed by the council.

RELIGIOUS COUNCIL

Composed of representatives from Inter-fraternity and Pan-Hellenic Councils, all religious groups, university dorms, local clergymen and faculty, the Religious Council's biggest project for the year is planning Religion in Life Week. The council also this year initiated a "Deaconess Emphasis Week," designed to better inform the faculty and student body of the Deaconesses' relationship to the missionary program of the church. Another important task of the Council is to suggest and help secure chapel speakers.

BOARD OF GOVERNORS

The Board of Governors is the guiding force of the Student Center. Its members are elected by the Student Council, the Dean of Women, the Dean of Men, and the Treasurer of the University.

The Board controls the five-dollar Student Union

fee and determines how it is to be distributed. The Board also sets up the rules for the Student Center and acts as a judicial body to impose infringements upon groups or organizations who misuse any of the facilities of the Student Center.

ACTIVITY COUNCIL

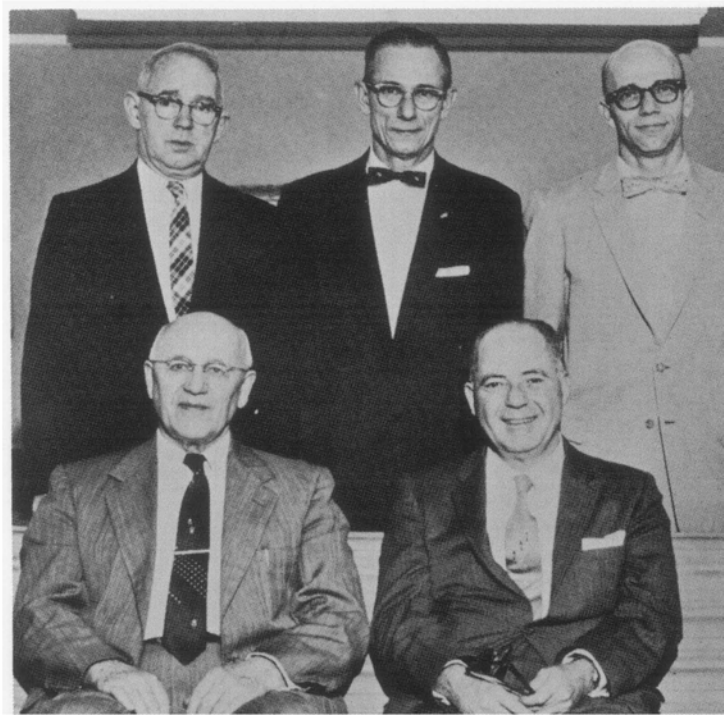

Student Activity Council establishes policies, supervises, and regulates student activities on the ONU Campus. Publications, intramurals, orientation week, Campus Chest, student parking, student discipline, student housing, student health and welfare, and the so-

cial calendar are under the general supervision of SAC. The Council also has the responsibility or recommending to the ONU administration budget allotments to all student supported activities. The chairman of the group is the Dean of Students.

ATHLETIC COUNCIL

The Athletic Council, under the chairmanship of Clyde Lamb, is responsible for making athletic awards as well as approving athletic schedules for intercollegiate sports. With the assistance of Professor Bowden, Professor Benedict, Dean Smith, Dean Archer, Dr. Jones and Dr. Markle, the committee also plans and officiates the annual flagpole rush between freshmen and sophomores at Homecoming. In addition to this they supervise the Tug-of-war contest at May Day.

STUDENT COUNSELLORS

Under the firm guidance of the head residents of the dormitories of Ohio Northern University, the students are helped to achieve success in their college years. In Clark Hall, Bonnie Spellman and Phyllis Black assist the housemother. Head resident at Lima Hall, Mrs. Mainhart, is aided by the able counselling of Ken Bischoff, Walt Ermer, Dick Ramsdell, Mike Lawson, Jim Reynolds, and Jim Houghton. These student counsellors, who are all upperclassmen, are only part time disciplinarians. They are always ready to extend a helping hand.

INTER-FRATERNITY COUNCIL

The Interfraternity Council or IFC, as it is popularly known, is the governing body behind our eight fraternities here at Ohio Northern. The Council is composed of one representative from each member fraternity and performs many vital functions on campus.

In an attempt to bind the fraternities closer together, IFC settles disagreements and promotes good will in general. The IFC also controls rushing, pledging, and Help Week activities.

Being comprised of eight social organizations, the IFC sponsors a number of combined social activities for the fraternity men. Each year we organize Greek Sing, Greek Skit, and of course, the IFC Ball, to climax our social calendar.

The fraternities also lend their willing support to all campus functions, such as Homecoming decorations, May Day floats, and Campus Chest. The University can point with pride to the fraternities for their good citizenship and all around support.

PAN-HELLENIC COUNCIL

The Panhellenic Council is the governing body of all three national sororities on campus. It is composed of the president, a panhellenic delegate, and an advisor from each group. Rushings, pledging, and initiations of members are supervised by the council.

The organization attempts to maintain friendly interfraternity relationships, further scholarship and cooperation with the college administration, and acts as a forum for discussion of problems of interest to the sorority women with those of the University, Interfraternity Council, and non-sorority women.

Meetings are held regularly under the direction of Mrs. Elma Grant Davis, Associate Dean of Students. Among the activities sponsored by the Panhellenic Council are the scholarship awards quarterly, the Tri-sorority Formal during spring quarter, queen campaigns for Homecoming and May Day, pushmobile races at Homecoming, float competition and Sig-olympics at May Day, Greek skit, and Greek sing.

A. W. S. BOARD

The Association of Women Students on the campus of ONU is an organization to promote the spirit of unity and fellowship among the women of the university. The organization is open to all women enrolled at Ohio Northern University. Each class elects a legislative group to represent them on the AWS Board. These women plan the activities of the group for the year. The officers for the year are: Betsy Charles, President; Ginny Rolla, Secretary; Joyce Bacon, Treasurer.

This year the AWS Board has provided magazines for the Clark Hall and new girls dormitory. Also, the board bought new vacuum cleaners for each floor of the dormitory. The board is now in the process of setting up a new constitution which will give the women in the dorms more self-government.

THETA ALPHA PHI

Founded on Northern's campus in 1921, Theta Alpha Phi, national dramatic fraternity, recognizes those students with dramatic ability who have contributed generously to educational theatre on college campuses.

Technically Theta Alpha Phi is a National Honorary Co-Educational Dramatic Fraternity, and holds alternating regional and national conventions at which students can exchange chapter ideas and gain more knowledge of theatre in general.

Membership in this organization is based upon the point system, whereby a person must obtain two-hundred points to become a pledge. To become active it is necessary to have accumulated four hundred points through working on major productions in conjunction with Northern Players.

Who? What? Where? When? These are the tools of a journalist. Through journalistic activities, Northern students learn the finer points of managing, writing, editing, and publishing.

To recognize those who have done outstanding work in journalistic activities and to promote interest in these activities is the purpose of Alpha Phi Gamma.

As a national journalism fraternity, Alpha Phi Gamma has a certain uniqueness here at ONU inasmuch as it was at Ohio Northern that it had its origin on December 11, 1919, by five staff members of the *Northern Review*.

On April 22, and 23, the Alpha Phi Gamma regional convention was held here at its founding place, the theme evolving around the small town newspaper and its role in today's society.

WHO'S WHO

This year twenty-four Ohio Northern students were elected to Who's Who Among Students in American Colleges and Universities. Nominations are made through the combined efforts of the faculties and deans of the respective colleges. Final selection is made by the Student Council. These nominations are based upon participation in extra-curricular activities, and campus leadership. The names of these outstanding students will traditionally appear in the 1960-1961 edition of Who's Who Among Students in American Colleges and Universities. This year there are fifteen represented from the College of Liberal Arts; one from the College of Law; four from the College of Engineering; and four from the College of Pharmacy.

ADELPHIANS

Originally having its inception by H. S. Lehr in 1871 as a literary society, the Adelpian Society was refounded in 1955 as a senior honorary. The society was formulated so as to give recognition to students who have given outstanding service and leadership in extra-curricular activities. Originally a literary and social force on the campus for over four decades, the society now endeavors to furnish incentive for greater participation in campus organizations and thus provide more school spirit. These students are an exemplification of the high standards set by the society. Election to this society is by vote of an especially-delegated Student Council committee.

NU KAPPA THETA

Nu Theta Kappa, honorary engineering association, was organized at Ohio Northern University in 1915. Since its inception, Nu Theta Kappa has endeavored to confer distinction upon students who have maintained a high scholastic standing, and thus furnish incentive for a higher degree of scholarship, culture, and character.

Required to be in the upper 12%% of the junior class or upper 20% of the senior class, the fraternity

emphasizes that distinguished scholarship is not the sole criterion. A man must demonstrate that he is interested not only in himself, but in the welfare of his associates, his organizations and community. This wholehearted effort of giving freely of his best to his school and community makes a man eligible to become a candidate for this honorary fraternity.

OHIO SOCIETY OF PROFESSIONAL ENGINEERS

The Student Chapter of the Ohio Society of Professional Engineers embraces all departments of the College of Engineering. The purpose of this organization is to stimulate professional thinking among all engineering students through social contacts, fellowship, and cooperation; to promote interest and understanding; and maintain the ideals of the engineering profession.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, code of ethics, and the individual's place in the advancement of the profession.

The Chapter takes an active part in National Engineers' Week and is represented in the O.S.P.E. Student Council.

AMERICAN SOCIETY OF CIVIL ENGINEERS

The Ohio Northern Student Chapter of the American Society of Civil Engineers provides the student members with an opportunity to become familiar with the Civil Engineering profession and practices. In addition to this the organization strives to provide opportunity for all the members of the civil engineering department to become acquainted, promotes a spirit of congeniality, and provides topics of interest to civil engineering students.

Technical progress in the field of civil engineering is provided by guest speakers invited to speak before the group on topics of direct concern to them.

The chapter's activities include Engineers' Week, field trips, and participation in the North Central Conference of A.S.C.E. student chapters at the University of Dayton.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

The Ohio Northern student branch of the American Institute of Electrical Engineers was founded at Ohio Northern in 1912. It is the oldest branch of a national technical society on campus and the first AIEE branch in Ohio. In 1957 the AIEE branch affiliated with the IRE, a national organization of Radio Engineers, to form a joint AIEE-IRE student branch.

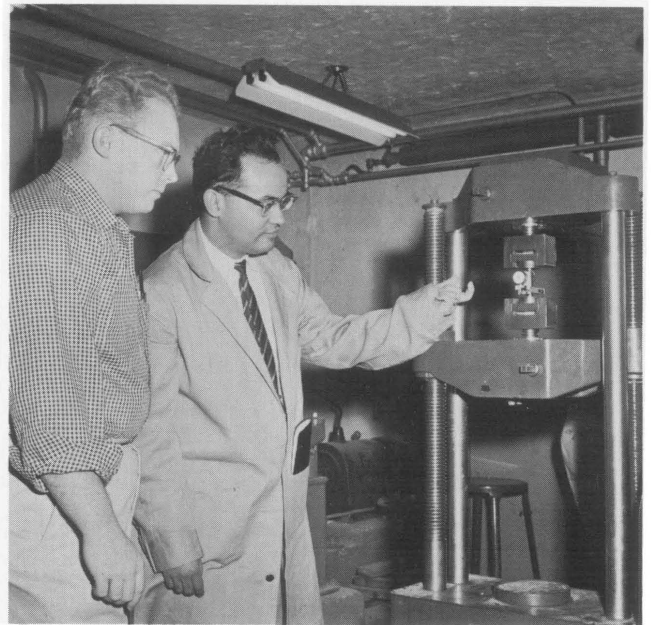

The object of the societies is to advance the theory and practice of electrical engineering, of the allied arts and sciences, and the maintenance of a professional standing among its members. The societies bring the students together to discuss problems of mutual interest in their chosen field, giving the student an insight into the practical field of electrical engineering. At meetings, technical reports are given, and movies and slides are shown, which supplement what is offered in the regular curriculum.

A. S. M. E.

The Ohio Northern Student Section of the American Society of Mechanical Engineers was originally chartered in 1922 and, with the exception of a brief interval, has been active on campus since that time.

The purpose of the society is to create a professional awareness and fellowship among engineering students, and to promote the knowledge and practice of Mechanical Engineering. Monthly meetings are held in which technical reports by guest speakers from industry are presented in order to supplement the material offered in the regular curriculum. In addition to the monthly meetings the members participate in industrial inspection trips, attend meetings of the Toledo Section of the American Society of Mechanical Engineers, share in the preparation and presentation of the program for National Engineers' Week, and present technical reports at the annual regional conference of the American Society of Mechanical Engineers.

The Ohio Northern Engineers Speakers Association has been an active organization since the spring of 1935.

The belief that a good manner of speaking can be accomplished by practice is shared by the members. By delivering both prepared and extemporaneous speeches, the members learn to present their ideas to an audience. A critical analysis by the other members enables the speaker to correct any errors and improve his delivery. The final goal of the organization is to prepare the members for any speaking situation that may arise and allow the future engineer to communicate fluently with his fellow members in society.

This emphasis illuminates the fact that the ability to adequately convey ideas, and express oneself are as vital to the engineer as his slide rule and math tables.

LIBERAL ARTS

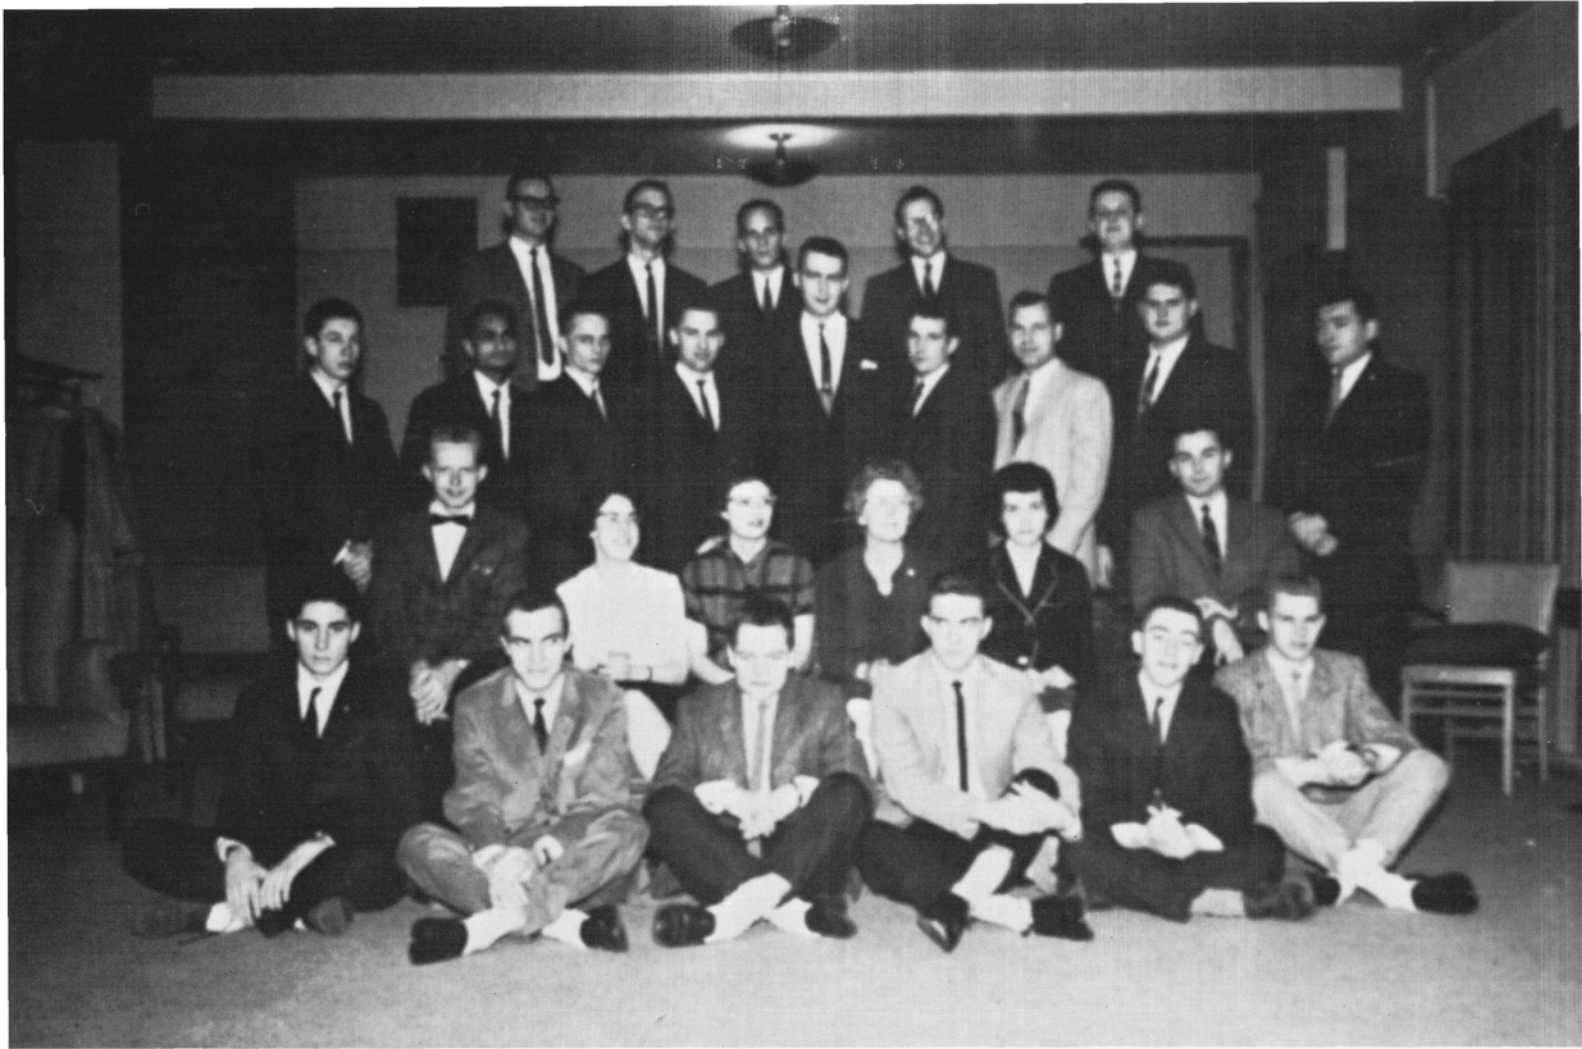

The Association of Independent Students is a new organization on Ohio Northern University's campus. Its purpose is to promote student-faculty relations, provide social association, and represent the interests of the students.

A major project was participation in the Homecoming festivities. The Independent's Queen candidate placed second in the election, an admirable record for the first try. During the winter quarter the club held a "Sweetheart Swing" dance and provided a floor show of local talent. Since formation at the beginning of the school year, there has been a constant growth in membership. The Independents, an organization for service to both student and university, are looking forward to future growth with Ohio Northern.

PHI BETA LAMBDA

Phi Beta Lambda has a recent beginning on Northern's campus. It became a chapter of the national business fraternity in 1960. Previous to this time, the business club had been known as the Future Business Leaders of America, organized in 1949.

The fraternity strives to provide additional insight in business operations to students of business adminis-

tration and education. To facilitate this endeavor most meetings are highlighted by a guest speaker, engaged in some form of business, who addresses the group on topics of direct concern to them. Periodical field trips are also of benefit, individually planned by the organization.

O. N. I. A. C.

The Ohio Northern Industrial Arts Club was organized in 1948 for all students majoring or minoring in the field of Industrial Arts Education, and for those who plan to enter Industrial supervision.

Group meetings are held on the first Wednesday of each month of the academic school year. The meetings serve to unite the 25 members along with Professor Kain and Mr. Bowling for the purpose of the Industrial Arts Field. Toward the end of the academic school year the club takes an excursion to an industrial center and tour various large manufacturing concerns where fabrication and mass production processes of products are observed. Suggested tour areas are Chicago, Detroit, Pittsburgh and Gary.

O. S. E. A.

The John Davidson Chapter of the Student Education Association was founded here on campus on November 17, 1941.

The SEA is the basic unit of professional organization for college or university students preparing to teach. Membership in SEA helps the prospective teacher become acquainted with professional journals and prepares the student to actively participate in the teaching profession, while obtaining some specific suggestions concerning how to deal with problems related to classroom experience.

This year, a *Newsletter* made its first appearance and tentative plans for a constitution were completed and discussed.

AMERICAN CHEMICAL SOCIETY

The ONU Chapter of the Student Affiliates of the American Chemical Society was founded in 1954. Any undergraduate enrolled in a course leading to a degree in chemistry or chemical engineering is eligible.

Chapters of affiliates provide a chance to start such things as analyzing technical information, preparing it for publication or presentation, and expressing it effectively to a group of associates. Members also have an opportunity to hear speakers discuss various topics at meetings. Speakers are faculty members from Ohio Northern and surrounding universities, and representatives of the chemical industry. The chapter also sponsors field trips to points of interest. One such trip was to the Sohio Company.

The Pharmacy Wives are a new organization on Northern's campus. They were organized with the help of Dean and Mrs. Smith to create a better understanding among themselves of the problems and profession which their husbands share. The Pharmacy Wives learn ways in which they may aid each other and their husbands.

In addition to the educational aspect, these' women plan social activities and hold regular meetings. The social functions are geared to include the men and children in order to orientate family recreation among married students in a University life.

AMERICAN PHARMACEUTICAL ASSOCIATION

Organized on Northern's campus in 1949, the American Pharmaceutical Association offers membership to all pharmacy and pre-pharmacy students interested in obtaining further knowledge in the practical and professional aspects of their chosen profession. Monthly meetings feature distinguished speakers from the State Board of Pharmacy, O.N.U. faculty and other notables in this field. Activity-wise, A.Ph.A. publishes the *Ampul* quarterly, sponsors an annual student banquet in May, and recently organized a basketball team.

PHI DELTA CHI

To advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members is the prime purpose of Phi Delta Chi.

The Alpha Upsilon Chapter was recognized at the Ohio Northern University campus on March 2, 1955, and is one of the youngest chapters affiliated with the Phi Delta Chi Fraternity, which was founded in 1883 at the University of Michigan. Today, there are 39 ac-

tive chapters in the Phi Delta Chi Fraternity with a total membership of over 15,500 brothers. Each year the Alpha Upsilon Chapter gives the Scholastic Achievement Award to that student in the school of pharmacy who shows the greatest improvement in his point average. Located in the Dukes Building is a showcase housing professional displays which are changed every month or so. Movies of interest to pharmacy students are sponsored by the fraternity.

ALPHA ZETA OMEGA

Row 1: M. Mermelstein, Sec.; P. Eckard, Vice-Pres.; S. Nusbaum, Pres. Row 2: L. Busch, R. Rosenblum, H. Stavis, M. Palay, D. Green.

The Theta Alpha Chapter of Alpha Zeta Omega was established on the campus of Ohio Northern University in 1954. Nationally, AZO was founded at the Philadelphia College of Pharmacy on December 19, 1919, and today consists of twenty-six chapters.

Since its inception, Alpha Zeta Omega has conducted professional meetings throughout the year to which faculty and students of the University are welcome. One highlight for the social year will be a testimonial dinner for a professor in pharmacy who has given much enthusiasm and help to the college and to the pharmacy profession. Also, in conjunction with the American Pharmaceutical Association, Alpha Zeta Omega sponsored a program entitled 'Spotlight on Hospital Pharmacy' featuring Jeanne Sickafoose of Aultman Hospital in Canton, Ohio.

The Psi Chapter of Kappa Epsilon National Fraternity for women of pharmacy was founded at Ohio Northern University on December 4, 1957. Presently the chapter boasts a membership of twenty-five.

Nationally, Kappa Epsilon was founded at the University of Iowa, with representatives from the Universities of Minnesota and Nebraska on May 13, 1921.

The primary purpose of this professional fraternity is to bind together the women students of pharmacy and to further the ethics of the pharmacy profession.

This past summer Ann Marie James and Deanne Wilson represented Psi Chapter at the national convention held in Minneapolis.

Much of the success of Kappa Epsilon on campus can be accorded to the efforts and concern of the advisor, Dr. Anna Koffler.

LAW

The Junior Bar Association is a professional organization comprised of all of the students of the School of Law. Organized on campus in 1933, and a member of the American Law Students Association since 1953, it has served to further the professional training of its members.

In its lighter, but no less important moments, the Junior Bar has not neglected the social scene. Among other things, the Barrister's Ball and the Spring Banquet provided respite from the many weary hours of study.

LES ADVOCATES

Les Advocates is an organization of law students dedicated to increasing and perfecting forensical skills. Meeting bi-monthly, this group debates interrogatories presented by the judicial committee. All interrogatories must meet high objective standards and be of such a nature that a sound knowledge of the basic principles of logic, cyrogenics, parapsychology, philosophy, metaphysics, and rhetoric may be intermingled with legal principles derived from intensive case study. In this manner, each member gains an insight into the views and opinions of fellow students, and shares in the rich educational backgrounds acquired by them.

Lincoln Chapter of Les Advocates was founded at Ohio Northern University in 1911 and is one of the 47 chapters spread throughout the United States and Canada.

Base objectives of this organization are to recognize

men of outstanding ability in intercollegiate debating and high scholarship, and through this select recognition to encourage others to gain training and experience in public speaking. Prerequisites for membership in Les Advocates are scholarship, character, personality, educational background, and promise of future ability. Nearly all of the students enrolled in the Law School belong to this organization.

The popularity of Les Advocates and interest therein has increased noticeably since last year's group retired the Cardozo Trophies, the highest award given in the field of legal debate. This year's exceptionally skilled legal aspirants equalled, or perhaps, even overshadowed, last year's showing by capturing The Huron Head, symbolic of First Place in the annual Custer-Sioux Debate Tournament.

The Marshall Senate of Delta Theta Phi is now in its 50th year on the campus of Ohio Northern University. During that period of time, the fraternity has devoted itself to a high degree of scholastic and social activity.

This year has been no exception. Again this year the Delta Theta's have been well represented on Student Council and other governing bodies on campus.

On the social scene, the fraternity has also been very active. The annual rush party was held again this fall, in addition to a party given for prospective pledges and their wives. Several initiation parties were given throughout the year as well as the various socials held each quarter.

Phi Alpha Delta came onto Northern's campus in 1960 when the former Sigma Delta Kappa members formed their new group. They have progressed rapidly during their first year under the able leadership of their new officers.

The local chapter has been active in furthering both high scholastic standards and social relations among its members. The prime purpose is to better prepare its members for their chosen profession, to broaden the horizons of that profession, and to promote the elements; cooperation, responsibility, and good fellowship; never forgetting that the practice of Law is based on the adversary system.

BARRISTERS' WIVES

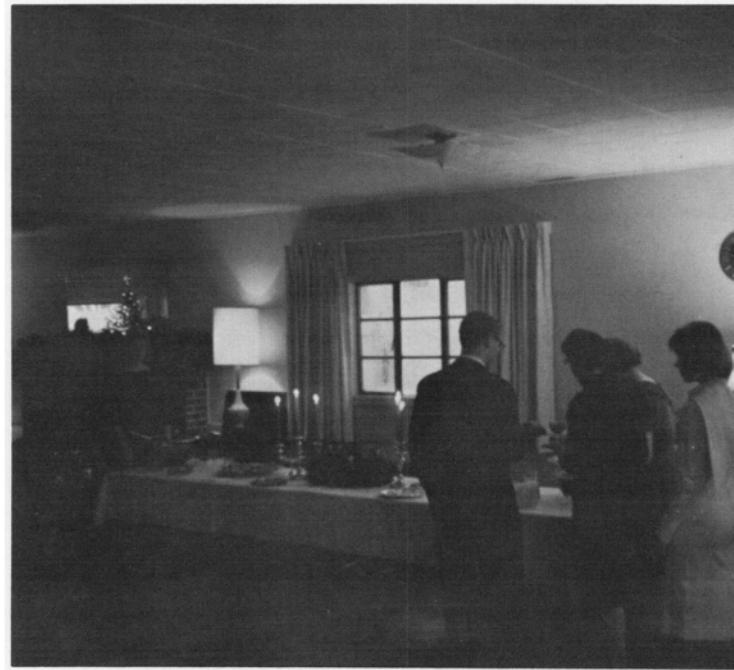

Three years ago, several wives of the law students decided that they would like to become better acquainted with each other; which eventually led to the formation of the 'Barristers' Wives.' Having had no formal organization in its beginnings, the group has gradually expanded to the extent that it now necessitates regular monthly meetings. The group, however, still maintains an informal and friendly atmosphere through meeting

at one another's homes.

Although the Barristers' Wives still maintain their original goal of providing an opportunity to meet informally and become better acquainted with one another, they specialize in providing service to the Law School. Presenting the school with a decorated Christmas tree and serving refreshments at the Law School lectures are just a few of these services.

CAMPUS WIVES

In 1954, a club known as the Married Couples Club was formed. Later the Club reorganized as the Campus Wives club and met twice each month. From this time until 1950, the club did not have many activities due to the small number of members. Bake sales and 'Stanley Parties' were the extent of their activities. Since this time, the club now meets monthly and has approximately fifty active members. In 1950, a style show was added as an activity of the year. In 1954, the first dinner party was held in honor of members' husbands. The dinner includes a banquet and dance honoring members who are "graduating" with their husbands. The wives of the graduating husbands are presented with appropriate diplomas.

RELIGIOUS GROUPS

Upper Room Fellowship is open to all those who desire an outlet to Christian relations, or feel the need of Christian fellowship in a group. This fellowship consists mainly of pre-theology students and those entering full-time Christian service, but welcomes anyone who wishes to participate in the activities. These activities center around a monthly evening meeting at which there is usually some noted speaker from outside the immediate group who relates his or her Christian experiences. The meetings also consist of song, prayer, and a short message by the chaplain, ever striving however, to encourage spontaneity from the group.

WESLEY FELLOWSHIP

Two of the earliest Protestant student religious groups to organize on this ONU campus were the Y.M.C.A. and Y.W.C.A. Both were established in the autumn of 1881. They carried on a number of home and foreign missionary projects as well as cultivating the devotional life of their members. These two groups carried on much of the work among Protestant students at ONU for 63 years.

In 1944, the Y.M.C.A. and Y.W.C.A. programs

were combined and named the Student Christian Association. This co-ed group met bi-weekly and carried on most of the work formerly done by the YW and YM Associations. The SCA organization was abandoned in 1950, because of the duplication of programs carried on by the local Methodist Church. The Wesley Fellowship has carried the program for Methodist students since 1950.

Dean Darlington addresses the student body at a regular weekly chapel.

NEWMAN CLUB

The Newman Club, one of the oldest campus organizations, was established in 1915. It offers an opportunity for Catholic students to receive instructions, not only in their Faith, but also in current events.

The Newman Club began the year with a picnic during Freshman Week to greet all the new students. During the year the organization sponsored a series of lectures on Catholic philosophy which were given by Father Claude Muzzell O.F.M. Conv. of Our Lady of Consolation Seminary in Carey, Ohio. Father Donald Heinshel J.C.D. was also invited to speak to the entire student body in two assembly programs sponsored by the Newman Club. One of the outstanding events of

the year was the annual Retreat given by Father Vincent Corvelli M.M. during the Spring Quarter. This provides one of the closest links between the students and The Church.

During the year, the club organized football, volleyball, basketball, softball, and ping pong teams which participated in the independent intramural league. The season proved quite successful as the teams pulled a second place in the league.

Father Francis X. Schweitzer, pastor of Our Lady of Lourdes parish, serves as advisor to the organization as well as counselor for Catholic students.

Bonjour, guten morgen, buenas dias senoras y senos, good day and welcome, are the greetings extended from the International Club to all students. This club was founded to promote understanding in the field of foreign affairs, especially among foreign and American students on campus. Membership is open to all students, faculty members, and persons connected with Ohio Northern who are interested in the objectives of the organization. Professor Abele, faculty advisor, stresses the fact the club is open to all students, not just those who are from other countries. Meetings are held the first and third Sunday of every month. Special lectures are given by guest speakers. This year Dean Oscar Darlington gave a speech on South America. The individual members of the club are invited to speak on their countries at church groups and clubs in the area. Many of our faculty members are active in the club and contribute their talents to make the meetings more enjoyable. Some of the countries represented in the club are: Korea, Pakistan, India, Greece, Venezuela, Peru, Japan, Indonesia, Nicaragua, and the United States.

A college annual is perhaps the most important publication on any campus. It represents many things to many people. To the student body it is a picture album full of wonderful memories, to the staff it is a product of their combined abilities and a priceless reward for many hours, weeks, and months of hard and often nerve-racking toil, for the University, it is a valuable public relations publication and an unsurpassable record of the progress of their school, for the publisher and the photographer it is a challenge and their greatest advertisement, for the advisor it is a source of worry, planning, and frustration.

Few realize the tremendous effort that must be put forth to produce such a diverse and valuable work. The staff works under the never ending pressure of that next deadline and, despite all, usually discovers that it has passed before the copy is rushed to the post office.

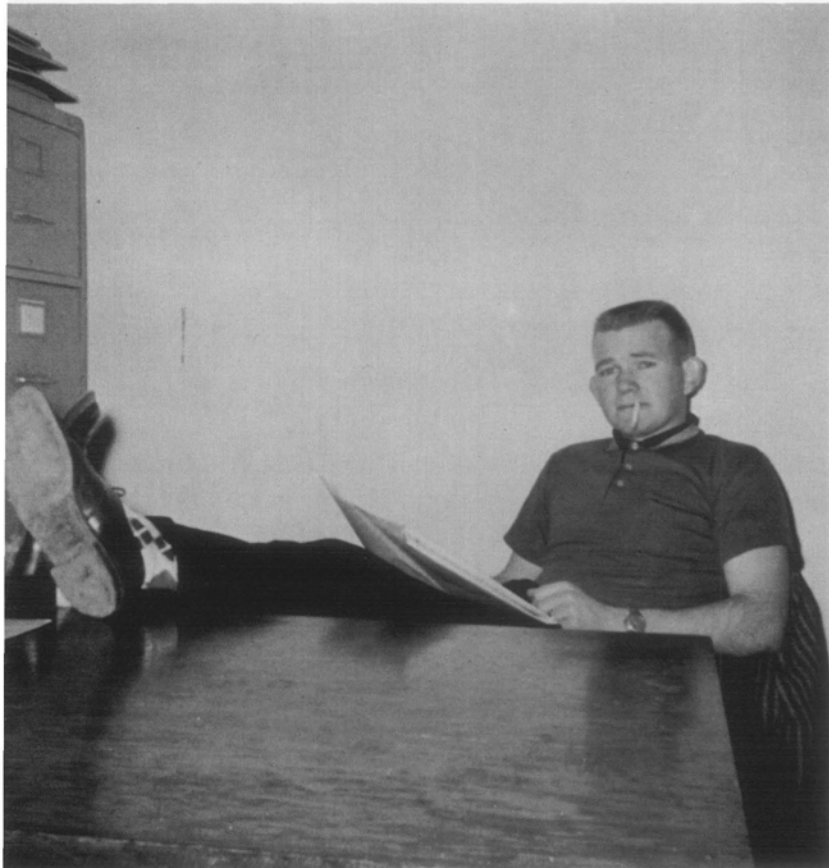

We all wait anxiously for the book to arrive and despite the mistakes, criticism, and failures, possess a certain feeling of pride and accomplishment at having been responsible for a creative work which will be treasured by so many for so long.

A newspaper is a powerful instrument in expressing public opinion. A student newspaper provides an opportunity to practice journalistic abilities and to voice the feelings of the student body and the administration. It must present both sides to controversial questions and allow the personal opinion of the editor and of individual students to be expressed. This is not always an easy endeavor and presents a great challenge to the editorial staff. In addition to this function, it must also present campus events as they occur. Sports, Greeks, social and faculty events are all included.

The Northern Review is continually improving in its coverage and interest appeal. Mr. Belch, advisor, has worked with the editor, Ron Woofter, to produce one of the better college publications in the state of Ohio.

POLARIS

Literature is one of the very basic elements of a liberal arts education. To be able to read it and enjoy it is certainly a worthwhile goal, but to be able to contribute to the world of literature is a great satisfaction. This is the purpose of the "Polaris," to enable students on campus to have their own creative works published and read by others who share their classrooms.

The "Polaris" has won acclaim in many college literary evaluations in the field of art and design as well as literature and creative writing. Fred Freede, the 1960-1961 editor, has continued the trend to give this magazine a modern touch and modern appeal.

Miss Frances Bennett, associate professor of English and Creative Writing, is the advisor and with her editors has helped to make the "Polaris" a delightful and interesting publication; definitely a credit to scholarship at Northern.

THE WRIT

John Hughes, Assistant Editor; Peter Olivito, **Copy** Editor; John T. Conroy, Editor.

Journalism is far from being a restricted field. Regardless of profession, an aptitude for this colorful and valuable means of communication is a very helpful talent. Newspapers are found in any field and the Law School looks with pride to its edition of "The Writ." This paper carries news of law alumni, students, and discusses many problems in the field of law as they arise. The paper reaches the desks of Northern's successful lawyers and judges spread throughout the country.

John Conroy, editor of the 1960-61 publication, has striven to develop the paper's coverage of interesting events and to improve the appeal of the format. He has been assisted by Pete Olivito and John Hughes in undertaking this task successfully.

DEBATE TEAM

The Debate Team, recently reorganized under the direction of Mrs. Georgia Spelman, is an outgrowth of extended course work in the field of speech, voice, and diction. The members are taught the essentials of the art of debate and participate in contests with other Ohio colleges.

In the future, Mrs. Spelman and her enthusiastic associates hope to establish this as a permanent organization on campus, feeling that it will be a beneficial extracurricular activity and extend Northern's facilities for enterprising speech and drama students.

NORTHERN PLAYERS

As the dramatic organization on campus, Northern Players endeavor to offer extensive opportunities in this field to any student who is academically qualified and who has an interest in theater arts of any form.

Their program is varied so as to offer beneficial experience to everyone, and is highlighted by three major productions, given fall, winter and spring quarter. In addition to this, the Players also conduct several minor productions in the lab theater.

Each spring quarter, to climax the theater season, Northern Players sponsors a banquet at which awards are presented to those who have proved most deserving throughout the year, both dramatically and technically.

Working in conjunction with Theta Alpha Phi, honorary dramatic fraternity, Northern Players provides an opportunity to earn the necessary merit to achieve this honor.

Under the direction of Charles B. Hill, Homecoming marks the first appearance of the ONU Band and their snappy orange and black uniforms. Soon afterwards, the band settles down to a more serious tone in preparing for their concert series climaxed by their annual spring concert. The "*Northmen*", and "*Modernettes*" are two well-known band groups on campus. These groups are in demand for many ONU functions.

BAND

CHORUS

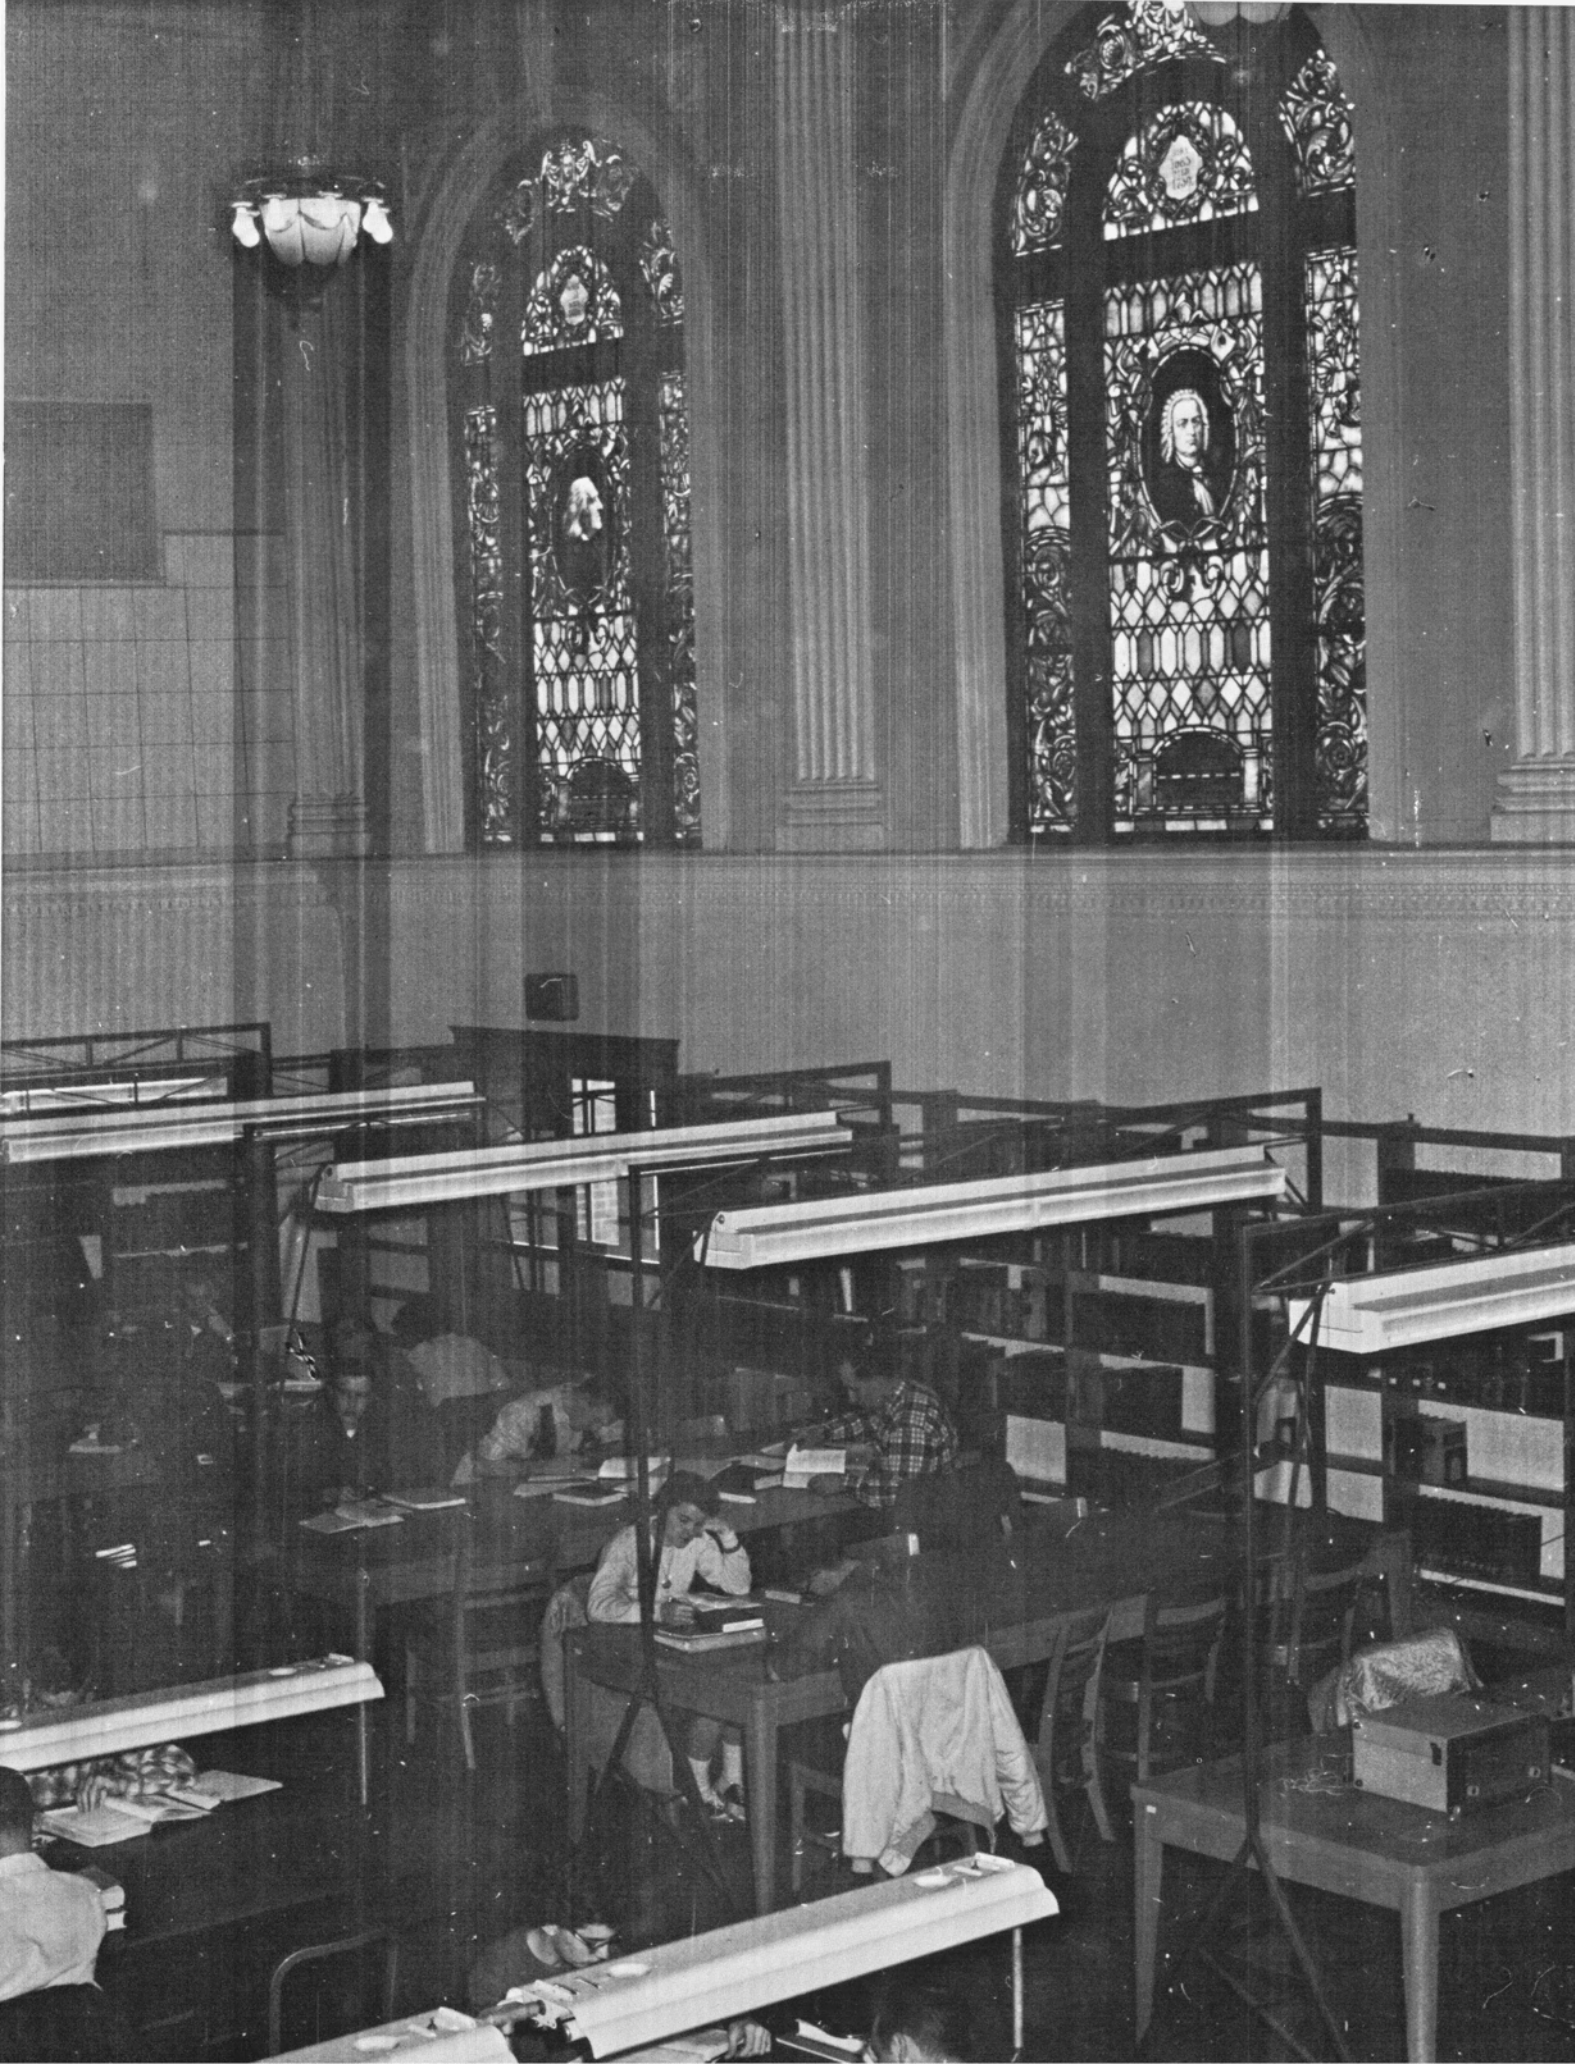

If any group has contributed to gaining Ohio Northern nationwide or international respect, it is the chorus. Under the baton of Dr. Karl Roider, these songsters began their season with a special performance for returning alumni at Homecoming. A highlight of the year was a trip to Europe during Spring Vacation. In Europe they sang in Methodist Churches and for American service men in England, France, and Germany. This tour was in conjunction with the Wesley Fellowship sponsored European Seminar. The chorus held their 13th annual Choral Cabaret entitled the "Snow Ball," which presented the choir's interpretation of the beautiful winter season.

In addition to the choir's numerous engagements, they are also present at all chapel programs where they present religious selections. This rather fatiguing schedule is climaxed with a final performance at Graduation exercises in June.

PHYSICAL EDUCATION

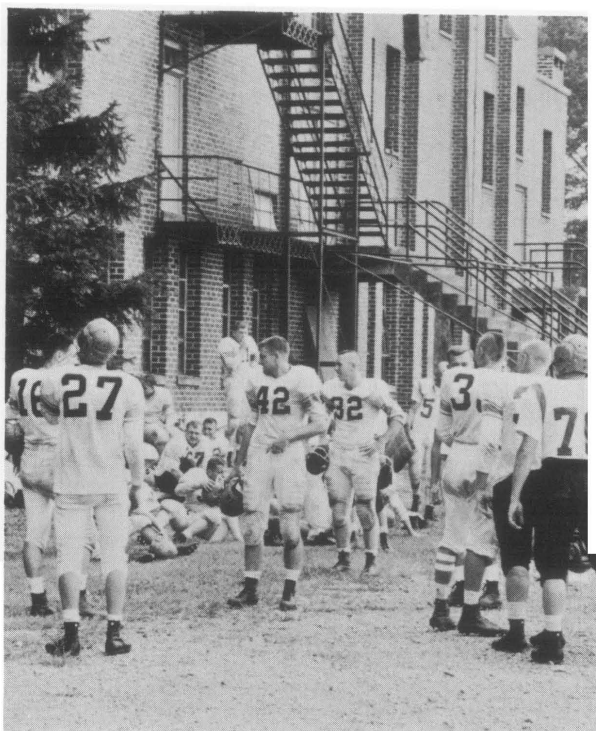

1960

Pictured above are last year's outstanding Physical Education majors. Each year these awards are made to the outstanding men and women. Last year's winners are, from left to right, Jim Ricketts, 4-year achievement award in P.E.; Bruce Hollering, P.E. major of the year; Helen Umphress, P.E. major of the year; and Betty Cunningham, 4-year achievement award in P.E.

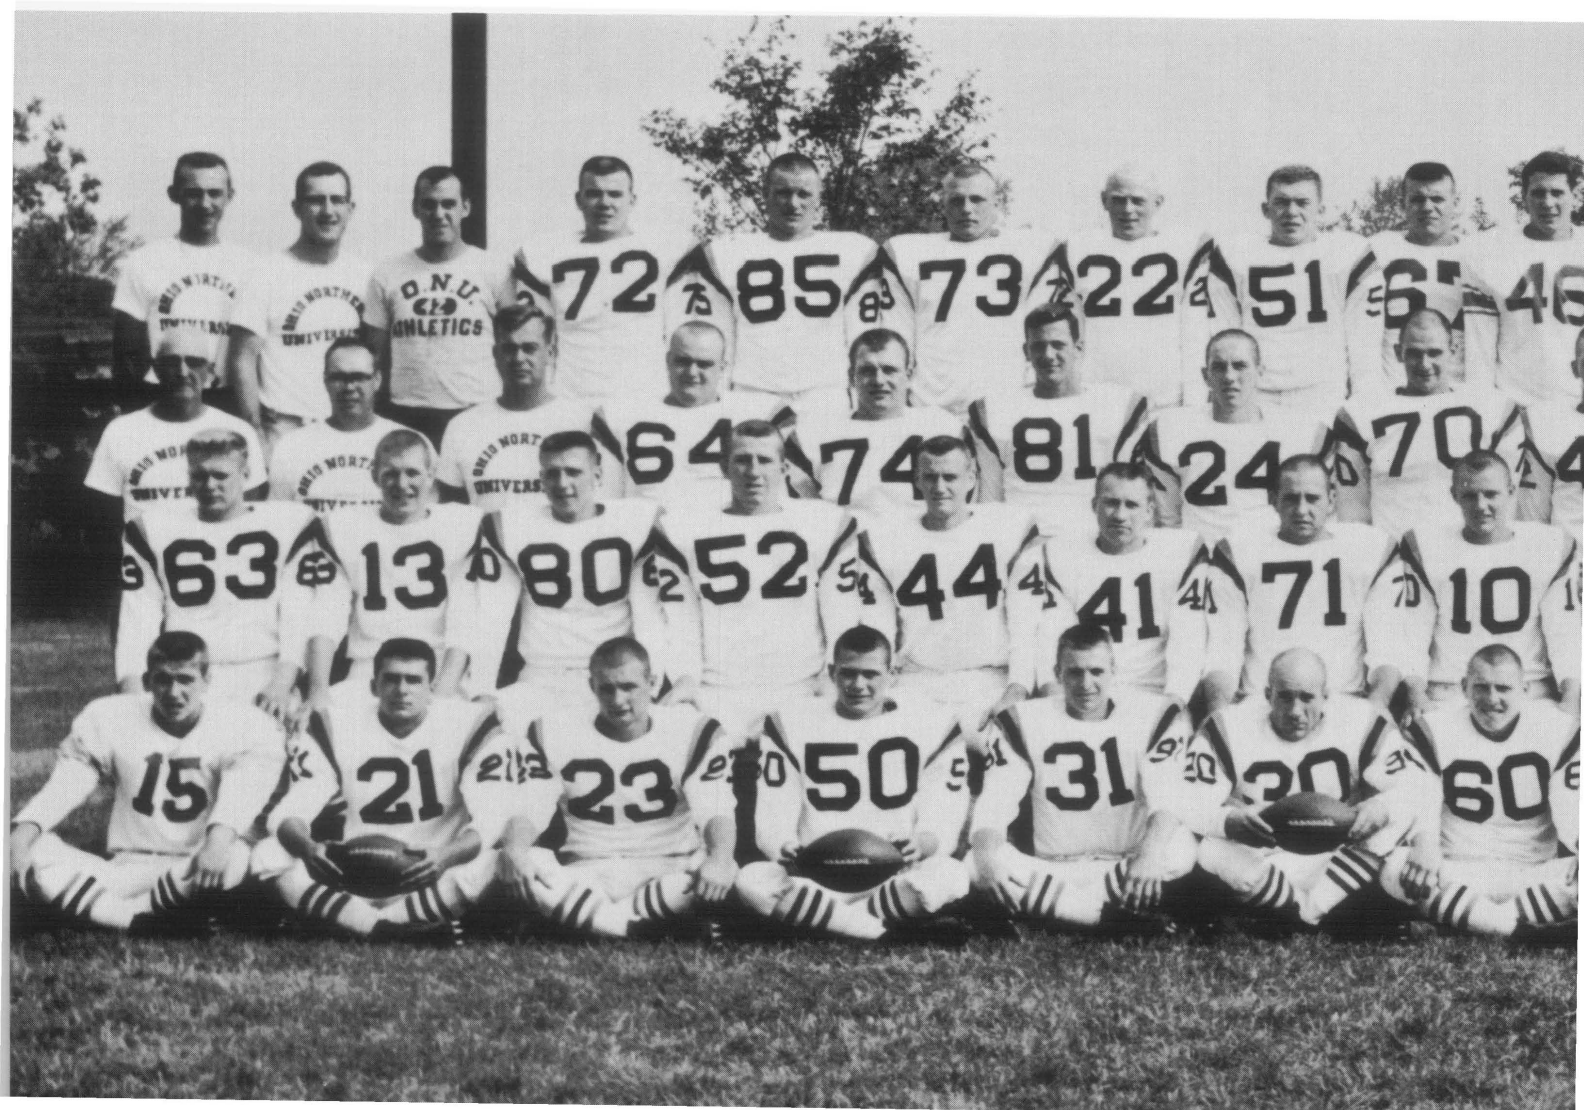

Last year the Ohio Northern University athletic department was the recipient of a generous gift by Bob Cole, local owner of the Cole Motor Sales. The gift, a 1960 Ford Falcon, is used by the athletic department to further better athletics at Ohio Northern and is to be at the convenience of any of the athletic staff. Above we see, Bob Cole presenting the keys to Clyde Lamb, ONU athletic director, with President F. Bringle McIntosh looking on. In its first year of use, it has already proven to be a great asset to the staff.

FOOTBALL

The 1960 football season at Northern took on a new look this year under the able leadership of a new football coach, Arden "Stretch" Roberson. Coming from Baldwin-Wallace where he had served as head basketball coach, he took command of a team which for the past several years had not had a winning season. From these men pictured on these pages, he produced a football machine which finished the season with a 7-2 record, a share of the Mid-Ohio Crown, and the best record since 1952. Add all of these together and it spells success, but it takes a lot of work on both the part of the coaches and players. We certainly can be proud of the 1960 Polar Bears.

Here is the battlefield, ready for action. Then comes the dummy practice, and finally the real action in preparation for the first encounter.

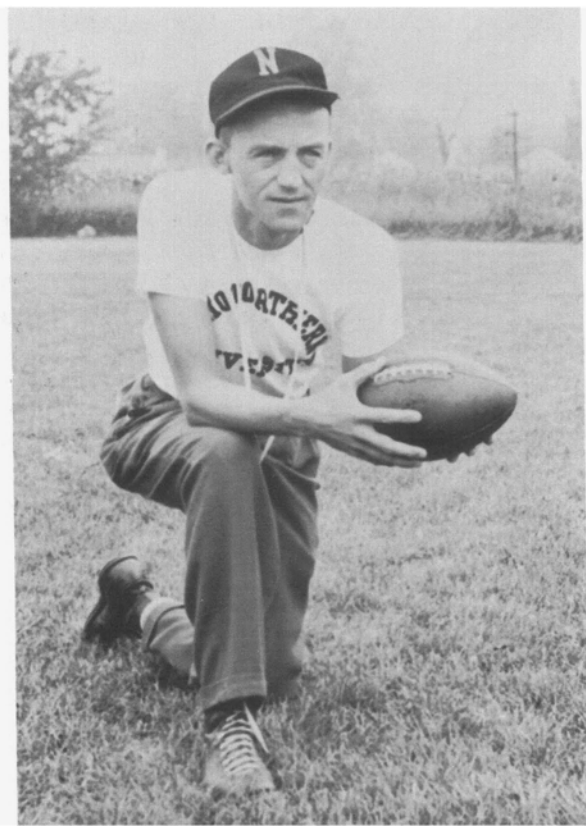

Coach Roberson's debut at ONU was a tremendous success as the Bears gave the Trojans of Talyor College a very convincing defeat by the score of 41-6. Although the Trojans received the ball on the opening kick-off, it was Northern who had the ball for most of the game. The Bears scoring was well-divided with five men doing the scoring thus showing that they had not only versatility, but also depth. Several of the freshmen showed they were not going to stand by and watch, but make the upperclassmen work for their positions. Thus ONU was off to a successful start.

Coach Roberson and senior footballers give a Polar Bear pointers.

NORTHERN 15 HOPE 7

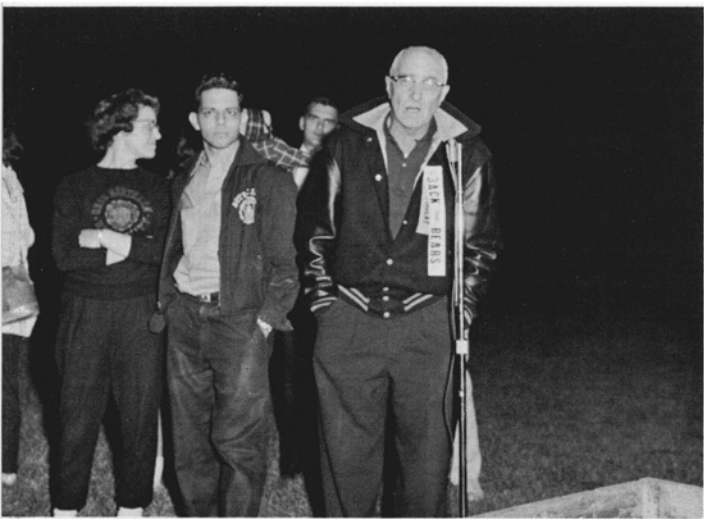

In a hard fought, bruising game, the Northern Bears came from behind with a great effort to win over a fine Hope team. Northern found themselves behind 7-0 in the opening quarter, and then after scoring a touch-down missed the conversion. Trailing 7-6, the Bears realized that they must come back strong to beat Hope and they did just that. When the final gun sounded it was 15-7 in favor of ONU and the Polar Bears had earned a hard fought victory.

NORTHERN 54 WILMINGTON 0

The Quakers of Wilmington were thoroughly stunned as the Polars scored the first three times they handled the ball. The Quakers were outpowered, outmanned, and outplayed. Actually the game was quite a mismatch as the Quakers offered little resistance to Coach Roberson's well-oiled machine. This game gave every player action and experience.

NORTHERN 25 FINDLAY 0

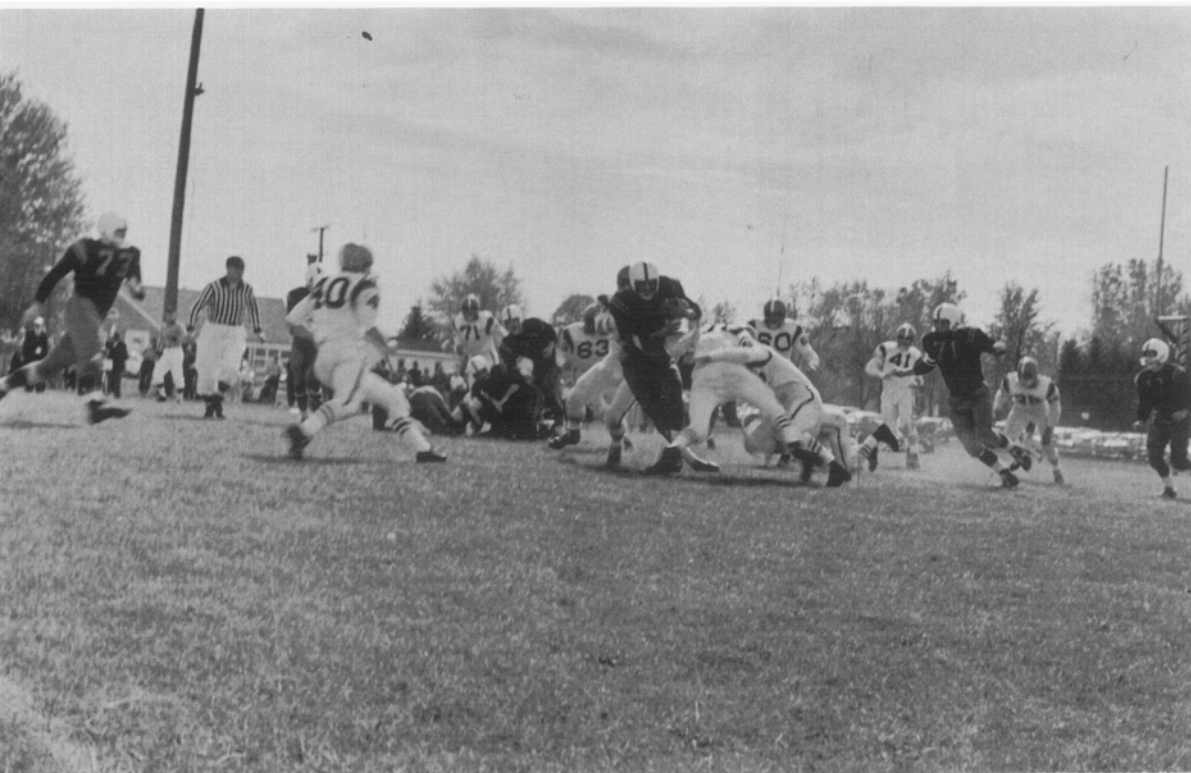

Homecoming was a complete success as the mighty Northern gridiron fans saw some rugged offensive plays with solid defense to stop the Findlay Oilers in their tracks. It was again the Bears who completely dominated the game from start to finish. Everyone seemed quite satisfied with the victory and a 4-0 record which the Bears had now accumulated.

NORTHERN 15 DEFIANCE 14

In a hard fought game the Polar Bears managed to squeeze a fourth quarter touchdown to pull them out of the reaches of defeat. The game was marred by penalties and turned out to be a great loss to ONU as the services of John Gray were lost. Coach Roberson said he was just glad to win, but said that they would work out the flaws in practice.

Everybody stands as the game opens.

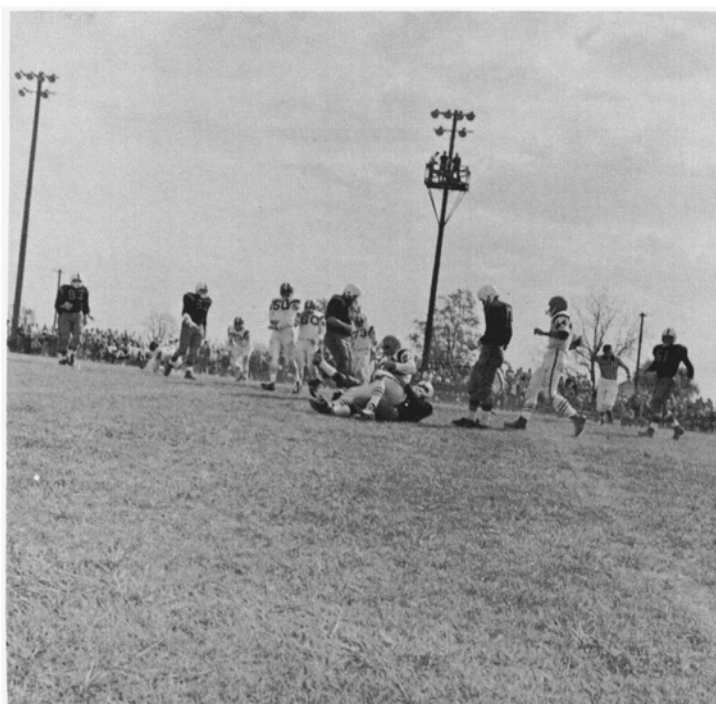

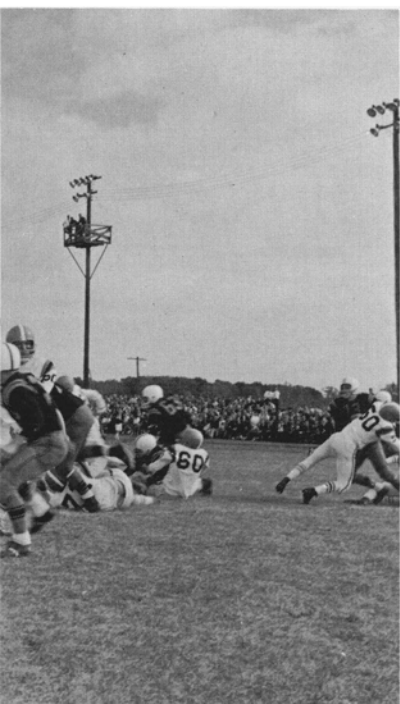

NORTHERN 15 BLUFFTON 13

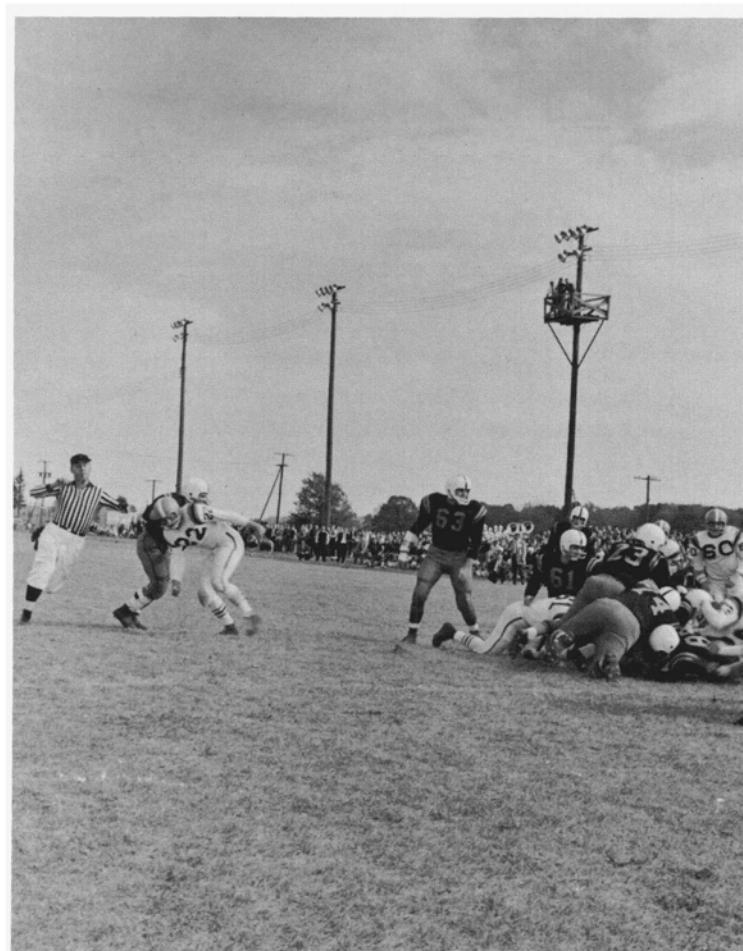

For the second straight time the Polar Bears got by with a close one and for the second straight week lost the services of a first string back. This time it was All-Conference Clyde Quimby. This game ended a 23 game winning streak for Bluffton and gave the Bears a perfect 6-0 record. The Bears were getting ready for the Ashland invasion which decided the championship. If Northern won they would have it all to themselves, but if they lost they would have to share it.

NORTHERN 0 ASHLAND 28

Ohio Northern lost its first game of the season in a fog so thick the fans could not see the field. Crippled by injuries, the Bears were completely outplayed by a well-rounded and diversified attack. There could be no excuses offered, other than the injuries as Ashland was by far the better team in this game.

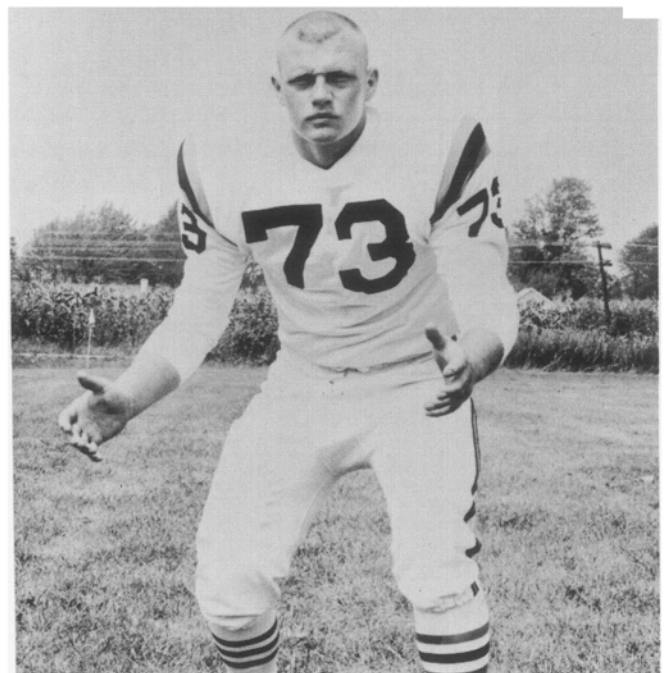

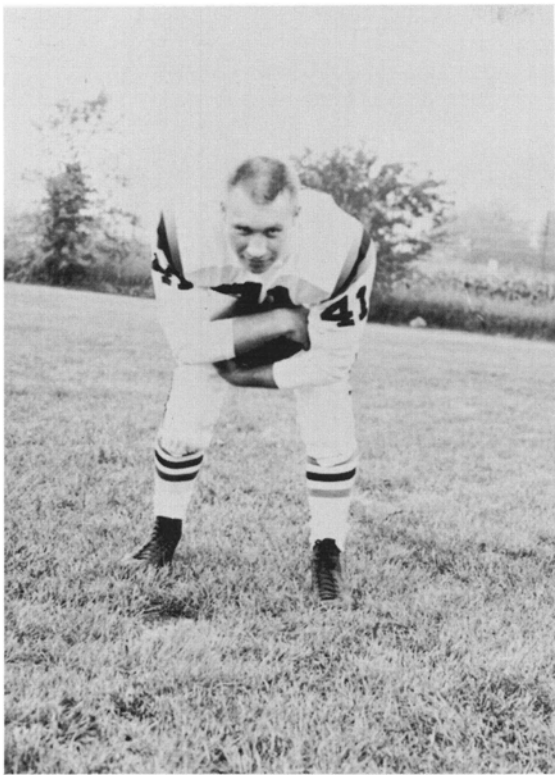

Tom Geschwind, above, and Jim VanDeGrift, below, led the Bears while serving as co-captains.

NORTHERN 8 ALBION 20

For the second straight week Northern tasted defeat, this at the hands of a fine Albion football team. The score did not indicate the type of game played as it was nip and tuck till the closing minutes of the game. The Bears still marred by injuries played better than their previous game but still not good enough. The Polars now stand with a 6-2 record with one game left.

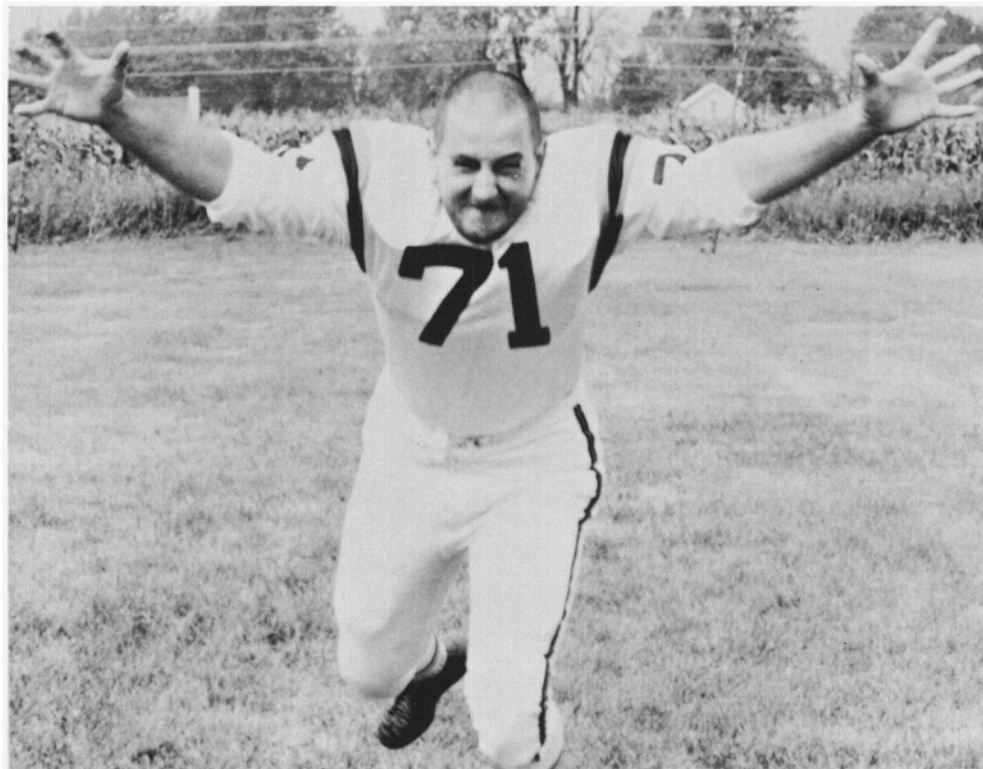

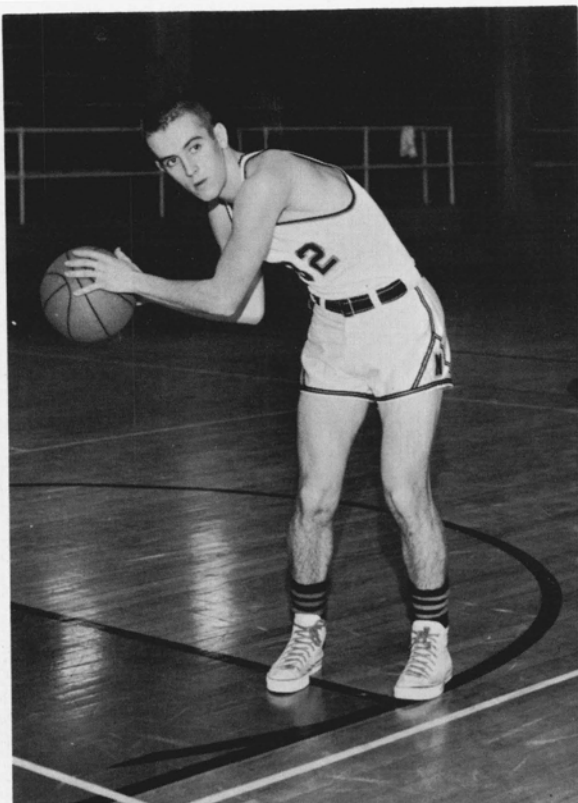

NORTHERN 7 WAYNESBURG 6

Northern ended the season on a definite note of happiness as they came from behind to win. This made the season's record at 7-2, the best since 1952 and a share of the Mid-Ohio championship. Although many thought that this would be a year of rebuilding and adjusting, it turned out to be far from that. Both touchdowns of this game were scored on pass interceptions which added a note of excitement.

Two more seniors who played their last game against Albion were Bill Radden, left, and Joel Spiker, below. Both men were 4 year lettermen and mainstays on both defense and offense.

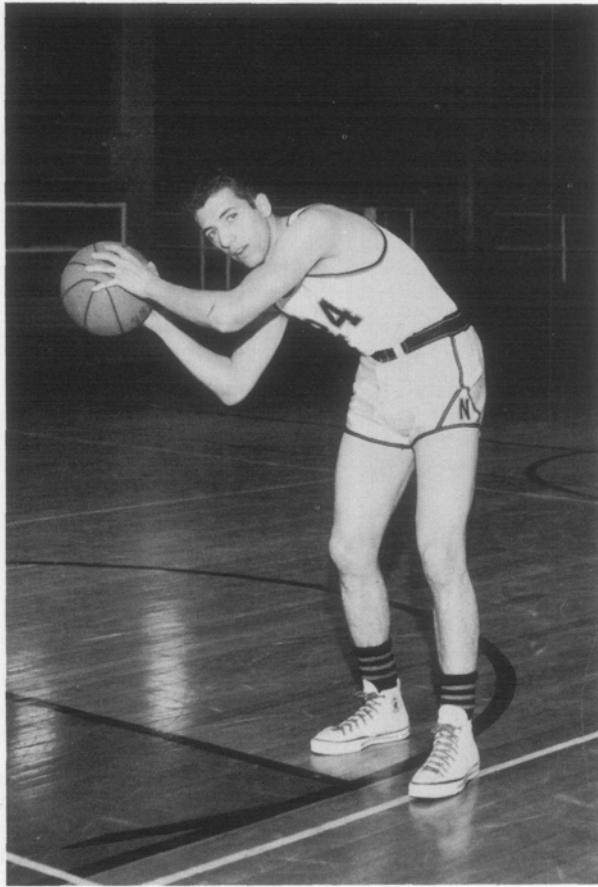

Joe Miller, left, and Jim Seckman, right, were the honorary captains of the basketball team. Joe Miller was named the most valuable player of the Polar Bear Squad. Jim has led the team for two years in his free throw percentile average.

BASKETBALL

From left to right, head coach Marvin English, Assistant, Arden "Stretch" Robinson, and Junior Varsity Mentor, Joe Banks.

This year's basketball hopes looked brighter than they had in many years, but the tall and well balanced team ended the season with a disappointing 12-10 record. At times they played with a crowd pleasing brilliance; at other times they simply couldn't find the range. With a majority of the team returning, plus new freshman blood, next year's squad looks promising.

Al Paris, a graduating senior, was a real threat to the opposition. Al was the key man in the Bears ability to break a zone defense. The speedy guard was also valuable to the team's man to man defense with his ability in breaking the fast plays.

ONU 70 OTTERBEIN 65

The Bears got off to a good start by winning a see-saw battle which saw the lead change many times.

ONU 109 ASHLAND 74

Northern got off to a winning start in league play by tromping the Eagles in a game which gave everyone a chance to play.

ONU 74 CEDARVILLE 67

ONU almost saw defeat at the hands of the Baptists, but a 3-point play by Jim Saunders put the game on ice.

ONU 78 DENNISON 83

The Bears tasted defeat for the first time in a game in which 48 fouls were committed.

ONU 62 BLUFFTON 58

The Polar Bears sneaked by the Beavers after returning from the Holiday Tournament where they won one and lost one. The biggest difference in this game was 8 points, but it was a see-saw battle most of the way.

ONU 65 KENYON 85

This game saw Jeff Slade of Kenyon score 34 points while ONU seemed baffled by the 6-6 giant.

ONU 66 DEFIANCE 69

The second straight loss was handed to the Bears in a heart-breaking final which saw the Yellow Jackets put two field goals in with 48 seconds left.

ONU 67 HEIDELBERG 73

In a tight game the Bears again did not have it at the end after tying it up 61-61 with four minutes left.

ONU 67 WILMINGTON 59

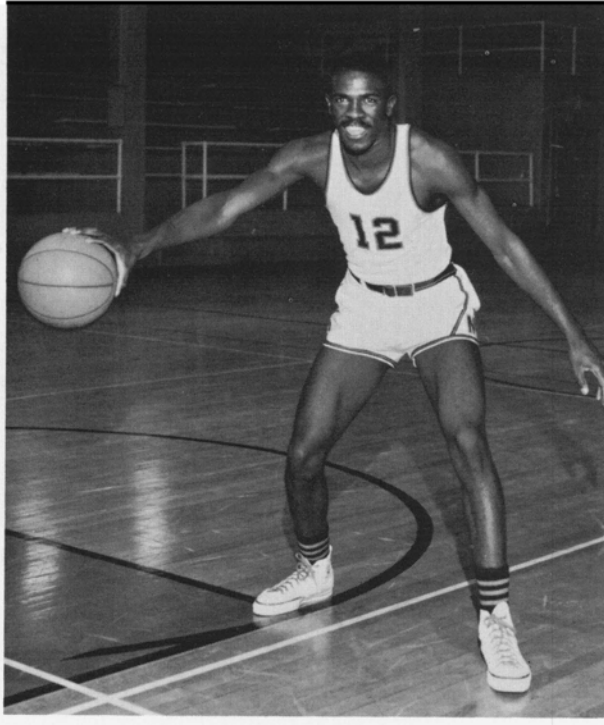

After a slow start the Bears rolled and finally got back in the winning column. It gave them a 6-5 record thus far.

ONU 106 CEDARVILLE 79

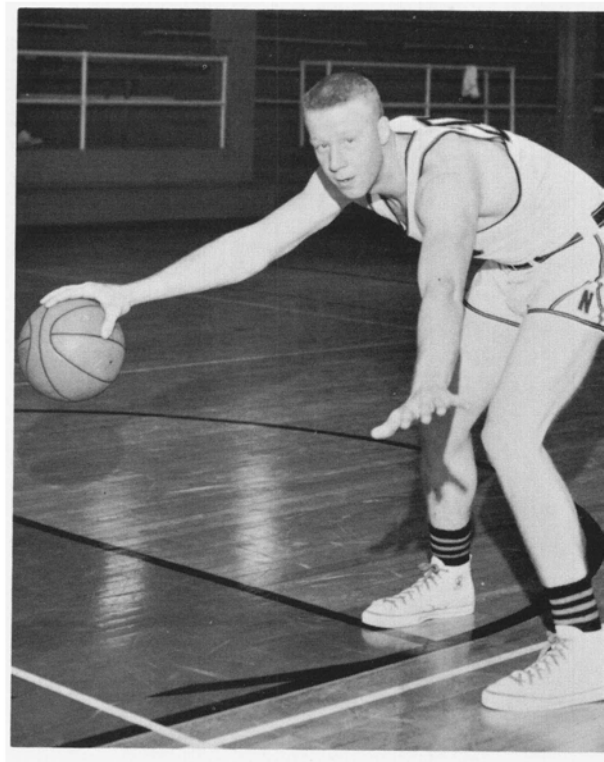

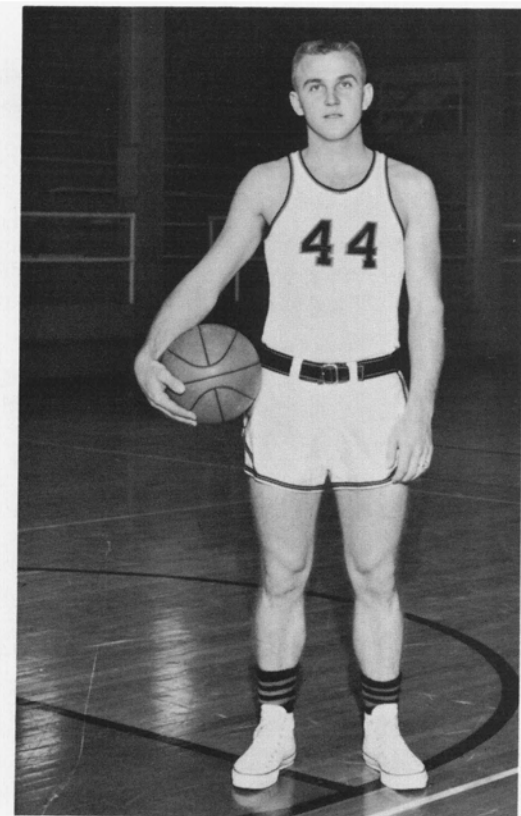

Four foul shots ended a last minute attempt of the Baptists to overcome the Northern five.

ONU 106 FINDLAY 84

ONU rode rough shod over the Oilers in gaining a 6-1 league mark. The team showed one of its best efforts of the season.

Fred Perkins, upper left, a junior who moved up from the Junior Varsity to spark the Bears on numerous occasions with his height and ability to clear the boards for his team. Ron Holtrey, lower right, a junior who was also instrumental in the Bears offensive and defensive board control. Larry Miller, lower left.

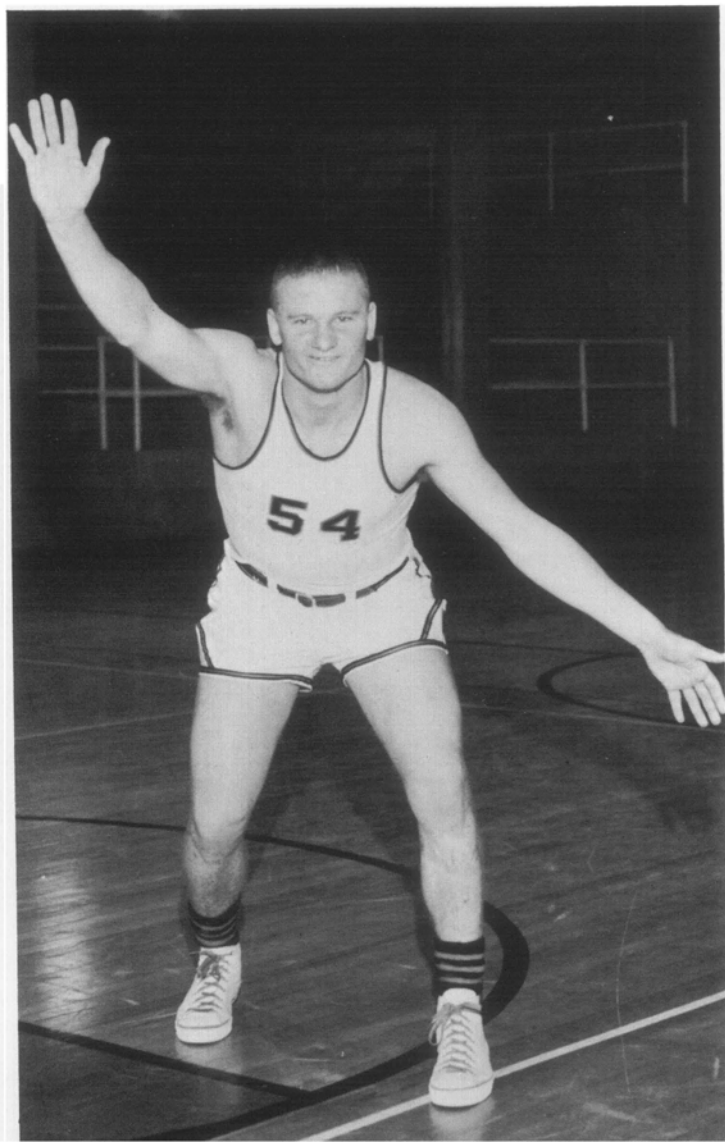

Dennis White

Jim "Red" Saunders

Lonnie Norris, a senior, was a regular center his senior year. Lonnie was often a good man to have under the basket.

ONU 57 ADRIAN 59

Adrian squeaked by Northern by dropping in a basket with only two seconds remaining.

ONU 112 GOSHEN 81

The Bears once again showed that they could put two good halves of play together as they completely out-classed the Indiana School.

ONU 91 BLUFFTON 70

The Bears tromped the Beavers to win by 21 points and help in their attempt to win the championship.

ONU 66 FINDLAY 82

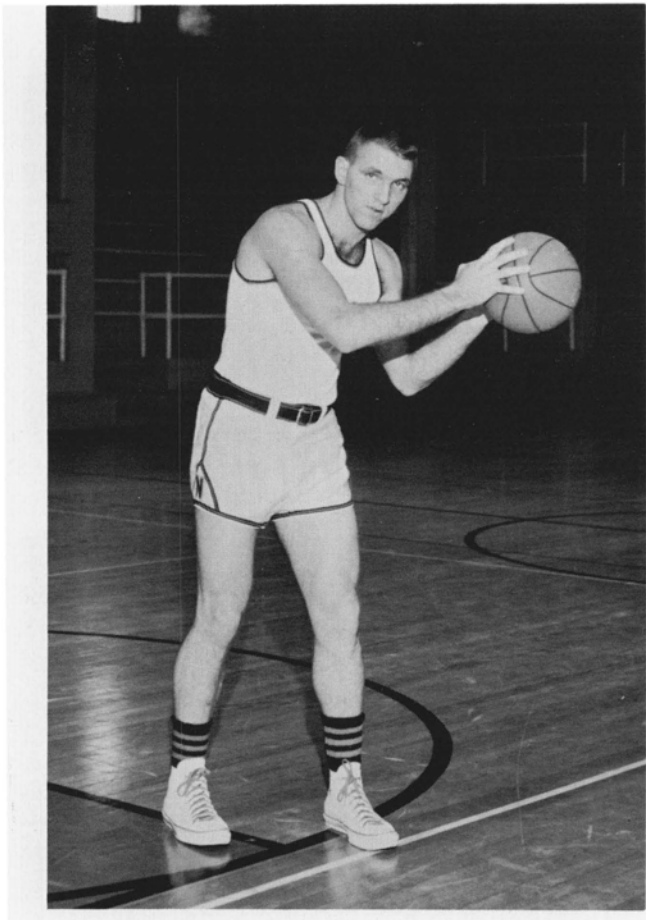

After soundly defeating the Oilers earlier the Bears got a taste of what they had given out by being tumbled by Findlay.

ONU 89 DEFIANCE 82

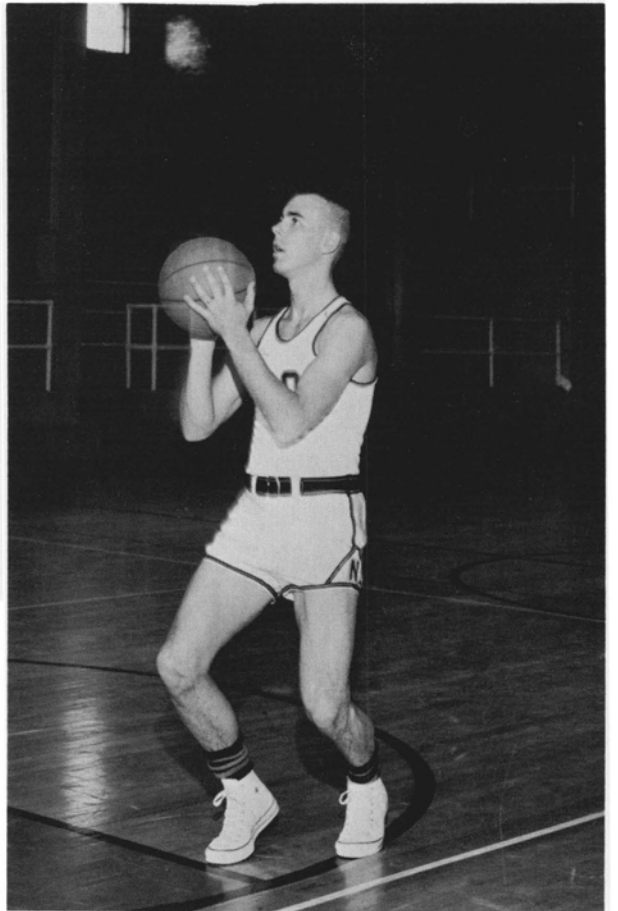

The Bears now did the seemingly impossible by bouncing back and defeating the league champs Defiance. Jim Seckman played his best game by putting in 25 points in a night in which he just couldn't miss.

ONU 75 ASHLAND 77

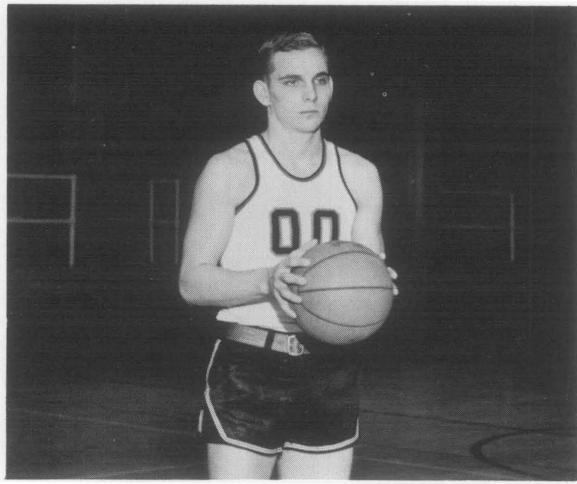

This game played to determine the NAIA representative proved that the Bears did not have that last minute spurt. The Steubenville Barons went all the way and represented the district.

J. V. BASKETBALL

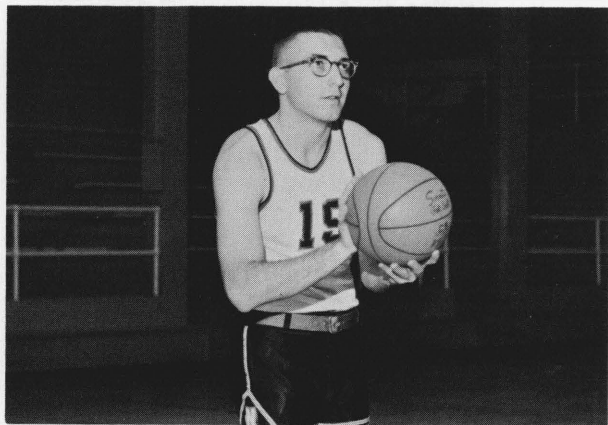

This year's **JV** basketball squad made it two great seasons by losing only one game. Last year they dropped only one also. The J.V.'s showed that height is not the all-important thing, but that good scrappy play can always help. They showed the desire that is needed to win from the first to the last whistle. **If** this is an indication of the type of ball and spirit that will be available next year, fans should look to a great season next year.

HOCKEY

This year's Hockey team did not break into the victory column, but as always they showed to all that they had plenty of desire and good sportsmanship. Although they are not financed by the university, each year these men form a team, playing under the Ohio Hockey Association rules. Each year more men join the group and last year the university built a rink behind the gym for practice. The main disadvantage is, of course, the **lack** of a nearby rink, the nearest being Troy.

TRACK

ONU weight men J. VanDeGrift, A. Zimmes, D. Bowers.

Last year's track team was probably our most hapless sporting team that ONU fielded. There seems to be a lack of enthusiasm for the sport which results in a poor showing and a great lack of competition and depth, both essential to this sport. Although the ones who do run track, play with everything they've got, the overall picture is that of a poor showing. Not to leave the issue on a dim note however, the hopes of a much improved track team seemed highly possible during the 1961 campaign.

Second in the Mid-Ohio Tournament

The ONU netters captured the MOL championship again last year in tennis. Coach Smith's team went undefeated in regular season play and came in second in the MOL Tournament. Jewell Moody offered a change of pace for the fans, going undefeated. All in all ONU can say that they have a great tennis team and their record certainly proves that fact.

GOLF

Last year's golf team followed the example set by the tennis team and took the MOL championship, but not content with that, they went on to capture the NAIA district championship. Coached by Dick Harris and paced by medalist Doug Lowe, the Bears' golfers always showed plenty of competition and all of the opponents always found their hands full. This made it two years in a row for the MOL championship and was the first time ONU ever won the NAIA.

BASEBALL

Ohio Northern's Polar Bears reigned as the undisputed Mid-Ohio Conference baseball champions. The Polar Bears took the crown by posting a 10-2 league record while going 15-3 for the season. In winning the championship the Bears became a candidate to represent the district in the NAIA tournament. However, the University of Southern Illinois was chosen from the district with ONU being the first alternate. ONU automatically became champs when the Defiance and Ashland doubleheaders were rained out. Both Defiance and Ashland were tied for second and a sweep by either would have resulted in the Bears sharing the title. According to league rules no games can be made up so ONU became the official MOL baseball champs.

The Polar Bears nine always showed what good sportsmanship and hard determination can do, and it paid dividends as they ended up being the Mid-Ohio Conference champs. With many of the team returning again, Northern's chances of repeating another championship year are very good.

CHEERLEADERS

Diane Cohen goes high in the air as she expresses her desire to win.

The Junior Varsity cheerleaders are adding to the already spine-tingling atmosphere of the bonfire on the night before the Homecoming contest with Findlay. The fraternities and sororities may be seen in the background with their efforts to add to the festivities.

INTRAMURALS

The Intramural program this year is one to be envied by many schools of comparable size. The All-Sports Trophy was won by the Tigers, an independent team. This was the first year that an independent team had put forth a full fledged effort for the title. The first place fraternity was Phi Kappa Theta. The fraternities taking honors in various sports were Phi Kappa Theta, Sigma Phi Epsilon, Sigma Pi, Delta Sigma Phi, Alpha Sigma Phi, Phi Mu Delta, and Kappa Psi.

WOMEN'S SPORTS

The spirit of fun, competition, and co-operation are on the faces of these sports-minded girls as they cheer their team on to victory. All during fall and winter quarters, Tuesday night would find Taft Gym overflowing with girls out to win a trophy. The Frosh team pictured is anxious to start what they know will be an exciting game.

VARSITY BASKETBALL

Judy Siferd holds the Varsity team's game-winning basketball. The team composed of Alpha Xi's and Independent Women represented ONU in inter-collegiate basketball. Their zone defense and ability to hit the basket made for a fine team. The points earned by playing a varsity sport helped these girls to receive their awards at the **All** Sports Banquet.

BADMINTON

Two ONU coeds are trying their hand at badminton. Badminton, a minor sport, is played spring quarter as part of the W.R.A. intramural program. Shirley Strayer received a trophy for first place in girls' singles and Rita Phillips and Barb Ulrey placed first in doubles. Badminton is also played in all P.E. classes in the spring.

VARSITY VOLLEYBALL

Team work and excellent coaching by Mozelle Pickering made for an outstanding **1961** Varsity Volleyball team. Among those teams in competition were rivals Bluffton, Findlay, and Wittenberg. The girls carried ONU's spirit of good sportsmanship to every college they visited. Although they will be losing part of their lineup, enough will be returning to guarantee a good year for **1962**. Through competition the girls earn W.R.A. points and are awarded letters, blankets, and blazers.

INTRAMURAL VOLLEYBALL

Seven smiling Alpha Xi's hold the uncontested intramural volleyball championship. Alpha Xi Delta sorority was undefeated, and through the hard work of Sally Fleagle, Linda Miller, Rita Phillips, Phyllis Black, Gloria Sanders, Shirley Strayer, and Adell Jones, came up with some star performances. The intramural program sponsored by W.R.A. is open to any organized group wishing to play. Participating this year were: Zeta Tau Alpha, Delta Zeta, Alpha Xi Delta, Independent Women, and the Freshman teams.

WOMEN'S RECREATION ASSOCIATION

Women's sports were an active part of ONU's athletic program. ONU forged to the head of the state in activities after completing only its second year as a member of the state and national Women's Recreational Association. W.R.A. provides both recreational and social functions for women students. Of the year's highlights were a play day-slumber party held at ONU and the All Sports Banquet held in the spring. By sponsoring the intramural and intercollegiate varsity sport programs ONU women experienced true competition.

WOMEN'S VARSITY TENNIS

The varsity tennis team picks up a few pointers from P.E. major, Nancy Laufer. The team met competition from surrounding colleges and entered in the finals at Ohio State University. The girls practiced daily under the supervision of M. Pickering, advisor.

ADMINISTRATION AND FACULTY

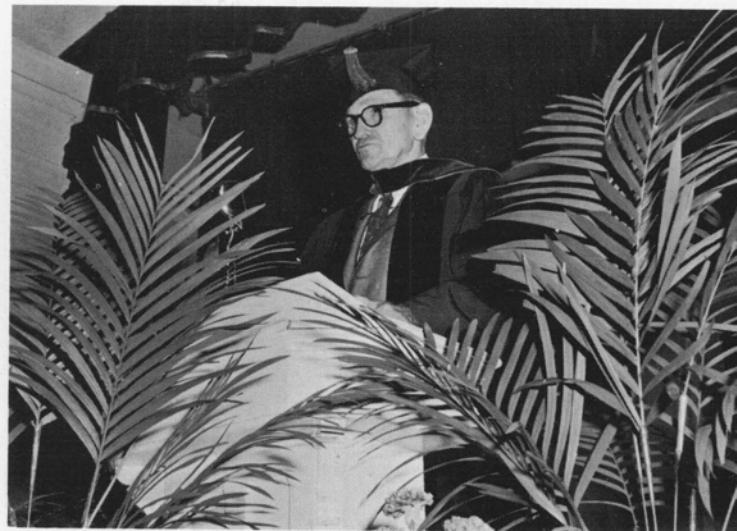

President F. Bringle McIntosh, leads Ohio Northern University into what is expected to be the school's greatest era. The future will see an institution of higher learning with an enrollment of between fifteen hundred and two thousand students. Dr. McIntosh places emphasis on "increasing quality," not size.

Prior to taking over the reins in 1949, Dr. McIntosh was superintendent of the Methodist Churches of Toledo. Previous to that time he was an educator in Indiana and Nashville, Tennessee.

Dr. McIntosh was elected president of ONU after a church background which includes degrees from De Pauw University, Boston University, and Rio Grande College. Prior to coming to ONU, he was a trustee at Ohio Wesleyan University. In commemoration of his ten years of administration at Ohio Northern University, Dr. McIntosh was presented with a citation in appreciation for his endeavors.

In addition to his numerous church and educational affiliations, Pres. McIntosh is a sought-after speaker for college and high school commencements, and is a member of the ATO fraternity, Kiwanis Club, and Masonic Lodge.

DEANS

As Dean of Students, George B. Miller handles all details of student personnel, in addition to serving as counselor to men students and as advisor to various student organizations.

Elma Grant Davis, in her capacity of Associate Dean of Students and Dean of Women, directs the activities of all women's organizations, plans the University social calendar, and serves as counselor for women students.

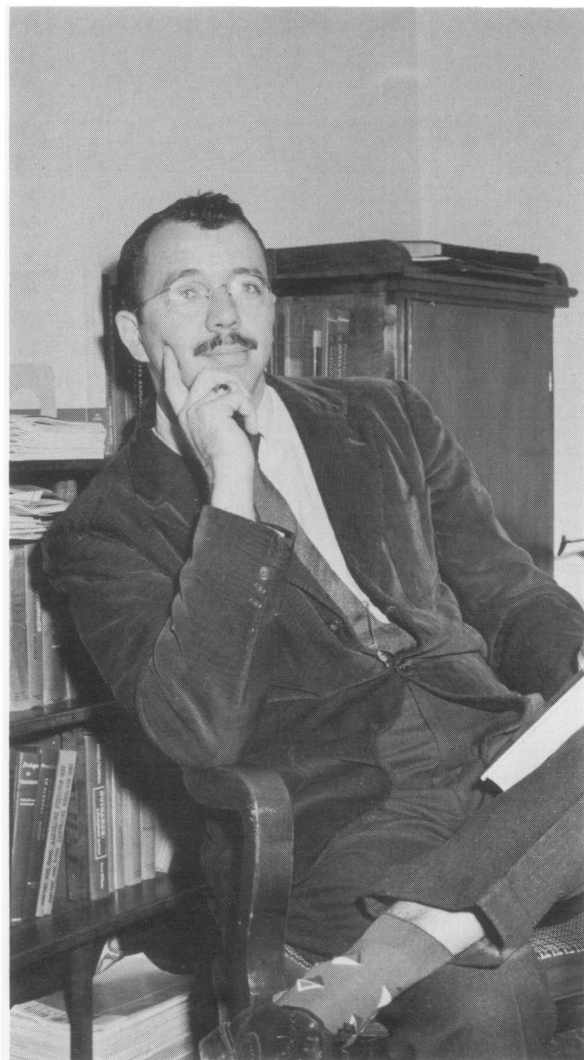

Any personal or college problems of the freshman men are Dr. Otis Games' concern. His office, in the Terrace, is frequented by freshmen and upperclassmen alike.

HEAD RESIDENTS

Acting as dormitory coordinators, administrators, hostesses and in numerous other capacities, the life of a head resident is well occupied, 'rather hectic', and many times very rewarding. Head residents at Ohio Northern are: Mrs. Leora Smith, Woman's New Dorm; Mrs. Mabel Wells, Clark Hall; Mrs. Anna Stoltz, Moorman Annex; and Mrs. Velma Mainhart, Lima Hall.

"Holding down the fort" at Lima Hall is Mrs. Velma Mainhart. "Mom" McGinnis is hostess and director at the Terrace. Mrs. Mainhart has a staff of capable student counselors to facilitate the freshman dormitory program. Mrs. Mabel Wells, head resident for the freshman girls, also has the assistance of three counselors for this purpose. "Mom" McGinnis also supervises all student center activities. Aside from coping with numerous administrative problems, without a doubt her most time consuming duty is "forever handing out ping pong balls."

CAFETERIA

A milestone in Ohio Northern's program of expansion, the newly completed cafeteria marks the finished portion of what will soon be a spacious student union. Serving all ONU co-eds as well as all freshman men keeps the cafeteria staff and co-ordinators well occupied from 7:00 A.M. to 6:30 P.M. daily. In addition to this, many faculty and administrative officials enjoy the facilities of the cafeteria.

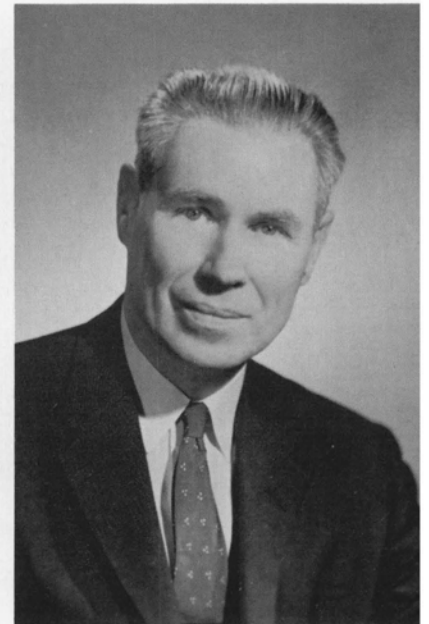

Housed in Presser Hall, honoring Theodore H. Presser, Heterick Library offers a conducive study atmosphere to all Ohio Northern students. Students have free access to the reference books, texts, digests, encyclopedias, periodicals, and other reading available for use.

Formerly located in Brown Building, the university library was moved to Presser Hall in 1953, which also houses the Departments of Music and Speech and Theatre Arts.

COLLEGE OF LIBERAL ARTS

Providing a well-rounded, liberal education with stress on moral and spiritual values, the College of Liberal Arts endeavors to develop in the student poise and perspective with which to meet and evaluate life situations; to fit him for responsible citizenship; to give him a scholarly foundation for further study or professional training; and to afford him a rich and full personal life. The college offers a selection of twenty-two major fields to prepare the student for positions in sciences, government, teaching, and business as well as for graduate work and professional education. It is the oldest college on the campus and is an ever expanding one. Formerly dean of the Inter-American University of Puerto Rico, Professor of History at Champlain College and Hofstra College, Dean Oscar **G. Darlington** is completing his sixth year at the helm of the Liberal Arts College. The Dean takes pride in the strong science program provided for students in pre-pharmacy and several hundred others specializing in pre-medicine and education. Well known by everyone, Dean Darlington freely offers personal guidance in helping to fit the student for responsible citizenship.

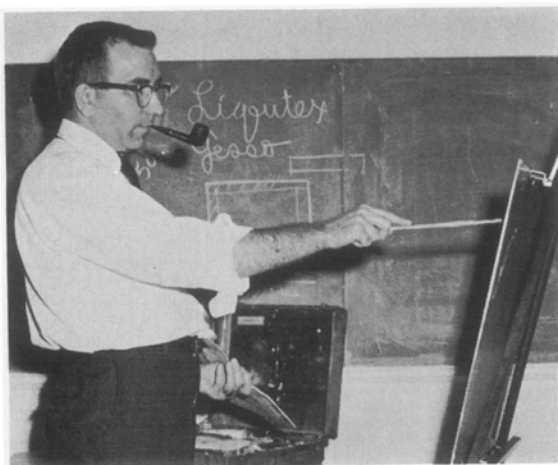

ART

The Ohio Northern Art Department is one of the University's most rapidly growing departments. This year the department accepted its first major students and greatly expanded the variety of fields available to these new students. Under the able direction of Professor John West, the art students have contributed to various school publications. To them must go credit for the artwork found in this issue of the 1961 *Northern*.

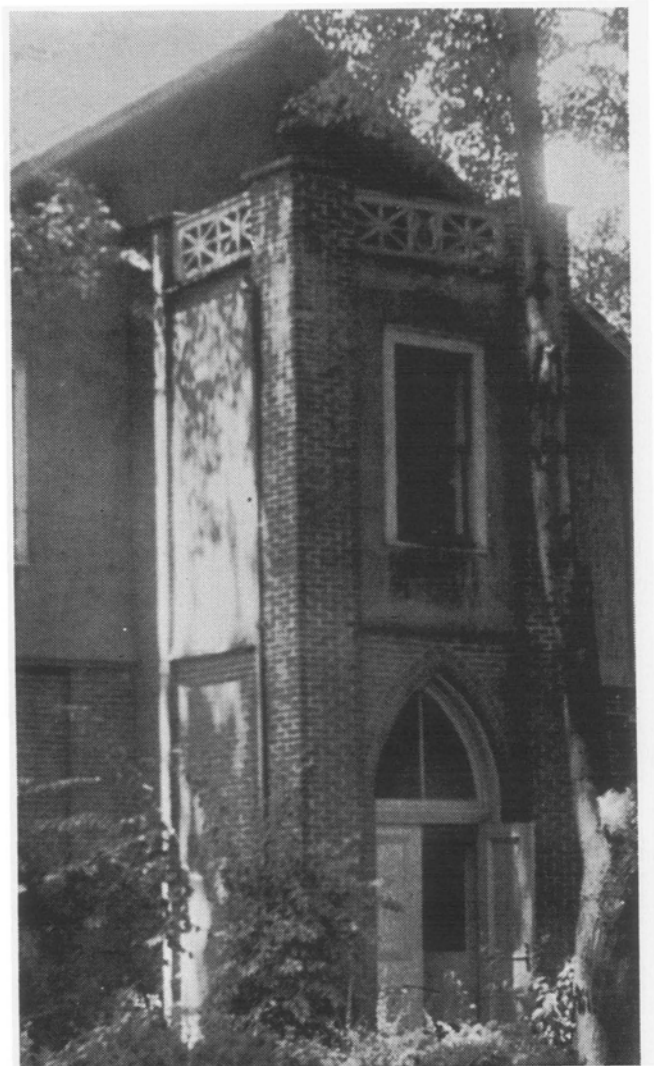

Mr. West is continuing to expand the facilities available to students who display interest and talent.

BERTRAM C. FINK.

JOHN H. WEST, Assistant Professor of Art and Chairman of the Department

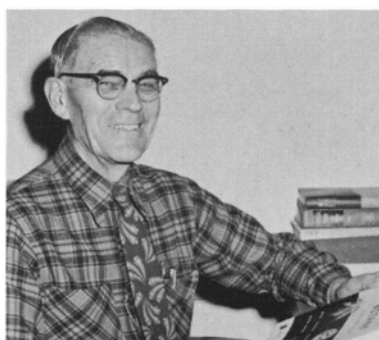

BIOLOGY

The aims of this Department are to enable the student to understand better the living world of which he is a part, to prepare for the teaching field, to obtain a biological foundation for the study of medicine, dentistry, nursing, and other professional courses requiring a knowledge of biology, and to qualify for admission to graduate work. Students concentrating in Biology must complete a minimum of forty-five hours in this Department.

BUSINESS AND ECONOMICS

Endeavoring to develop in the student a basic understanding of the market economy, the Department additionally offers an opportunity to learn the fundamental techniques of business administration. All students should gain an understanding of economics, and those intending to enter business are advised to major in the Department. Students majoring in the Department are required to take a minimum of **45** quarter hours.

ROGER J. STAUFFER
Instructor in Business Education

HARRIETTE S. RITZ

CHEMISTRY

DAVID F. WRIGHT
Professor of Chemistry
Chairman of Department

The objective of this department is to give thorough instruction in the fundamental principles and techniques of the science of chemistry, and to give an introduction to and an appreciation of a natural science to liberal arts students in any field. The Department also strives to furnish adequate preparation for those students who wish to do graduate study in chemistry, or those who have need of chemistry in preparation for related professional fields.

EDUCATION

Due to the increased demand for teachers, Ohio Northern's educational department is stressing the importance of education. The students study both the principles and various methods of teaching, climaxed by a quarter of student teaching in which the student gains actual teaching experience.

ENGLISH, SPEECH AND THEATER

English, speech and the theater all fall under the same department, and together strive to develop the student's skill in writing and in oral communication, thus enabling him to better participate in community life. The department also endeavors to give the student a knowledge of literature so that he may read with critical ability and to provide the opportunity for experience in a variety of speech and theatre activities which may make a direct contribution to satisfactory living.

MATHEMATICS

The Mathematics department offers courses primarily as part of the requirements for engineering students and for future graduates in mathematics and physics. In addition to math, physics students are required to take courses that stimulate scientific thought, and reason from fundamental experimental facts. The Department offers courses designed primarily as part of a liberal education and as requirements for students in mathematics, science, engineering; education, and pharmacy. In all courses the theory developed is followed by applications to exercises and practical problems.

MUSIC

Because training in music should be based upon a broad and thorough general education, the curricula have been so constructed as to secure a symmetrical balance between musical and academic subjects. Instruction is provided for those who desire to become teachers and supervisors of Music, and an opportunity is afforded to those who wish to devote themselves to the literature of music.

PHYSICS

Endeavoring to meet the needs of those students who are interested in physics for its cultural or its vocational value, emphasis is placed on clear concepts, accurate thinking, and the complementary nature of experiment and theory. The primary aim of the Department is to offer courses that will stimulate scientific thought.

PHILOSOPHY & RELIGION

In the Department of Philosophy, a search is made for a comprehensive view of the universe and of man's place in it. The goal is the achievement of principles of sound reasoning in connection with the living issues of both personal and social life.

COLLEGE OF LAW

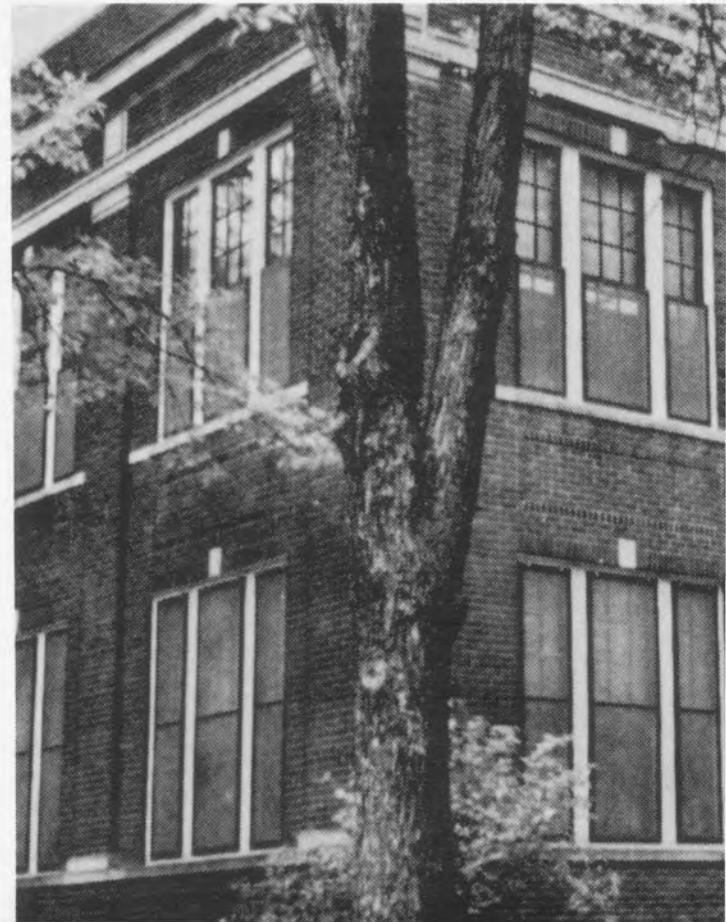

Now in its seventy-fourth year, the College of Law endeavors to inculcate into the student the principles of legal ethics and of the lawyer's public responsibility, so that the student, as a lawyer, may be worthy to take his place as a trusted leader and counselor in his community. Although the courses in the college are planned primarily to prepare students for the practice of law, such courses may also be pursued advantageously by anyone desiring to acquire a knowledge of the principles and history of law; either as a part of a liberal education, or as part of a foundation for a career in government or in business. Courses are offered in all subjects included in the Ohio Bar Examination, and various electives may be pursued in the course of study. Among the advantages offered by Ohio Northern's Law College are small classes, opportunity for frequent class participation, individual contact with instructors both in and out of the classroom, and a small community environment conducive to good study habits. Dean Eugene Hanson is head of the Law School where he has held "court" since 1947, when he joined the staff as an instructor.

GEORGE D. VAUBEL, Assistant Professor of Law
 SAMUEL M. FETERS, Assistant Professor of Law
 DANIEL S. GUY, Assistant Professor of Law

Through adequate preparation in liberal arts, a student can become qualified to enter law school, to the eventual end of entering one of the world's oldest and most respected professions. This principle has been continued through the ensuing years, and today the College of Law is a respected institution in this field.

In the Jay P. Taggart Memorial Library, future lawyers find up-to-date, modern, and well selected legal materials, including the leading encyclopedias of law, legal periodicals, a complete set of English reports, and reports of the United States Supreme Court as well as additional special reports and selected cases.

COLLEGE OF ENGINEERING

Ohio Northern's College of Engineering dates from the graduation of its first class in 1882, when one man was graduated with the degree of Civil Engineer. From that date, growth has been constant. In 1898, the Electrical Engineering Department graduated its first electrical engineer; in 1904, the Department of Mechanical Engineering had its first graduate. During the 75 years of its existence, the college has had more than twenty-four hundred graduates. The interests of the student are the first consideration of staff and faculty at Ohio Northern. Dean Archer of the Engineering College holds a unique distinction; that of being the youngest dean of an engineering college in the country when he took office at thirty-five in 1951. A graduate of ONU with two degrees—a **B.S.** in civil engineering and a **B.S.** in education, Dean Archer has reason to be proud of this ever expanding college.

ELECTRICAL ENGINEERING

Electrical Engineering is that segment of engineering whose core is built around the science of electricity and magnetism. The curriculum for this phase of engineering is arranged in a manner to offer a co-ordinated program of study whereby the student may obtain both a mental understanding and scientific working habits which will enable him to embark upon a successful professional career.

CIVIL ENGINEERING

OSCAR GUTIERREZ-DePINERES
Instructor in Civil Engineering

CLAYTON H. STIMMEL
Instructor in Civil Engineering

The aim of the Department of Civil Engineering is to give the student a well-rounded Engineering education and to instill within the student the idea of doing the best engineering job possible for his client for the least amount of money, always abiding by the Code of Ethics of the Professional Engineer.

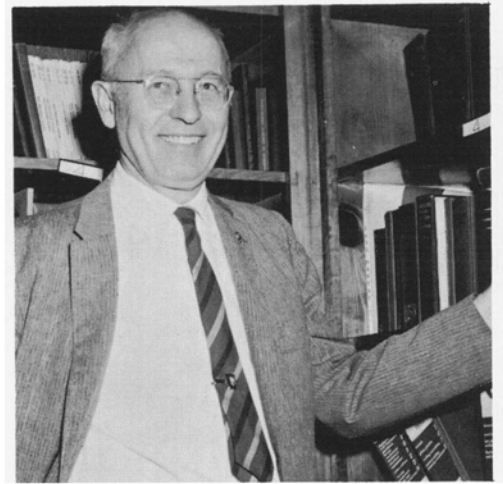

NORMAN F. JENNINGS

Associate Professor of Mechanical Engineering, Chairman of the Department of Mechanical Engineering

MECHANICAL ENGINEERING

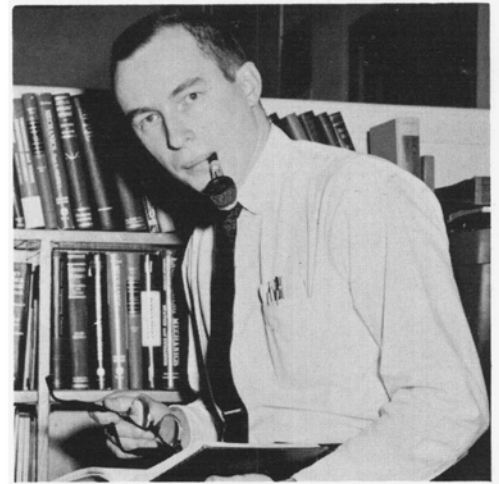

In all Civil and Military activities, the Mechanical Engineer is called upon to originate and apply new and useful equipment to human needs. The curriculum in Mechanical Engineering presents basic studies in machine design and the uses of energy that prepare the young engineer to enter a myriad of activities.

The policy of the department is to stress the fundamental theories and methods in the use of materials, energy, and power.

COLLEGE OF PHARMACY

Having its inception in 1885, Ohio Northern's College of Pharmacy has the distinction of being the second pharmacy school in Ohio. It takes pride in being a member of the American Association of Colleges of Pharmacy and maintaining an "A" rating as accredited by the American Council of Pharmaceutical Associations. Having previously offered a four year curriculum, commencing April 1, 1960, the college will require all students planning to receive the Bachelor of Science in Pharmacy degree to follow a five year program. Through advice and encouragement, pharmacy students are adequately prepared to meet satisfactorily the professional and cultural demands expected of pharmacists, and to carry their share of the responsibility of public health welfare, and education in their respective communities. Albert C. Smith, dean of the Pharmacy College is beginning his fifth year on the ONU campus. Before coming to ONU, Dean Smith was on the faculty of Purdue, University of Tennessee and Ferris Institute in Michigan. The dean has taught all except two of the courses in the college, and is proud to have completed 28 years of teaching last June.

BENJAMIN WEINSTEIN
Instructor in Pharmacognosy

The College of Pharmacy offers a five year course of study. The students are required to spend a great deal of time in chemistry and pharmacy labs learning about common diseases and their causes and treatment, the history of drugs, and of course the methods of making the thousand and one prescriptions that druggists get every day. In addition to extensive training in classrooms and laboratories, each student is required to spend a required period of time working in drug store or hospital by which they gain their apprenticeship. The curriculum of the students is made flexible enough to allow preparation in specialized activities of the profession. All subjects are listed in a logical sequence so that the student will be better prepared for each ensuing course.

OHIO NORTHERN UNIVERSITY

Founded 1871

ADA, OHIO

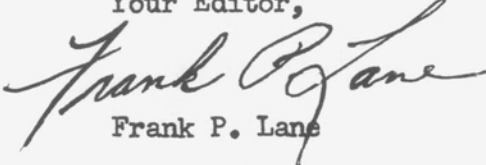

Dear Students:

The worry, confusion, anxiety, and hard work have come to an end for another year. I could say that a feeling of relief takes over, but it doesn't. It is too hard to believe that the end is here, and too, we must wait to hear student reaction to their new annual. There have been great changes initiated; their appeal and acceptance remain to be seen. We feel we have done a good job. We realize, however, that there is room for improvement in everything and certainly an annual is no exception. This is it! We hope the changes and innovations meet with your approval and that this book can mean as much to you as it does to those of us who labored so hard to bring it to you.

It is my express wish that the proper thanks go to those who have shared these sometimes trying, sometimes pleasant hours of labor. I find it difficult to say a sufficiently meaningful "thank you" to such people as Tom Greer who was so instrumental in planning the book and so willing to share the burden of the editorship, to Judy Cottle who prepared the class sections with Sue Oppenheim, her work carrying over into her summer vacation, to Joe Hripko who also gave up part of his vacation to refinish the sport section, to Mr. John West who supplied the ideas for all the art work and gave his encouragement when it was needed most, to Mr. Robert Price who gave us ideas and helped to establish a summer production so the Seniors might view their entire year, and to Nancy Johnson who helped us through our first difficult stages. I cannot forget the tireless Mr. Morris Price of New York who supplied our class, group, skit, and Homecoming pictures which he worked "overtime" to obtain, and Mr. Jack Landry of Keller Company who bore with our delays and inexperience. There are Clyde Lamb, George Schertaer, Jim Harding, Bob Huddleston, and others, too numerous to mention, but without whom the degree of success we hope we have achieved would not have been possible.

So students of Northern, here is your annual. I hope it pleases you and presents a good coverage of your 1960-1961 activities.

Your Editor,

Frank P. Lane
